Fieldwork Participation And Practice Ethics And Dilemmas In Qualitative Research:

Fieldwork, Participation and Practice Marlene de Laine, 2000-10-06 I would highly recommend *Fieldwork Participation and Practice Ethics and Dilemmas in Qualitative Research* as a text for the wide range of fields that currently engage in fieldwork. She does an excellent job of moving beyond basic ethical principles and informs the reader of the complexity of contemporary fieldwork. Forum for Qualitative Social Research follow the link below to read the complete review. This timely and topical look at the role of ethics in fieldwork takes into account some of the major issues confronting qualitative researchers. The main purposes of this book are twofold: to promote an understanding of the harmful possibilities of fieldwork and to provide ways of dealing with ethical problems and dilemmas. To these ends, examples of actual fieldwork are provided that address ethical problems and dilemmas and posit ways of dealing with them. *Qualitative Research* David Silverman, 2010-11-17 Lecturers click here to request an electronic inspection copy. No waiting for the post to arrive. This hugely successful textbook has been fully updated and revised to make it even more accessible and comprehensive than previous editions. New chapters have been added on a range of key topics including grounded theory, research ethics, and systematic review. This book draws on a stellar list of leading qualitative researchers, each of whom is writing on their own specialized area in qualitative research but doing so in a way that is clear and accessible to students and those new to the field of qualitative methods. All chapters also have added features such as internet links, questions for readers, and recommended readings. Alongside its engaging and accessible style, these new features make *Qualitative Research* the ideal textbook for all students working within this field. This is a comprehensive and accessible first text on qualitative methods that boasts a who's who of leading qualitative methodologists and is a must-have book for any student involved in doing research. **Your Research Project** Nicholas Walliman, 2019-12-06 With a calming reassuring tone, Nicholas Walliman gives you the ability and confidence to plan, design, and prepare for your research project.
