English Constitutional Documents, 1307-1485 Eleanor C. Lodge, Gladys A. Thornton, 2015-12-03 Originally published in 1935 this book presents English constitutional documents from the period 1307 to 1485 organised into three main sections central government the church and local government These sections are subdivided into smaller categories such as The Crown and Parliament with each category containing a brief editorial introduction A complete list of documents used is included at the beginning of the text and extensive notes are incorporated throughout Glossaries of French and Latin words are also provided This book will be of value to anyone with an interest in medieval history and the development of the English constitution

The English Rising of 1381 R. H. Hilton, T. H. Aston, 1987-08-28 This volume eschews general narrative history and consists of articles most of which were presented to a conference organized in 1981 by the Past and Present Society

Fictions of Advice Judith Ferster, 2016-11-11 Fictions of Advice historicizes the late medieval mirrors or handbooks for princes to reveal how the ambiguities and contradictions characteristic of the genre are responses to as well as attempts to manage the risks implicit in advising a king Often thought of as moralizing advice unable to engage political conflicts the mirrors for princes have been taken for dull and conventionalized testimonies to the medieval taste for platitude Judith Ferster maintains that advice was at the center of one of the important political debates in the late Middle Ages how to constrain the king and allow for his subjects participation Fictions of Advice rereads the English mirrors for princes to show how their moralizing was often highly topical and even subversive Although overtly deferential to the rulers they address the mirrors authors were surprisingly capable of criticism and opposition In putting the texts back into their historical contexts Ferster reveals the vital cultural and political function they fulfilled in their societies *Late-medieval England, 1377-1485*

DeLloyd J. Guth, 1976 **Richard II** Anthony Steel, 2013-08-22 This 1941 monograph by historian Anthony Steel assesses the character and policies of Richard II who reigned in a time of tremendous literary and artistic change which was also underpinned by great political and religious uncertainty The book contains an introduction by distinguished historian G M Trevelyan

English Constitutional Documents 1307-1485, 1935 *Treason by Words* Rebecca Lemon, 2011-02-23 Under the Tudor monarchy English law expanded to include the category of treason by words Rebecca Lemon investigates this remarkable phrase both as a legal charge and as a cultural event English citizens she shows expressed competing notions of treason in opposition to the growing absolutism of the monarchy Lemon explores the complex participation of texts by John Donne Ben Jonson and William Shakespeare in the legal and political controversies marking the Earl of Essex's 1601 rebellion and the 1605 Gunpowder Plot Lemon suggests that the articulation of diverse ideas about treason within literary and polemical texts produced increasingly fractured conceptions of the crime of treason itself Further literary texts in representing issues familiar from political polemic helped to foster more free less ideologically rigid responses to the crisis of treason As a result such works of imagination bolstered an emerging discourse on subjects rights *Treason by Words* offers an
