Fighting Castro A Love Story:

Fighting Castro Kay Abella, 2007 Havana 1960 Lino Fernandez a young Cuban doctor and his wife Emy decide to fight Castro rather than flee into exile They work together in the underground traveling across Cuba to muster support for the guerilla movement Then Lino continues alone as Emy waits for the birth of their third child Now a major leader in the resistance group MRR movement to Recuperate the Revolution is able to see Emy only sporadically sneaking back to Havana for a few hours for the birth of their daughter Lucia Lino makes a number of trips into the Escambray Mountains where guerilla troops are training He finally arranges a long awaited arms drop by the CIA but is captured by the militia and taken to Cuban Security Police G 2 headquarters It is February 1961 He is 26 years old Both Emy and Lino believe he will be executed but hope for a prison sentence instead Whatever happens to Lino Emy believes that their children one month one year and two years old cannot grow up in Cuba indoctrinated in Communism and treated as pariahs the children of a traitor At the age of 22 she makes the agonizing decision to send her children away to Miami with her parents and stay in Cuba to help Lino survive in prison If nothing else she will be with him if he is executed Lino is placed in several prisons until after a hunger strike he organized he is sent to the maximum security Ile of Pines prison on an island off the south coast of Cuba Already known as a troublemaker he is placed in solitary in a cage cell naked humiliated on starvation rations and exposed to searing sun and hurricanes He manages to keep his sanity by communicating with other prisoners through the wire ceilings of their cells During this time he learns from a telegram that his children are safe in Miami and Emy has stayed in Cuba After 100 days he is put into a cell block with 1200 other prisoners There he discovers a deep connection to others who fought Castro many from a world he never knew before farmers peasants manual workers Lino emerges as a leader not only in fact but in the respect shown him by other prisoners At Lino's trial he uses the one time he is permitted to speak to describe his reasons for opposing Castro despite prejudicing his case To Emy's relief he is sentenced not to death but to 30 years in prison He is returned to Ile of Pines where he and the others are subjected to brutal random attacks beatings and killings by guards Lino and other leaders are determined to keep up the morale and health of the political prisoners by creating as normal an existence as possible They organize a clinic a library classes sports anything to maintain the feeling that the years are not being thrown away They also manage to stay in contact via radio with the outside world and smuggle letters in and out of prison Visits by families and the supplies they bring are sporadic but become a lifeline for the prisoners The years at Ile of Pines are a series of assaults on the prisoners morale and safety At one point Castro wires the prison with dynamite in order to get rid of the Resistance fighters in case of another invasion like Bay of Pigs Lino experiences the 1962 missile crisis via the prisoners clandestine radio Later he helps prisoners survive the forced labor and random killings imposed by Castro Eventually Ile of Pines is closed and Lino is transferred to La Cabana prison near Havana In Havana Emy struggles to create a bearable life spending much of her time searching for the food and supplies Lino needs in prison Although she finds some

support in working at the Egyptian embassy Emy is twice arrested for minor infractions and tried for crimes against the revolution She moves from one friends house to another subject to harassment and discrimination her only comfort coming from her friendships with other wives of dissidents and with foreigners The couples relationship grows through the rare visits and through passionate love letters smuggled in and out of prison Allowed no direct contact with her children Emy can only imagine their lives through news from friends who visit Miami and rare letters from her parents At La Cabana prison conditions are even worse men are crammed into dark stone gallerias with no space to move and no light or fresh air Steadfastly refusing to accept even symbolically the legitimacy of Castros regime Lino leads several attempts at revolt ending in a hunger strike in which he comes close to death After seventeen years in prison and work camps Lino is released in the middle of the night with no warning or explanation He makes his way to Havana where he is reunited with Emy However they are still forbidden to leave Cuba They settle down to create whatever existence they can in Havana desperate to be with their children and subject to many limitations and harassments One year later during a short thaw in relations with the U S Castro unexpectedly allows former political prisoners to have exit visas although there is no transport available A group of ex prisoners families in Miami send a charter plane and Lino and Emy are finally reunited with their children in Miami

