Fifteen Scottish Castles For Sale:

A History and Guide to Scottish Castles Jenna Maxwell, 2023-01-24 At one time Scotland was home to more than 4 000 castles It s an extraordinary number for such a small country and today around 3 000 still stand Some are world famous others have inspired great works of literature while others have lit up the silver screen There are grand ticketed visitor attractions but there are others which are unassuming structures so tucked away that only the locals seem to know about them From the triangular shaped Caerlaverock Castle in Dumfries and Galloway to the imposing New Slains Castle in Aberdeenshire and from the magnificent fortress that dominates the Edinburgh skyline to the haunting battlements that stand on the banks of Loch Ness each tower tells a story every turret holds a secret and together they span centuries of fascinating Scottish history A History and Guide to Scottish Castles explores the history architecture and legends of some of these fascinating fortresses and looks at why they are so appealing to visitors today Sharing amazing facts and her own unique experiences author Jenna Maxwell takes readers on an unforgettable tour of some of Scotland s most amazing castles which if you haven t visited them already you ll soon want to Jenna has documented her journey on her Instagram page [queenofthecastles](#)
