scary cogent and cleverly argued Beth Macy author of Dopesick As heard on Fresh Air Finding an optimal balance between  
pain and pleasure is more important now than ever because of our self immersion in overconsumption We live in an era  
where we have unparalleled access to high reward high dopamine stimuli including drugs food news shopping gambling  
gaming texting sexting and social media abuses The increasing quantity diversity and potency are mind boggling For a  
connected generation the smartphone is the modern day hypodermic needle giving digital dopamine 24 hours a day seven

the fascinating new scientific findings that explain why the never ending quest of pleasure leads to pain and what to do about  
it in Dopamine Nation Lembke demonstrates how finding happiness and togetherness entails keeping dopamine in control by
