Paul Matzko

Fighting Fundamentalist McIntire Politicization Fundamentalism:

Fighting Fundamentalist Markku Ruotsila, 2016 Markku Ruotsila's *Fighting Fundamentalist* restores the controversial fundamentalist pastor and broadcaster Carl McIntire to his place as one of the most influential religious leaders in twentieth century United States and one of the principal founders of the Christian Right *Davies. The Seven Pillars of Peace*, 1945

A Transpacific Imagination of Theology, Ethics, and Spiritual Activism Keun-joo Christine Pae, 2023-11-23 Despite prolific feminist voices in Christian ethics transnational perspectives are still underdeveloped Similarly secular transnational feminist scholarship often overlooks religious faith rituals and spirituality crucial to many women's liberation movements across the globe This book aims to fill these gaps in Christian and secular feminist scholarships by constructing a transnational feminist theo ethics Furthermore by bringing the theological and the transnational together the book offers an alternative tool in analyzing social identities beyond intersectionality i e interstitial approach and interstitial integrity and thus renews feminist theological understandings especially of time memories and healing beyond linear approaches A renewed analytical tool would help the readers critically reinterrogate the global power structure buttressed by empire militarized capitalism and heteropatriarchal religious ideologies at the cost of raced sexed and classed bodies At the same time the book would create space where readers create and recreate theo ethical visions for global peace and justice constructed upon transnational feminist praxis of solidarity and spiritual activism Case studies offer concrete sites to inform readers about how to use transnational feminist theories at a micro and macropolitical levels and produce transnational feminist knowledge of God spiritual activism and solidarity This book is written for graduate and advanced undergraduate students in religion gender studies and Asian American studies to critically engage in the political the theological and the spiritual from transnational perspectives not as observers but as active participants in global politics *Paisleyism and Civil Rights* Richard Lawrence Jordan, 2018-11-15 This book examines the Northern Ireland civil rights movement and the Reverend Ian Paisley's opposition Although street demonstrations began in the summer of 1968 and lasted a year activism to advance Ulster's catholic community originated in the late 1950s During this period Paisley crusaded against Protestant apostasy and the liberalization of the Unionist government and asserted a Calvinist response for protestants Paisley formed a political and theological association with North Americans who professed militant fundamentalism and fought the integration of American society Between 1965 and 1968 Paisley made three visits to the United States and Canada During these extensive speaking tours he witnessed the consequence to a successful campaign The relationship religiosity and first hand knowledge of current events helped to shape Paisley's counter demonstrations in Northern Ireland and create an atmosphere for sectarian strife and the Troubles *The Oxford Handbook of Christian Fundamentalism* Andrew Atherstone, David Ceri Jones, 2024-01-18 This authoritative volume offers the fullest account to date of Christian fundamentalism its origins in the nineteenth century and its development up to the present day It looks at the movement in global terms and through a number

of key subjects and debates in which it is actively engaged **Red Dynamite** Carl R. Weinberg, 2021-10-15 In *Red Dynamite* Carl R. Weinberg argues that creationism's tenacious hold on American public life depended on culture war politics inextricably embedded in religion. Many Christian conservatives were convinced that evolutionary thought promoted immoral and even bestial social sexual and political behavior. The fruits of subscribing to Darwinism were in their minds a dangerous rearrangement of God-given standards and the unsettling of traditional hierarchies of power. Despite claiming to focus exclusively on science and religion, creationists were practicing politics. Their anticommunist campaign, often infused with conspiracy theory, gained power from the fact that the Marxist founders, the early Bolshevik leaders, and their American allies were staunch evolutionists. Using the Scopes Monkey Trial as a starting point, *Red Dynamite* traces the politically explosive union of Darwinism and communism over the next century. Across those years, social evolution was the primary target of creationists, and their ideas have consequences. Strategy instilled fear that shaped the contours of America's culture wars. By taking the anticommunist arguments of creationists seriously, Weinberg reveals a neglected dimension of antievolutionism and illuminates a source of the creationist movement's continuing strength. Thanks to generous funding from Indiana University and its participation in TOME: Toward an Open Monograph Ecosystem, the ebook editions of this book are available as Open Access volumes from Cornell Open: cornellpress.cornell.edu/cornell-open and other repositories.