An Unfinished Love Story Doris Kearns Goodwin, 2024-04-16 The 1 New York Times bestseller from America s historian in chief New York magazine An Unfinished Love Story A Personal History of the 1960s by Doris Kearns Goodwin one of America s most beloved historians artfully weaves together biography memoir and history She takes you along on the emotional journey she and her husband Richard Dick Goodwin embarked upon in the last years of his life Dick and Doris Goodwin were married for forty two years and married to American history even longer In his twenties Dick was one of the brilliant young men of John F Kennedy s New Frontier In his thirties he both named and helped design Lyndon Johnson s Great Society and was a speechwriter and close advisor to Robert Kennedy Doris Kearns was a twenty four year old graduate student when selected as a White House Fellow She worked directly for Lyndon Johnson and later assisted on his memoir Over the years with humor anger frustration and in the end a growing understanding Dick and Doris had argued over the achievements and failings of the leaders they served and observed debating the progress and unfinished promises of the country they both loved The Goodwins last great adventure involved finally opening the more than three hundred boxes of letters diaries documents and memorabilia that Dick had saved for more than fifty years They soon realized they had before them an unparalleled personal time capsule of the 1960s illuminating public and private moments of a

decade when individuals were powered by the conviction they could make a difference a time like today marked by struggles for racial and economic justice a time when lines were drawn and loyalties tested Their expedition gave Dick s last years renewed purpose and determination It gave Doris the opportunity to connect and reconnect with participants and witnesses of pivotal moments of the 1960s And it gave them both an opportunity to make fresh assessments of the central figures of the time John F Kennedy Jacqueline Kennedy Martin Luther King Jr Robert Kennedy Eugene McCarthy and especially Lyndon Johnson who greatly impacted both their lives The voyage of remembrance brought unexpected discoveries forgiveness and the renewal of old dreams reviving the hope that the youth of today will carry forward this unfinished love story with America

The Development of the Cid Love Story Florence Elizabeth Ryle,1914 **Middlebrow Literature and the Making of German-Jewish Identity** Jonathan M. Hess,2010-03-12 For generations of German speaking Jews the works of Goethe and Schiller epitomized the world of European high culture a realm that Jews actively participated in as both readers and consumers Yet from the 1830s on Jews writing in German also produced a vast corpus of popular fiction that was explicitly Jewish in content audience and function Middlebrow Literature and the Making of German Jewish Identity offers the first comprehensive investigation in English of this literature which sought to navigate between tradition and modernity between Jewish history and the German present and between the fading walls of the ghetto and the promise of a new identity as members of a German bourgeoisie This study examines the ways in which popular fiction assumed an unprecedented role in shaping Jewish identity during this period It locates in nineteenth century Germany a defining moment of the modern Jewish experience and the beginnings of a tradition of Jewish belles lettres that is in many ways still with us today

Fidel Castro: My Life Ignacio Ramonet, Fidel Castro, 2008-03-11 The intimate and highly revealing life story of the world's longest serving most charismatic and controversial head of state in modern times Fidel Castro was a dictatorial pariah to some and a hero and inspiration for many of the world's poor defiantly charting an independent and revolutionary path for Cuba over nearly half a century Numerous attempts were made to get Castro to tell his own story But only in the twilight of his years was he prepared to set out the details of his remarkable biography for the world to read before his death in 2016 This book is nothing less than his living testament In these pages Castro narrates a compelling chronicle that spans the harshness of his elementary school teachers the early failures of the revolution his intense comradeship with Che Guevara and their astonishing against all odds victory over the dictator Batista the Cuban perspective on the Bay of Pigs and the ensuing missile crisis the active role of Cuba in African independence movements especially its large military involvement in fighting apartheid South Africa in Angola his relations with prominent public figures such as Boris Yeltsin Pope John Paul II and Saddam Hussein and his dealings with no less than ten successive American presidents from Eisenhower to George W Bush Castro talks proudly of increasing life expectancy in Cuba of the half million students in Cuban universities and of the training of seventy thousand Cuban doctors nearly half of whom work abroad assisting the poor in Africa Asia and Latin America He confronts a number of thorny issues including democracy and human rights discrimination toward homosexuals and the presence of the death penalty on Cuban statute books Along the way he shares intimacies about more personal matters the benevolent strictness of his father his successful attempt to give up cigars his love of Ernest Hemingway's novels and his calculation that by not shaving he saves up to ten working days each year Drawing on more than one hundred hours of interviews with Ignacio Ramonet a knowledgeable and trusted interlocutor this spoken autobiography will stand as the definitive record of an extraordinary life lived in turbulent times

