

reviewers gave valuable advice on legal, financial or insurance aspects. Immediately prior to publication, David R Wightman and Andrew Inkester (Nabarro Nathanson, UK) carried out the final review to ensure legal conformity of the entire document.

Subsequently, FIDIC published its "Model Terms of Appointment for a Dispute Adjudication Board", which had been prepared by A J M (Tony) Blackler and reviewed by Peter L Bocken and the FIDIC Contracts Committee listed above. These Model Terms are reproduced towards the end of this Guide, after the comments on Clause 20.

This Guide was prepared by Peter L Bocken and reviewed by K B (Tony) Norris, Charles B Moineaux, R Mark H Griffiths and the FIDIC Contracts Committee which now comprises John B Bowdcock (Chairman), Michael Mortimer-Hawkins and Axel-Volmar Jaeger. Immediately prior to publication, David R Wightman and Andrew Inkester carried out a final legal review.

FIDIC wishes to record its appreciation of the time and effort devoted by all the above.

FIDIC Secretariat receives requests from time to time to assist in the interpretation of individual contracts which are based upon conditions of contract incorporating the FIDIC publications. It should be evident that, as an international federation of consulting engineers, FIDIC cannot undertake to give legal advice. In any event, the legal interpretation of a contract will depend upon such matters as its precise wording and the law governing the particular contract.

This Guide does not, therefore, attempt to give legal interpretations of the Orange Book, although it does indicate some relevant legal issues. The Guide also indicates what the drafting committees (the Orange Book Task Group and the Contracts Committee) intended in drafting particular clauses. The interpretation of individual clauses in a specific contract falls to be determined in accordance with the law applicable to the contract, and may also be affected by other parts of the contract.

The final section of this Guide contains a photo-reproduction of FIDIC's Orange Book, the "Conditions of Contract for Design-Build and Turnkey, First Edition 1995". Within the text of this Guide, the various sub-clauses from the Orange Book are copied and are shown in *italics*. The *italicised* text should be identical to the corresponding text in the Orange Book as reproduced in the final section. If any discrepancy is found between the corresponding texts, the reader should refer to the photo-reproduced final section in order to determine the authentic wording.
