Fighting Words Independent Journalists In Texas:

Fighting words James McEnteer,1989 **Fighting Words** James McEnteer,2013-12-06 *Fighting Words* profiles five journalists who published the truth as they saw it no matter how their reporting angered politicians social and religious leaders or other journalists The five journalists are William Brann 1855 1898 Don Biggers 1868 1957 John Granbery 1874 1953 Archer Fullingim 1902 1984 and Stoney Burns Brent Stein 1942 2011 Though they lived in different eras all these men dealt with issues that society continues to face racism official corruption religious freedom educational reform political extremism of the left and right the clash of urban and rural values and the fear of change Their lives and work constitute a unique alternative perspective on Texas history and the history of journalism itself In addition to the troubling questions they raised on social issues these independent journalists challenge us as they challenged the mainline media of their own times to define the function of journalism and to examine the mandate of the First Amendment We may doubt the wisdom of some of their convictions but not the courage they needed to express them in the face of ridicule hostility intimidation and even death More than the specific causes they fought for the independents passion for truth and their absolute belief in free speech constitute their greatest legacy to us and to journalism *The City in Texas* David G. McComb,2015-02-15 This book is the first history of cities in Texas covering the earliest days of Spanish Mexican towns the Republic era to about 1940 and metropolitan Texas to the present Not only is this book a first for Texas but there seem to be no equivalent books for any other states so the author has developed new concepts like the first road frontier and the rupture caused by the railroads McComb emphasizes how railroads and related innovations such as the telegraph and the clock facilitated in urban development Provided by publisher **Spare Time in Texas** David G. McComb,2012-10-05 What do Texans pastimes and recreations say about their characters Looking at Texas history from a new angle David McComb starts from the premise that how people spend their leisure time may well reveal more about their true natures and interests than the work they do or their family connections In this innovative book McComb traces the history of various types of recreation in Texas gathering significant insights into the characters of Texans from the pleasures they have pursued Reflecting the frontier origins of Texas McComb starts with the recreations that were most popular with men in a crude still developing society drinking gambling and whoring He goes on to show how as Texas became more civilized so did its diversions He describes how Texans have connected with nature in parks and zoos watched football and baseball in great stadiums such as the Astrodome and Cotton Bowl discovered the pleasure of reading in public and university libraries and enjoyed radio TV movies and live theater in places such as Houston s Alley Theatre This recreational history reveals that Texans are open minded and generous that they respect the land oppose prostitution but indulge in gambling and drinking support racial and gender rights love zoos champion libraries take pride in theatrical productions and adore sports **Ten Dollars to Hate** Patricia Bernstein,2018-11-02 *Ten Dollars to Hate* tells the story of the massive Ku Klux Klan of the 1920s by far the most successful

incarnation since its inception in the ashes of the Civil War and the first prosecutor in the nation to successfully convict and jail Klan members Dan Moody a twenty nine year old Texas district attorney demonstrated that Klansmen could be punished for taking the law into their own hands Bernstein s offering is a must read for those interested in Texas history and for those seeking to better understand the tenor of our own times Southwestern Historical Quarterly Bernstein has done Texas and the country a favor by documenting Moody s bravado and vanquishing of the Klan Corpus Christi Caller Times

The New Encyclopedia of Southern Culture Allison Graham, Sharon Monteith, 2011-09-12 This volume of The New Encyclopedia of Southern Culture examines how mass media have shaped popular perceptions of the South and how the South has shaped the history of mass media An introductory overview by Allison Graham and Sharon Monteith is followed by 40 thematic essays and 132 topical articles that examine major trends and seminal moments in film television radio press and Internet history Among topics explored are the southern media boom beginning with the Christian Broadcast Network and CNN popular movies television shows and periodicals that have shaped ideas about the region including Gone with the Wind The Beverly Hillbillies Roots and Southern Living and southern media celebrities such as Oprah Winfrey Truman Capote and Stephen Colbert The volume details the media s involvement in southern history from depictions of race in the movies to news coverage of the civil rights movement and Hurricane Katrina Taken together these entries reveal and comment on the ways in which mass media have influenced maintained and changed the idea of a culturally unique South

