 Marshall,2017-10-28 Excerpt from English Literature For Boys and Girls This preface let me begin by stating is not meant for
 my proper audience Of Boys and Girls but for the Olympians those semi fairy godmothers and godfathers whose purses ought
 to be bottomless as their kindness is limitless Having thus freed my pen let me proceed with my preface in the happy
 consciousness that I may with impunity use five syllabled words should I so desire My preface is an explanation and an
 apology For every one who writes a literature for young people begins with an apology for writing it and with an explana tion
 of why they wrote it We explain that in Spite of the many excellent literatures published none exactly suits our purpose and
 while apologising for adding to the number we proceed to write one to please ourselves My position is the same as that of all
 those who have gone before me and I have no more original explanation to offer for adding yet another Literature to the
 many already published About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find
