Dietrich Bonhoeffer Dietrich Bonhoeffer, 1991-01-01 Bonhoeffer's theological brilliance committed discipleship ecumenical insight and courageous participation in the struggle against Nazism have profoundly shaped contemporary Christian understanding and action Although his early death at the hands of the Gestapo prevented him from providing us with a full and systematic theology his writings are remarkably extensive and have become increasingly influential This volume concentrates on the key texts and ideas in Bonhoeffer's thought It presents the essential Bonhoeffer for students and the general reader John de Gruchy's introductory essay and notes on the selected texts set Bonhoeffer in his historical context chart the development of his thought and indicate the significance of his theology in the development of Christian theology as a whole Substantial selections from Bonhoeffer's work illustrate key themes His theological foundations Christology and reality Confessing Christ concretely The life of free responsibility Christ in a world come of age Dietrich Bonhoeffer John W. De Gruchy, 1988 *A Theological Odyssey* John W. De Gruchy, 2014-09-01 John de Gruchy is one of the greatest and most respected South African theologians of the past five decades His work has left an indelible mark on both the South African and international theological landscapes In this book he describes his theological journey revisiting core themes periods and sources This is an enriching read as De Gruchy engages with some of the greatest theologians in the history of the church notably John Calvin Karl Barth Karl Rahner Dietrich Bonhoeffer and Reinhold Niebuhr as well as with a wide selection of his fellow South African theologians Cas Wepener **The Bonhoeffer Legacy** Stephen R. Haynes, Stephen Haynes whose volume *The Bonhoeffer Phenomenon* probed the many conflicting ways in which Bonhoeffer has been understood by Christians for their own uses now brings new clarity to the vexed and controversial question of Bonhoeffer's relationship to Jews and the Jewish people Haynes's text analyzes the historical record and Bonhoeffer's maturing theology and offers an analysis of Bonhoeffer himself his work and his legacy for a generation learning from the Holocaust BOOK JACKET **Essential Writings** Gustavo Gutiérrez, Part of The Making of Modern Theology series this thorough introduction includes in one volume the whole range of Gutierrez's thought biblical theological methodological and historical This work also features a select bibliography of works by and on Gutierrez **The Cross of Reality** H. Gaylon Barker, 2015-09-01 *The Cross of Reality* investigates Bonhoeffer's interpretation and use of Luther's theology in shaping his Christology In this essay H. Gaylon Barker uses the theology of the cross as a key to understanding the characteristic elements that make up Bonhoeffer's theology he also shows how Bonhoeffer's conversation with his teachers and contemporaries Karl Holl and Karl Barth in particular develops Bonhoeffer's thought was indeed radical and revolutionary but it was so precisely because of its adherence to the classical traditions of the church especially Luther's *theologia crucis* *Theology, Empowerment, and Prison Ministry* Meins G.S. Coetsier, 2022-09-26 In *Theology Empowerment and Prison Ministry* Meins G. S. Coetsier offers a new scholarly account of Karl Rahner's theological anthropology and the prison

pastorate with a contemporary expansion for meaning seeking an antidote to the suffering and isolation of those incarcerated with a theology of empowerment Drawing on prison ministry theorists and practitioners and on the experiences of Viktor Frankl Aleksandr Solzhenitsyn and Etty Hillesum the book argues that Rahner s views on prison ministry are significant and encouraging but limited regarding the needs and demands of 21st century prison ministry In a convincing perceptive and groundbreaking study Coetsier goes beyond Rahner with ecumenical and interreligious perspectives reminding us all of our human dignity of meaning and transformation of our liberation creativity hope and community **Whose Will Be Done?**

John Dyck,Paul Rowe,Jens Zimmermann,2015-09-17 What is the proper relationship of religion to power In this collection of essays a group of interdisciplinary scholars address that question building on the scholarship of the late Dr Jean Bethke Elshtain The first section of this book provides the reader with three previously unpublished essays by Elshtain on the subject of political sovereignty followed by an interview with the noted ethicist and political theorist Dr Elshtain questions the nature of sovereignty in a world where some have elevated the state and the self above the authority of God himself In the second section of the book Sovereignty through the Ages four scholars explore some of the key questions raised by Dr Elshtain s work on Just War resistance to tyranny political liberalism and modernity questioning the ways in which sovereignty may be conceived to reinforce the limitations of human societies and yet seek the greater good In the third section of the book entitled Sovereignty in Context three essays extend her analysis of sovereignty to different contexts Latin America the Islamic world and the international system as a whole all the while demonstrating the importance of how religious interpretation contributes to our understanding of political power **Preaching to Nazi Germany** William

Skiles,2023-09-05 Preaching to Nazi Germany explores the history of Confessing Church preachers engagement with the Nazi regime through an analysis of their sermons William Skiles argues that clergy expressed various messages that aimed to limit Nazi interference in church affairs and at times even to undermine the Nazi state and its leaders and policies Skiles demonstrates that pastors had limited freedom to publicly criticize the Nazi regime its leaders and its ideology and that pastors often used Christian symbols to code their criticisms to remain inconspicuous to the Gestapo or Nazi informants This book demonstrates how pastors used a sacred text and applied it to the problems of the churches in Nazi Germany

