American Deists Joseph Waligore,2022-12-19 The deists have been misunderstood as Enlightenment thinkers who believed
in an inactive deity Instead the deists were spiritually oriented people who believed God treated all his children fairly Unlike
the biblical God the deist God did not punish entire nations with plagues curse innocent people or order the extermination of
whole nations In deism for the first time in modern Western history God became good The Spirituality of the English and
American Deists How God Became Good explores how the English deists were especially important because they formulated
the arguments that most of the later deists accepted Half of the English deists claimed they were advocating the Christianity
Jesus taught before his later followers perverted his teachings Joseph Waligore call these deists Jesus centered deists Ben
Franklin Thomas Jefferson and John Adams studied these Jesus centered deists and had similar beliefs While some of the
most prominent American Founders were deists deism had little or no influence on the religious parts of the Constitution and

O'Keeffe, 1997-08-28 *Reading Old English Texts* first published in 1997 focuses on the critical methods being used and developed for reading and analysing writings in Old English. The collection is timely given the explosion of interest in the theory, method and practice of critical reading. Each chapter engages with work on Old English texts from a particular methodological stance. The authors are all experts in the field but are also concerned to explain their method and its application to a broad undergraduate and graduate readership. The chapters include a brief historical background to the approach, a definition of the field or method under consideration, a discussion of some exemplary criticism with a balance of prose and verse passages, an illustration of the ways in which texts are read through this approach, and some suggestions for future work.
