

The background of the cover features a detailed technical drawing of mechanical gears. A large, complex gear with multiple teeth and internal spokes is the central focus. To its left, a smaller gear is partially visible. The gears are rendered in a realistic style with shading to show their metallic texture. In the upper left corner, a portion of a technical drawing with various lines and curves is visible. A dark, cylindrical object, possibly a pen or a part of a machine, is positioned at the top center, partially obscuring the top of the main gear.