The Radio Right Paul Matzko, 2020-04-01 In the past few years, trust in traditional media has reached new lows. Many Americans disbelieve what they hear from the mainstream media and have turned to getting information from media echo chambers which are reflective of a single party or ideology. In this book, Paul Matzko reveals that this is not the first such moment in modern American history. *The Radio Right* tells the story of the 1960s far Right who were frustrated by what they perceived to be liberal bias in the national media, particularly the media's sycophantic relationship with the John F. Kennedy administration. These people turned for news and commentary to a resurgent form of ultra-conservative mass media: radio. As networks shifted their resources to television, radio increasingly became the preserve of cash-strapped independent station owners who were willing to air the hundreds of new right-wing programs that sprang up in the late 1950s and 1960s. By the early 1960s, millions of Americans listened each week to conservative broadcasters, the most prominent of which were clergy or lay broadcasters from across the religious spectrum, including Carl McIntire, Billy James, Hargis, and Clarence Manion. Though divided by theology, these speakers were united by their distrust of political and theological liberalism and their antipathy towards JFK. The political influence of the new Radio Right quickly became apparent as the broadcasters attacked the Kennedy administration's policies and encouraged grassroots conservative activism on a massive scale. Matzko relates how by 1963, Kennedy was so alarmed by the rise of the Radio Right that he ordered the Internal Revenue Service and Federal Communications Commission to target conservative broadcasters with tax audits and enhanced regulatory scrutiny via the Fairness Doctrine. Right-wing broadcasters lost hundreds of stations and millions of listeners. Not until the

deregulation of the airwaves under the Carter and Reagan administrations would right wing radio regain its former prominence The Radio Right provides the essential pre history for the last four decades of conservative activism as well as the historical context for current issues of political bias and censorship in the media **The Other Evangelicals** Isaac B. Sharp,2023-04-18 What s the first thing that comes to mind when you hear evangelical For many the answer is white patriarchal conservative or fundamentalist but as Isaac B Sharp reveals the big tent of evangelicalism has historically been much bigger than we ve been led to believe In The Other Evangelicals Sharp brings to light the stories of those twentieth century evangelicals who didn t fit the mold including Black feminist progressive and gay Christians Though the binary of fundamentalist evangelicals and modernist mainline Protestants is taken for granted today Sharp demonstrates that fundamentalists and modernists battled over the title of evangelical in post World War II America In fact many ideologies characteristic of evangelicalism today such as biblical womanhood and political conservatism arose only in reaction to the popularity of evangelical feminism and progressivism Eventually history was written by the winners the Billy Grahams of American religion while the losers were expelled from the movement via the establishment of institutions such as the National Association of Evangelicals Carefully researched and deftly written The Other Evangelicals offers a breath of fresh air for scholars seeking a more inclusive history of religion in America Q Spirit Top 23 LGBTQ Christian Books List 2023

Teaching Anticommunism Hubert Villeneuve,2020-04-16 Fred C Schwarz 1913 2009 was an Australian born medical doctor and evangelical preacher who settled in the United States in the early 1950s where he founded the Christian Anti Communism Crusade His work as an anticommunist educator spanned five decades his campaigns attracted large crowds strengthened grassroots conservatism and influenced political leaders By the late 1950s the Crusade had become one of the most important conservative organizations in America turning numerous citizens into lifelong right wing militants In Teaching Anticommunism Hubert Villeneuve sheds light on Schwarz s fascinating career and organization which left a distinct mark on the United States and was also active internationally Cold War anticommunism in the US consisted of more than the House Un American Activities Committee and the campaign led by Senator Joseph McCarthy Villeneuve shows that by the early 1960s Schwarz s Crusade was an integral part of a burgeoning American anticommunist subculture that united grassroots conservatives of all stripes Its influence continued paving the way for the development of the New Right that began in the 1970s In addition to exploring the life and work of Schwarz the book highlights the transnational dimension of US conservatism by outlining the Crusade s role in worldwide anticommunist networks that operated throughout the Cold War Packed with unnerving evidence but leavened with humorous anecdotes and insights into a mercurial figure Teaching Anticommunism provides a unique perspective on the evolution of the contemporary American right wing and its global connections **Global white nationalism** Daniel Geary,Camilla Schofield,Jennifer Sutton,2020-09-15 This book offers the first transnational history of white nationalism in Britain the US and the formerly British colonies of Rhodesia South Africa

