Dr. King, 2024-03-15 Important Missing Dimensions in Our Current Understanding of the Mind Dr. King, Our current scientific achievements in understanding the working of the mind are commendable However in its over insistence on objectivity science seems to have overlooked some important dimensions of the mind There are many questions science fails to provide satisfactory answer Interestingly many of these questions were addressed by ancient philosophies and probably in the true scientific spirit we should look at these philosophies with an open mind This second part of the 3 part series Marvels of the Mind focuses on these missed dimensions and how ancient philosophies address them A range of ancient philosophies amazingly well conceptualized that look at different aspects of the mind are discussed in the current book There is the ancient philosophy of Plato who points out the limitations of our sense perception the elaborate psychology of ancient Buddhists that almost parallels with our scientific understanding the philosophy of Sankara who even questions the reality of existence and the concept of domains beyond mind that are the focus of ancient Upanishads All these and more are explained clearly in this second part of the series These philosophies compel us to rethink on our current definition of science and its approach The book also provides a smooth transition point from science to philosophy and finally to domains beyond both these Around the Mind Dr. King, 2018-10-09 Mind may probably be the most intriguing thing that has fascinated human beings philosophers as well as the scientists for thousands of years This book summarizes our current scientific views on the Mind the questions that arise due to that view the efforts by ancient philosophies to address these questions and probably a possibility of going beyond the realms of current scientific approach

Towards a Better Understanding of Islam Dr. King, In this highly insightful book Dr King clearly brings out the strong undercurrent of humane concerns behind all major world religions be it Islam Judaism Christianity Buddhism or Hinduism With the Holy Quran as the primary focus the book compares and contrasts other religious scriptures with an intent to unify them Complete with select original verses from Holy Quran along with their English rendering A one stop read for anyone who wants to understand Islam and get a unified view of these great religions **Buddha's Soul : Invaluable Insights from an**

Enlightened Master Dr. King, This book explains some of the key ideas propounded by Buddha that makes us rethink on several things we take for granted The way these ideas are presented is as if Buddha is sitting just in front of us and talking to us They are invaluable Unlike other ancient Indian philosophies like the Upanishads Buddha's words are simple direct and delivered with full authority They are like a handholding experience to an ardent practitioner who wants to make progress in the spiritual path Whatever Buddha said more than 2500 years ago is relevant even today In a world where

commercialization of spiritual practices is becoming rampant Buddha s original messages dispel lot of misconception and provide a guiding light for right way of propagating spirituality In this marvelous collection of short articles Dr King presents some of the key ideas from ancient Tipitakas Buddhist source for everything The focus is on core principles carved out from otherwise difficult to understand and voluminous original Pali scriptures Unraveling the Hidden Mysteries of the Vedas, Part 1 : Aliens of the Vedic kind Dr. King, Swami Satyapriya, 2023-12-09 Vedas are the most ancient scriptures known to us today They are not just religious texts but are storehouses of vast knowledge both worldly as well as spiritual However these voluminous texts are shrouded in mystery that seem to be unresolvable This book tries to unravel some of these mysteries and throws lot of light on often misunderstood aspects of these scriptures This is the first part of the series Unsolved mysteries Table of Contents On a breath taking journey into the Himalayas Vedas The unsolved puzzle of ancient India Chapter 1 Who really composed the Vedas Did some barbaric nomads compose the Vedas A King who bartered the youth with his son Story of white Veda and black Veda Putting the pieces of the puzzle together Story of ShunashEpa Story of Mahidasa How big are these Vedas Chapter 2 Were propagators of Vedas primitive people A brief re look at the Aryan invasion theory Does lack of evidence imply nonexistence Secrecy led to caste and gender discrimination Ingenious techniques to remember massive Vedic texts Were Vedic Indians mathematical genius The amazing constructs of Vedic Indians Chapter 3 Were Vedic Indians in touch with aliens Overview of communion of Vedic people with Devas Aliens of the Vedic kind Did the aliens really visit Vedic Indians Were the Vedic Indians vegetarians A tour of a typical Vedic ritual Is it right to kill an animal just for our benefit Epilogue Moving from ritualism to spirituality **Think and be Enlightened** Dr. King, Many Inspirational informative thoughts on Yoga Spirituality and Indian Philosophy **The Threads That Lead to Divine** Dr. King, Swami Satyapriya, In this excellent exposition of ancient Indian thought systems the authors rig up an interesting debate among proponents of these systems finally leading to the conclusions well established by Vedas and Upanishads The book is based on the well known work namely The Brahma Sutra of Sage Badarayana A good book to get a quick introduction to Samkhya Vaisheshika Yoga Teravada Vijnyana Vada Shoonya Vada and Anekantavada and their contrast with the Upanishadic views *Upanishads - A Journey Into the Unknown* Dr. King, 2024-10-12 These timeless insights recorded several thousands of years ago declare the oneness of not only the human beings irrespective of cast religion gender race but also the entire animate and inanimate world They ask How can anyone hate or kill anyone else when in reality we are all one in the ultimate sense They also provide us a way of experiencing this ultimate truth the pinnacle of our spiritual journey At the same time Upanishads don t advocate abandonment of worldly life They advise that one should aspire to live on for full hundred years enjoying the world while keeping in mind the oneness of all So enjoy but without over indulgence Acquire wealth but without snatching someone else s rightful share At the same time keep doing your duty In a time riddled with mutual distrust hatred violence and narrow identities what could be a more apt message than the one given