Records & Briefs New York State Appellate Division , **Cuba Libre!** Tony Perrottet, 2019-01-22 The surprising story of Che Guevara Fidel Castro and the scrappy band of rebel men and women who followed them Most people are familiar with the basics of the Cuban Revolution of 1956 1959 it was led by two of the twentieth century's most

charismatic figures Fidel Castro and Che Guevara it successfully overthrew the island nation's US backed dictator and it quickly went awry under Fidel's rule But less is remembered about the amateur nature of the movement or the lives of its players In this wildly entertaining and meticulously researched account historian and journalist Tony Perrottet unravels the human drama behind history's most improbable revolution a scruffy handful of self taught revolutionaries many of them kids just out of college literature majors and art students and including a number of extraordinary women who defeated 40 000 professional soldiers to overthrow the dictatorship of Fulgencio Batista Cuba Libre's deep dive into the revolution reveals fascinating details How did Fidel's highly organized lover Celia Sanchez whip the male guerrillas into shape Who were the two dozen American volunteers who joined the Cuban rebels How do you make land mines from condensed milk cans or for that matter cook chorizo la guerrilla sausage guerrilla style Cuba Libre is an absorbing look back at a liberation movement that captured the world's imagination with its spectacular drama foolhardy bravery tragedy and sometimes high comedy and that set the stage for Cold War tensions that pushed the world to the brink of nuclear war

Reporting the Cuban Revolution Leonard Ray Teel, 2015-12-16 Reporting the Cuban Revolution reveals the untold story of thirteen American journalists in Cuba whose stories about Fidel Castro's revolution changed the way Americans viewed the conflict and altered U S foreign policy in Castro's favor Between 1956 and 1959 the thirteen correspondents worked underground in Cuba evading the repressive censorship of Fulgencio Batista's dictatorship in order to report on the rebellion led by Fidel Castro The journalists' stories appeared in major newspapers magazines and national television and radio influencing Congress to abruptly cut off shipments of arms to Batista in 1958 Castro was so appreciative of the journalists' efforts to publicize his rebellion that on his first visit to the United States as premier of Cuba he invited the reporters to a private reception at the Cuban Embassy in Washington where he presented them with engraved gold medals While the medals revealed Castro's perception of the correspondents as like minded partisans the journalists themselves had no such intentions Some had journeyed to Cuba in pursuit of scoops that could rejuvenate or jump start their careers others sought to promote press freedom in Latin America still others were simply carrying out assignments from their editors Bringing to light the disparate motives and experiences of the thirteen journalists who reported on this crucial period in Cuba's history Reporting the Cuban Revolution is both a masterwork of narrative nonfiction and a deft analysis of the tension between propaganda and objectivity in the work of American foreign correspondents

El Cid Nora Berend, 2025-01-07 Exploring the creation of the El Cid legend over the centuries this masterful and evocative biography peels away the layers of myth to reveal the real life historical figure El Cid was perhaps the most famous warrior involved in the indiscriminate fighting irrespective of religion on the Iberian Peninsula during the eleventh century In the centuries after his death he was transformed into a perfect Christian knight In modernity he was seen as the incarnation of Spain's special national character Franco chose El Cid as the emblem of Nationalist Spain Yet not only those on the political right but many others including academics and those on the

political left were in his thrall He has been promoted both as the forerunner of white supremacists and of multiculturalism How can we explain such a stupendous afterlife and how can El Cid be a hero for so many different people To begin to understand that we must try to understand the truth buried beneath the myth Nora Berend explores the creation of the legends over the centuries and reveals those active in its making Medieval monks the women in El Cid's family a playwright and a historian are among the creators of the mythic Cid This riveting narrative seeks to explain their motives and in so doing peels away the layers of legend to evoke the real life historical figure

Latin America's Democratic Crusade Allen Wells, 2023-01-01 By emphasizing Latin American reformers' decades long struggle to defeat authoritarianism this transnational history challenges the timeworn Cold War paradigm and recasts the region's political evolution Scholars persist in framing the Cold War as a battle between left and right one in which the Global South is cast as either witting or unwitting proxies of Washington and Moscow What if the era is told from the perspective of the many who preferred reform to revolution Scholars have routinely neglected dismissed or caricatured moderate politicians In this book Allen Wells argues that until the Cuban Revolution the struggle was not between capitalism and communism that was Washington's abiding preoccupation but between democracy and dictatorship Beginning in the 1920s the fight against authoritarianism was contested on multiple fronts political ideological and cultural taking on the dimensions of a political crusade Convinced that despots represented an existential threat reformers declared that no civilian government was safe until the cancer of dictatorship was excised from the hemisphere Dictators retaliated often with deadly results exporting strategies that had been honed at home to guarantee their political survival Grafted onto this war without borders was a belated Cold War with all its political convulsions the aftershocks of which are still felt today