and Australia from the post World War II period to the present It situates contemporary white nationalism in the Anglosphere within the context of major global events since 1945 White nationalism it argues became more global in reaction to the forces of decolonisation civil rights mass migration and the rise of international institutions In this period assumptions of white supremacy that had been widely held by whites throughout the world were challenged and reformulated as western elites professed a commitment to colour blind ideals The decline in legitimacy of overtly racist political expression produced international alliances among white supremacists and new claims of populist legitimization *The Business Turn in American Religious History* Amanda Porterfield,Darren Grem,John Corrigan,2017-07-19 Business has received little attention in American religious history although it has profound implications for understanding the sustained popularity and ongoing transformation of religion in the United States This volume offers a wide ranging exploration of the business aspects of American religious organizations The authors analyze the financing production marketing and distribution of religious goods and services and the role of wealth and economic organization in sustaining and even shaping worship charity philanthropy institutional growth and missionary work Treating religion and business holistically their essays show that American religious life has always been informed by business practices Laying the groundwork for further investigation the authors show how American business has functioned as a domain for achieving religious goals Indeed they find that religion has historically been more powerful when interwoven with business Chapters on Mormon enterprise Jewish philanthropy Hindu gurus Native American casinos and the wedding of business wealth to conservative Catholic social teaching demonstrate the range of new studies stimulated by the business turn in American religious history Other chapters show how evangelicals joined neo liberal economic practice and right wing politics to religious fundamentalism to consolidate wealth and power and how they developed marketing campaigns and organizational strategies that transformed the American religious landscape Included are essays exposing the moral compromises religious organizations have made to succeed as centers of wealth and influence and the religious beliefs that rationalize and justify these compromises Still others examine the application of business practices as a means of sustaining religious institutions and expanding their reach and look at controversies over business practices within religious organizations and the adjustments such organizations have made in response Together the essays collected here offer new ways of conceptualizing the interdependence of religion and business in the United States establishing multiple paths for further study of their intertwined historical development **9789462704688** Aaldert Prins,2025-06-16 *From Hope to Hardship* begins with the missionary quest of Ralph and Edith Norton who assisted John Wilbur Chapman around the turn of the twentieth century at the height of his success as a mass evangelist in major US cities and worldwide The book explores the origins and development of the Nortons campaign and the interactions between a transatlantic faith mission and the broader landscape of Belgian Protestantism Through a detailed account of the historical context in a vivid narrative the author examines how the theological framework of first wave fundamentalism was creatively

applied in a transcultural missionary context introducing the reader to the mission's evangelistic strategies against the socio-political and religious background of post World War I Belgium. In this comprehensive monograph Aaldert Prins offers a well-documented and nuanced understanding of the mission's successes, struggles, and leadership changes, making this book an essential read for anyone interested in the history of transnational evangelicalism and its missionary endeavors.

The Rise and Fall of Dispensationalism Daniel G. Hummel, 2023-05-04 A fascinating history of dispensationalism and its influence on popular culture, politics, and religion. In *The Rise and Fall of Dispensationalism*, Daniel G. Hummel illuminates how dispensationalism, despite often being dismissed as a fringe end-times theory, shaped Anglo-American evangelicalism and the larger American cultural imagination. Hummel locates dispensationalism's origin in the writings of the nineteenth-century Protestant John Nelson Darby, who established many of the hallmarks of the movement, such as premillennialism and belief in the rapture. Though it consistently faced criticism, dispensationalism held populist and briefly scholarly appeal, visible in everything from turn-of-the-century revivalism to apocalyptic bestsellers of the 1970s to current internet conspiracy theories. Measured and irenic, Hummel objectively evaluates evangelicalism's most resilient and contentious popular theology. As the first comprehensive intellectual-cultural history of its kind, *The Rise and Fall of Dispensationalism* is a must-read for students and scholars of American religion.

