Amy Kaplan

Fighting Terrorism How Democracies Can Defeat Domestic And International Terrorists:

Fighting Terrorism Binyamin Netanyahu,1995 In this book the author offers an approach to understanding and fighting the increase in domestic and international terrorism throughout the world Citing diverse examples from around the globe he demonstrates that domestic terrorist groups are usually no match for an advanced technological society which can successfully roll back terror without any significant curtailment of civil liberties But he sees an even more potent threat from the new international terrorism which is increasingly the product of Islamic militants who draw their inspiration and directives from Iran and its growing cadre of satellite states The spread of fundamentalist Islamic terrorism coupled with the possibility that Iran will acquire nuclear weapons poses a more frightening threat from an adversary less rational and therefore less controllable than was Soviet Communism How democracies can defend themselves against this new threat concludes this book

Fighting Terrorism Benjamin Netanyahu,Binyamin Netanyahu,1997-03-21 The Israeli leader offers a new edition with an extended foreword written after Sept 11th

Fighting Terrorism Benjamin Netanyahu,2001-07-30 From his days as a soldier in an elite anti terror unit in the Israeli Army to his years as Prime Minister of Israel Benjamin Netanyahu has fought terrorism on the military diplomatic political battlefields In this revised edition of his famous work he traces the history of terrorism with scholarship makes a strong case that the West has not prepared itself properly for increased domestic international terrorism Netanyahu updates the story of international terrorism offers vigorous proactive preemptive measures Includes a new foreword by Netanyahu An excellent primer on the groups motives methods of the current terrorist threat

Fighting Terrorism Benjamin Netanyahu,2025-06-25 In this innovative and concise work Israeli politician Benjamin Netanyahu offers a compelling approach to understanding and fighting the increase in domestic and international terrorism throughout the world Citing diverse examples from around the globe Netanyahu demonstrates that domestic terrorist groups are usually no match for an advanced technological society which can successfully roll back terror without any significant curtailment of civil liberties But Netanyahu sees an even more potent threat from the new international terrorism which is increasingly the product of Islamic militants who draw their inspiration and directives from Iran and its growing cadre of satellite states The spread of fundamentalist Islamic terrorism coupled with the possibility that Iran will acquire nuclear weapons poses a more frightening threat from an adversary less rational and therefore less controllable than was Soviet Communism How democracies can defend themselves against this new threat concludes this provocative book

D. Bakshi,2004 Green ideology *Jerusalem Betrayed* Michael D. Evans,1997-03-16 From one of America s leading experts on Israel and the Middle East this riveting book is the true story of what is happening in the cabinet rooms and war rooms across the world Jerusalem s final betrayal brokered in the name of the Middle East Terrorism Today Christopher C Harmon,2013-09-13 Drawing directly on the words and ideas of terrorists themselves this book is an examination of patterns current trends and future threats in terrorism world wide It explores the ideology and psychology the politics and policies the strategies and operations of many active small groups and major insurgencies The terrorist leader emerges as a calculating innovated and often well educated person whose use of violence against the innocent is calibrated for maximum effects The final chapter is a discussion of the problems of counter terrorism and makes several recommendations **Homegrown Violent Extremism** Erroll Southers,2014-09-25 In the country s changing threat environment homegrown violent extremism HVE represents the next challenge in counterterrorism Security and public policy expert Erroll Southers examines post 9 11 HVE what it is the conditions enabling its existence and the community based approaches that can reduce the risk of homegrown terrorism Drawing on scholarly insight and more than three decades on the front lines of America s security efforts Southers challenges the misplaced counterterrorism focus on foreign individuals and communities As Southers shows there is no true profile of a terrorist The book challenges how Americans think about terrorism recruitment and the homegrown threat It contains essential information for communities security practitioners and policymakers on how violent extremists exploit vulnerabilities in their communities and offers approaches to put security theory into practice *Our American Israel* Amy Kaplan,2018-09-17 How did a Jewish state come to resonate profoundly with Americans in the twentieth century Since WWII Israel s identity has been entangled with America s belief in its own exceptionalism Turning a critical eye on the two nations turbulent history together Amy Kaplan unearths the roots of controversies that may well divide them in the future Terrorism in Perspective Sue Mahan,Pamala L. Griset,2012-11-21 The Third Edition of *Terrorism in Perspective* like its two successful predecessors takes a broad based approach that emphasizes the historical cultural political religious social and economic factors that underlie an understanding of both global and domestic terrorism This unique text reader combines original essays with the best of the existing literature on terrorism Each chapter of this text begins with an overview essay written by the authors followed by two relevant and engaging articles culled from a wide variety of popular academic and governmental sources This is the only major terrorism text to incorporate readings from top terrorism experts into a traditional textbook format allowing readers to deepen their understanding of each aspect of terrorism
