

FIGURATIVE LANGUAGE

Simile

A simile is a type of figurative language which is used to compare one thing against another. Similes compare the likeness of two things and often feature the words 'like' or 'as': "As strong as an ox/ As brave as a lion."

Metaphor

A metaphor is a phrase describing something as something it is not in reality. It is used to compare two things symbolically. A metaphor literally describes something as something it is not. "Love is a battlefield"

Oxymoron

An oxymoron is a term which features two words which appear to contradict each other but make sense of the situation overall.

- For example: That woman is pretty ugly.

Hyperbole

A hyperbole is a figure of speech which exaggerates the meaning of a sentence.

- For example: My granddad is as old as time.

Idiom

An idiom is a phrase which bears no literal meaning to the situation it is describing but it implies the facts or story behind it.

- For example: There is a silver lining in every cloud.

Personification

Personification is a type of figurative language. It is used to give an inanimate object or item a sense of being alive. The speaker would talk to the object as if it could understand and was intelligent.

- For example: Why are you so heavy, suitcase?

Symbolism

Symbolism is another form of figurative language which is used to express an abstract idea using an item or words.

- For example: We had to put out a red alert.

Alliteration

Alliteration is a type of figurative speech in which the repetition of letters or sounds is used within one sentence.

- For example: Eagles end up eating entrails.

Onomatopoeia

Onomatopoeia is a form of figurative language in which words which are used to describe a sound actually resemble the sound they are referring to.

- For example: The ghost said boo.

Puns

Puns are a form of figurative language which create a play on words. They add an extra meaning to a subject and are often seen as a form of joke or to be humorous.

- For example: A horse is a very stable animal.

Irony

A form of figurative speech is irony. This is when a statement made is directly contradictory to the reality. It is also used to convey a style of sarcasm.

For example:

- I posted on Facebook about how bad Facebook is.
- I won the lottery on my retirement day.

Figurative Language In The Book Speak:

Figurative Language Dmitrij Dobrovol'skij, Elisabeth Piirainen, 2021-11-08 The book develops a Theory of the Figurative Lexicon Units of the figurative lexicon conventional figurative units CFUs for short differ from all other elements of the language in two points Firstly they are conventionalized That is they are elements of the mental lexicon in contrast to freely created figurative expressions Secondly they consist of two conceptual levels they can be interpreted at the level of their literal reading and at the level of their figurative meaning which both can be activated simultaneously New insights into the Theory of Figurative Lexicon relate on the one hand to the metaphor theory Over time it became increasingly clear that the Conceptual Metaphor Theory in the sense of Lakoff can only partly explain the conventional figurativeness On the other hand it became clear that intertextuality plays a far greater role in the CFUs of Western cultures than previously assumed The book's main target audience will be linguists researchers in phraseology paremiology and metaphor and cultural studies The data and explanations of the idioms will provide a welcome textbook in courses on linguistics culture history phraseology research and phraseodidactics

Figurative Language in Biblical Prose Narrative Andrea Weiss, 2006-03-01 This study applies several linguistic approaches to the book of Samuel in order to investigate the defining features of metaphor and the way metaphor and other forms of figurative language operate in biblical narrative The book begins with an exploration of how to identify and interpret the metaphors in 1 Samuel 25 Next the metaphors in 2 Samuel 16 16 17 14 are compared with other tropes primarily metonymy and simile Then the notion of dead metaphors is challenged while examining the figurative language in 1 Samuel 24 An in depth analysis of the figurative language in these texts results in a better understanding of the mechanics of metaphor and a richer more nuanced reading of these stories their characters and language

Figurative Language, Genre and Register Alice Deignan,Jeannette Littlemore,Elena Semino,2013-03-07 This volume

combines diverse research scenarios to present a solid framework for analysis of figurative language Figurative Language Genre and Register brings together discourse analysis and corpus linguistics in a cutting edge study of figurative language in spoken and written discourse The authors explore a diverse range of communities from chronic pain sufferers to nursery staff to present a detailed framework for the analysis of figurative language The reader is shown how figurative language is used between members of these communities to construct their own world view and how this can change with a shift in perspective Figurative language is shown to be pervasive and inescapable but it is also suggested that it varies significantly across genres **Tarbell's Teachers' Guide to the International Sunday-school Lessons for** Martha Treat

Tarbell,1906 Tarbell's Teachers' Guide to the International Sunday-school Lessons for ... ,1906 **The Enigma of Metaphor** Stefana Garelo,2024-03-30 This book deals with the complicated realm of metaphor an enigma deeply embedded in language and cognition There has been much discussion of metaphor in the past but it was characterized by a certain fragmentation and lacked interdisciplinarity In this field of study the dominance of Cognitive Linguistics epitomized by the Conceptual Metaphor Theory of George Lakoff and Mark Johnson has caused the marginalization of alternative perspectives To fill this gap this book embarks on an interdisciplinary journey inviting different theoretical frameworks to engage in a fruitful dialog It navigates the labyrinth of theories and illuminates the nuanced facets of metaphor At the center of this exploration are three central questions whether metaphor belongs to the realm of style or thought the intricate interplays between literal and metaphorical meanings and the integration of propositional and non propositional elements in the construction of metaphorical meaning Through a careful blend of historical analysis and contemporary hypotheses the book unravels the complexities of metaphor considering its evolution across the centuries and the myriad interpretations it evokes By bringing together work from different fields it ultimately shows that a definition of metaphor is theory dependent and that metaphor is not a natural kind but a complex and multifaceted philosophical concept whose study requires a multi dimensional approach that transcends narrow theoretical boundaries In this way the book explores these considerations most important philosophical consequences and offers new insights into this fundamental aspect of human language *Hayden White* Herman Paul,2013-04-29 This new book offers a clear and accessible exposition of Hayden White s thought In an engaging and wide ranging analysis Herman Paul discusses White s core ideas and traces the development of these ideas from the mid 1950s to the present Starting with White s medievalist research and youthful fascination for French existentialism Paul shows how White became increasingly convinced that historical writing is a moral activity He goes on to argue that the critical concepts that have secured White s fame trope plot discourse figural realism all stem from his desire to explicate the moral claims and perceptions underlying historical writing White emerges as a passionate thinker a restless rebel against scientism and a defender of existentialist humanist values This innovative introduction will appeal to students and scholars across the humanities and help develop a critical understanding of an increasingly important thinker If
