Fidic Contractors Guide:

FIDIC - A Guide for Practitioners Axel-Volkmar Jaeger, Götz-Sebastian Hök, 2009-11-11 In 1999 a suite of three new conditions of contract was published by FIDIC following the basic structure and wording harmonised and updated around the previous FIDIC Design Build and Turnkey Contract the 1992 Orange Book These conditions known as the FIDIC rainbow were the Conditions of Contract for Construction the so called Red Book for works designed by the Employer the Plant and Design Build the so called Yellow Book for works designed by the Contractor the EPC Turnkey Projects the so called Silver Book for works designed by the Contractor The first is intended for construction works where the Employer is responsible for the design as for per the previous so called Red Book 4th Edition 1987 with an important role for the Engineer The other two conditions of contract are intended for situations when the Contractor is responsible for the design The Plant and Design Build Contract has the traditional Engineer while the EPC Turnkey Contract has a two party arrangement generally with an Employer's Representative as one of the parties

FIDIC Users' Guide Brian W. Totterdill, 2006 The FIDIC Conditions of Contract for Construction and the Conditions of Contract for Plant and Design Build known as the 1999 Red Book and the 1999 Yellow Book were first published in 1999 and have been used for a large number of contracts around the world During 2005 FIDIC and the multilateral development banks cooperated to publish the MDB Harmonised Conditions of Contract for Construction This book is a revised and extended edition of the authors earlier guides

Guide to the FIDIC Conditions of Contract for Construction Michael D. Robinson, 2023-01-19 Enables readers to easily understand the contract to enable better compliance and efficiency Guide to the FIDIC Conditions of Contract for Construction The Red Book 2017 helps the reader overcome some of the difficulties encountered on a typical international construction project using the FIDIC Construction Contract 2nd Edition the 2017 Red Book by summarizing the activities and duties of those involved and crystallizing the requirements of the contract To aid in reader comprehension the text explains clauses in the sequence they appear in the contract but also in the order they happen in real time on site It further provides practical guidance in a concise manner and in straightforward jargon free language It is a highly practical resource for use during the project rather than a legal review of the contractual requirements ensuring readers are fully conversant with the revised requirements and procedures mandated by the 2017 edition of the contract Guide to the FIDIC Conditions of Contract for Construction The Red Book 2017 includes A review of the duties and responsibilities of the three parties the Employer the Engineer and the Contractor engaged on a FIDIC based Contract A review of the flow of documentation and instructions which is to be provided by one party to another party throughout the contract period Practical guidelines are provided for the avoidance of disputes and delays in order that contracts are completed as planned Guide to the FIDIC Conditions of Contract for Construction The Red Book 2017 is a practical and highly useful resource for engineers consultants project managers and others who are engaged in the site management of international projects using the FIDIC Construction Contract along with