Fifty Years of Good Reading University of Texas Press, 2000 50 year since founding the University of Texas they have witnessed major evolutions in the world of publishing

Deep in the Heart James McEnteer, 2004-07-30 Cowboy politics is in When George W Bush announced a new American policy of pre emptive attack against potential enemies in 2002 he ushered in the triumph of Texas values over the American agenda This book traces in lucid and engaging style the fascinating influence of the Texas warrior culture from the Alamo to the present day This is not a history of Texas but much Texas history is entwined with American national politics This book locates such diverse phenomena as Cold War politics the Kennedy assassination U S Mexican immigration policies Texas death penalty practices and recent U S Middle East policy in the context of this Alamo attitude While the Texas influence has always been strong and has ebbed and flowed never has it been stronger especially as a guiding force in American foreign policy Today people around the world perceive this Manifest Destiny swaggering style in our foreign policy Because of its sheer size its border wars with Mexico its ten year history as an independent republic and its having been settled by a warrior culture originating in the English Scottish borderlands and arriving in Texas via the southern Appalachians Texas is unique in American politics The author does not assert that Texas causes or is the sole cause of our various policies or of so many violent events Rather he demonstrates convincingly that the Texas warrior culture provides a fascinating context for national politics in a way that no other state s political culture can claim

Fighting Words Andrew Seth Coopersmith, 2004 Fighting Words deals with military history civil war

[Fighting Words](#) Mark

Bourrie,2012-09-15 A collection of the best journalism from Canada s wars from the time of the Vikings to the war in Afghanistan Fighting Words is a collection of the very best war journalism created by or about Canadians at war The collection spans 1 000 years of history from the Vikings fight with North American Natives through New France s struggle for survival against the Iroquois and British to the American Revolution the War of 1812 the Rebellions of Lower and Upper Canada the Fenian raids the North West Rebellion the First World War the Second World War Korea peacekeeping missions and Afghanistan Each piece has an introduction describing the limits placed on the writers their apparent biases and in many cases the uses of the article as propaganda The stories were chosen for their impact on the audience they were written for their staying power and above all the quality of their writing **American Journalism** ,1997 A Breed So Rare Don E. Carleton,1998 He entered the oil business in 1919 and was a true pioneer in the industry establishing numerous energy businesses that earned millions of dollars and employed thousands of people While serving on the University of Texas Board of Regents from 1935 to 1941 Parten used his knowledge of the oil business to greatly increase the university s income from its oil holdings and fought tenaciously for academic excellence and freedom of speech for students and faculty *The New Arab Journalist* Lawrence Pintak,2010-12-18 The Arab media is in the midst of a revolution that will inform questions of war and peace in the Middle East political and societal reform and relations between the West and the Arab World Drawing on the first broad cross border survey of Arab journalists first person interviews with scores of reporters and editors and his three decades experience reporting from the Middle East Lawrence Pintak examines how Arab journalists see themselves and their mission at this critical time in the evolution of the Arab media He explores how in a diverse Arab media landscape expressing myriad opinions journalists are still under siege as governments fight a rear guard action to manage the message This innovative book breaks through the stereotypes about Arab journalists to reveal the fascinating and complex reality and what it means for the rest of us **Victorian Periodicals Review** ,1991 *Annual Meeting* Texas State Historical Association,1992 A program of the annual meeting *Journalism Abstracts* ,1987 *America, History and Life* ,1996 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide *Southwestern Historical Quarterly* ,1994 The News-letter of the Society for the Study of Southern Literature Society for the Study of Southern Literature,1992 **Jahresbibliographie Massenkommunikation** ,1992

Fighting Words Independent Journalists In Texas Introduction

In the digital age, access to information has become easier than ever before. The ability to download Fighting Words Independent Journalists In Texas has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Fighting Words Independent Journalists In Texas has opened up a world of possibilities. Downloading Fighting Words Independent Journalists In Texas provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Fighting Words Independent Journalists In Texas has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Fighting Words Independent Journalists In Texas. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Fighting Words Independent Journalists In Texas. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Fighting Words Independent Journalists In Texas, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To

protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Fighting Words Independent Journalists In Texas has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