Return to Sender John Corrigan, Frank Hinkelmann, 2019 This collection of studies by American and European scholars explores the various ways in which American evangelicals found their way to postwar Europe, what they did there, and how they were received. With attention to the American and European organizations that brokered their mission, the social and political settings that framed their activities, and the mixed results of their efforts, these studies provide a much-needed overview of how an important twentieth-century style of Christianity returned to Europe.

Fighting to Preserve a Nation's Soul Robert Bauman, 2019-04-15 *Fighting to Preserve a Nation's Soul* examines the relationship between religion, race, and the War on Poverty that President Lyndon Johnson initiated in 1964 and that continues into the present. It studies the efforts by churches, synagogues, and ecumenical religious organizations to join and fight the war on poverty as begun in 1964 by the Office of Economic Opportunity. The book also explores the evolving role of religion in relation to the power balance between church and state and how this dynamic resonates in today's political situation. Robert Bauman surveys all aspects of religion's role in this struggle and substantially discusses the Roman Catholic Church, mainline Protestant churches, Jewish groups, and ecumenical organizations such as the National Council of Churches. In addition, he pays particular attention to race, showing how activist priests and other religious leaders connected religion with the antipoverty efforts of the civil rights movement. For example, he shows how the Interreligious Foundation for Community Organization (IFCO) exemplifies the move toward ecumenism among American religious organizations and the significance of black power to the evolving War on Poverty. Indeed, the Black Manifesto issued by civil rights and black power activist James Forman in 1969 challenged American churches and synagogues to donate resources to the IFCO as

reparations for those institutions participation in slavery and racial segregation Bauman then explores the intricate and fundamental connection between religious organizations social movements and community antipoverty agencies and expands the argument for a long War on Poverty **Survival and Resistance in Evangelical America** Crawford Gribben,2021

Over the last thirty years conservative evangelicals have been moving to the Northwest of the United States where they hope to resist the impact of secular modernity and to survive the breakdown of society they anticipate This book examines the origins evolution and cultural reach of the migration and considers what it might tell us about the future of American evangelicalism **Saving the Overlooked Continent** Hans Krabbendam,2020-09-15

How American Protestant missionaries created a new worldwide religious network Among a wide spectrum of American Protestants the horrors of World War II triggered grave concern for Europe s religious future They promptly mobilised resources to revive Europe s Christian foundation **Saving the Overlooked Continent** reconstructs this surprising redirection of Western missions For the first time Europe became the recipient of America s missionary enterprise The American missionary impulse matched the military economic and political programs of the U S all of which positioned the United States to become Europe s dominant partner and point of cultural reference One result was the importation of the internal conflicts that vexed American Protestants theological tensions between modernists and traditionalists and organisational competition between established churches and independent parachurch associations Europe was offered a new slate of options that sparked civic and ecclesiastical responses But behind these contending religious networks lay a considerable overlap of goals and means based on a shared missionary trajectory By the mid 1960s most Protestant American agencies admitted that the expectation of a religious revival had been too optimistic despite their initiatives having led to an integration of Europe in the global evangelical network The agencies reconsidered their assumptions and redefined their strategies The initial opposition between inclusive and exclusive approaches abated and the path opened to a sustained cooperation among once fierce opponents **The**

Routledge Research Companion to the History of Evangelicalism Andrew Atherstone,David Ceri Jones,2018-07-11 Evangelicalism an inter denominational religious movement that has grown to become one of the most pervasive expressions of world Christianity in the early twenty first century had its origins in the religious revivals led by George Whitefield John Wesley and Jonathan Edwards in the middle decades of the eighteenth century With its stress on the Bible the cross of Christ conversion and the urgency of mission it quickly spread throughout the Atlantic world and then became a global phenomenon Over the past three decades evangelicalism has become the focus of considerable historical research This research companion brings together a team of leading scholars writing broad ranging chapters on key themes in the history of evangelicalism It provides an authoritative and state of the art review of current scholarship and maps the territory for future research Primary attention is paid to English speaking evangelicalism but the volume is transnational in its scope Arranged thematically chapters assess evangelicalism and the Bible the atonement spirituality revivals and revivalism worldwide

