graduate I have taken 30 credits worth of CLEP exams and I've passed them all by using your study guides I actually purchased one of your study guides and failed my first test I didn't fail because of your guide though I failed because I didn't manage my time effectively and I ran short I looked at your study guide after failing though and a lot of the information on your study guide was very relevant to what was on the test So I tried again with a different test and a different study guide of yours I passed This pattern continues for 30 credits I graduate on June 9th thanks to you guys so I wanted to say thank you The guides were worth every penny Thanks John S I would like to thank you for your study guides I will be graduating in December with two bachelor degrees and CLEP helped me get there quickly I gained 36 credits through CLEP and your study guides helped me through almost all of them I can honestly say that I would not have passed many of the tests without your guides Great products Thanks Erin W

From the Air Force to College Jillian Ventrone, Andrew Hollis, 2016-04-11 The Air Force can be the initial platform of a lifelong career pathway for individuals interested in serving one contract or those who stay on active duty for a full career The education and certification options available to airmen can enhance the career viability of those who choose to take advantage of the benefits but learning about and navigating the possibilities can be difficult From the Air Force to College Transitioning from the Service to Higher Education is designed to help readers navigate through this process and to assist them throughout their Air Force journey including individuals who are just about to join active duty airmen and those preparing to transition back into the civilian sector This book serves as the go to guide for those who actively seek opportunities to further develop their education and improve their current and future career prospects The Air Force offers many different opportunities for career enhancement and self betterment but if an airman does not know whom to seek out for advice the process can get complicated Plus deciphering the world of higher education and navigating the available active duty and veterans benefits is challenging Incorrect choices can mean extended periods of time backtracking later on or running out of payment options