mission in the Atlantic North and the Global South eschatology race gender culture and the arts money and business interactions with Roman Catholicism Eastern Christianity and Islam and globalization It demonstrates evangelicalism s multiple and contested identities in different ages and contexts The historical and thematic approach of this research companion makes it an invaluable resource for scholars and students alike worldwide *Religion and Politics in America* Frank J. Smith, 2016-07-11 There has always been an intricate relationship between religion and politics This encyclopedia provides a comprehensive overview of the interrelation of religion and politics from colonial days to the present Can a judge display the Ten Commandments outside of the courthouse Can a town set up a nativity scene on the village green during Christmas Should U S currency bear the In God We Trust motto Should public school students be allowed to form bible study groups Controversies about the separation of church and state the proper use of religious imagery in public space and the role of religious beliefs in public education are constantly debated This work offers insights into contemporary controversies regarding the uneasy intersections of religion and politics in America Organized alphabetically the entries place each topic in its proper historical context to help readers fully grasp how religious beliefs have always existed side by side and often clashed with political ideals in the United States from the time of the colonies The information is presented in an unbiased manner that favors no particular religious background or political inclination This work shows that politics and religion have always had an impact on one another and have done so in many ways that will likely surprise modern students The End of Empathy John W. Compton, 2020 How did white evangelicals a group that had once rallied national support for the federal minimum wage and progressive child labor laws vote overwhelmingly for Donald Trump in 2016 In *The End of Empathy* John W Compton presents a nuanced portrait of the changing values of evangelical voters over the last century To explain the rise of white Protestant social concern in the latter part of the nineteenth century and its sudden demise at the end of the twentieth Compton argues that religious conviction by itself is rarely sufficient to motivate empathetic political behavior When believers do act empathetically championing reforms that transfer resources or political influence to less privileged groups within society for example it is typically because strong religious institutions have compelled them to do so

Embracing the Song of Expression: An Emotional Symphony within **Fighting Fundamentalist McIntire Politicization Fundamentalism**

In a world taken by screens and the ceaseless chatter of fast interaction, the melodic elegance and psychological symphony developed by the prepared word frequently disappear into the backdrop, eclipsed by the constant sound and disturbances that permeate our lives. But, located within the pages of **Fighting Fundamentalist McIntire Politicization Fundamentalism** a wonderful literary treasure overflowing with organic feelings, lies an immersive symphony waiting to be embraced. Crafted by a wonderful composer of language, that fascinating masterpiece conducts viewers on a mental trip, skillfully unraveling the concealed tunes and profound affect resonating within each carefully constructed phrase. Within the depths of this emotional analysis, we will examine the book's key harmonies, analyze its enthralling writing type, and submit ourselves to the profound resonance that echoes in the depths of readers' souls.

Fighting Fundamentalist McIntire Politicization Fundamentalism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Fighting Fundamentalist McIntire Politicization Fundamentalism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Fighting Fundamentalist McIntire Politicization Fundamentalism has opened up a world of possibilities. Downloading Fighting Fundamentalist McIntire Politicization Fundamentalism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Fighting Fundamentalist McIntire Politicization Fundamentalism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Fighting Fundamentalist McIntire Politicization Fundamentalism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Fighting Fundamentalist McIntire Politicization Fundamentalism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but

also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Fighting Fundamentalist McIntire Politicization Fundamentalism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Fighting Fundamentalist McIntire Politicization Fundamentalism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Fighting Fundamentalist McIntire Politicization Fundamentalism Books

1. Where can I buy Fighting Fundamentalist McIntire Politicization Fundamentalism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Fighting Fundamentalist McIntire Politicization Fundamentalism book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Fighting Fundamentalist McIntire Politicization Fundamentalism books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing,

and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.

7. What are Fighting Fundamentalist McIntire Politicization Fundamentalism audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Fighting Fundamentalist McIntire Politicization Fundamentalism books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