Dietrich Bonhoeffer : witness to Jesus Christ Dietrich ; de Gruchy Bonhoeffer (John ed),1991 **The Existential Philosophy of Etty Hillesum** Meins G. S. Coetsier,2014-01-09 In The Existential Philosophy of Etty Hillesum Meins G S Coetsier breaks new ground by demonstrating the Jewish existential nature of Etty Hillesum s spiritual and cultural life in light of the writings of Martin Buber Emmanuel Levinas and Dietrich Bonhoeffer Hillesum s diaries and letters written between 1941 and 1943 illustrate her struggle to come to terms with her personal life in the context of the Second World War and the Shoah By finding God under the rubble of the horrors she rediscovers the divine presence between humankind while taking up responsibility for the Other as a way to embrace justice and compassion In a fascinating accessible and

thorough study Coetsier dispels much of the confusion that assails readers when they are exposed to the bewildering range of Christian and Jewish influences and other cultural interpretations of her writings The result is a convincing and profound picture of Etty Hillesum's path to spiritual freedom

Karl Rahner Karl Rahner (S.I.), 1992 Karl Rahner's 1904-84 creative proposals in theological areas made him one of the giants of 20th century theology The depth of his contributions has made study of Rahner's writings difficult but Kelly's anthology of Rahner's writings overcomes the obstacles beautifully A select bibliography neatly organizes the vast work by and on Rahner Part of The Making of Modern Theology Series

Confessing the Faith Douglas John Hall, This bold work culminates Hall's three volume contextual theology the first to take the measure of Christian belief and doctrine explicitly in light of North American cultural and historical experience Hall is deeply critical of North American culture but also of sidelined Christian churches that struggle to gain dominance within it We must stop thinking of the reduction of Christendom as a tragedy he says The disestablishment that the churches reluctantly enjoy can enable them to develop genuine community uncompromised theology and honest engagement with the larger culture To a failed culture and a struggling church Hall shows the radical implications of a theology of the cross for the shape and practice of church preaching ministry ethics and eschatology Hall's frank and prophetic volume is the trilogy's most practical and the most sustained probe to date of Christian life in a post Christian context

Memento Mori in Contemporary Art Taylor Worley, 2019-11-28 This book explores how four contemporary artists Francis Bacon Joseph Beuys Robert Gober and Damien Hirst pursue the question of death through their fraught appropriations of Christian imagery Each

artist is shown to not only pose provocative theological questions but also to question the abilities of theological speech to adequately address current attitudes to death When set within a broader theological context around the thought of death Bacon's works invite fresh readings of the New Testament's narration of the betrayal of Christ and Beuys' works can be appreciated for the ways they evoke Resurrection to envision possible futures for Germany in the aftermath of war Guber's immaculate sculptures and installations serve to create alternative religious environments and these places are both evocative of his Roman Catholic upbringing and virtually haunted by the ghosts of his excommunication from that past Lastly and perhaps most problematically Hirst has built his brand as an artist from making jokes about death By opening fresh arenas of dialogue and meaning making in our society and culture today the rich humanity of these artworks promises both renewed depths of meaning regarding our exit from this world as well as how we might live well within it for the time that we have As such it will be a vital resource for all scholars in Theology the Visual Arts Material Religion and Religious Studies

Pacifism, Just War, and Tyrannicide David M. Gides, 2012-03-02 Dietrich Bonhoeffer's perplexing and controversial shift from admitted pacifism to tyrannicide has been the source of scholarly and popular inspiration and criticism How could an admitted Christian pacifist be involved in a plot to assassinate a political figure Is there a way to understand and explain this phenomenon comprehensive enough to encompass all relevant data One that takes into account the nuances of Bonhoeffer's theology and all of the elements of his complex historical and personal contexts This study attempts to offer an explanation by linking Bonhoeffer's political thinking and action with his understanding of the church world relationship and by evaluating the changes in that thought action dyad as his life progressed What emerges is a portrait of a bold and visionary thinker and political agent whose church world theology while discontinuous is consistent enough to be authentic and yet flexible enough to meet the extraordinary challenges presented by Nazism and its intrusion into the churches Gides suggests that it is actually Bonhoeffer's malleable church world thinking that ultimately distinguishes him from his theological and ecclesial contemporaries and even from the mass of German church persons and citizenry it allowed him to confront evil by reaching beyond the constraints of traditional Lutheran thinking

Modern Psychotherapies Stanton L. Jones, Richard E.

Butman, 2011-10-25 Stanton Jones and Richard Butman present an updated edition of their comprehensive appraisal of modern psychotherapies With new chapters on preventative intervention strategies and the person of the Christian psychotherapist *Modern Psychotherapies* remains an indispensable tool for therapists and students

The Community of the Weak Hans-Peter Geiser, 2013-03-28 Social postmodernism and systematic theology can be considered the new pair in some of the most creative discussions on the future of theological method on a global scale Both in the academy and in the public square as well as in the manifold local and pastoral moments of ministry and community social activism the social the postmodern and the theological intermingle in engaging and border crossing ways *The Community of the Weak* presents a new kind of jazzy fundamental theology with a postmodern touch using jazz as a metaphor writing ethnographically messy

texts out of the personal windows of lived experiences combining fragments of autobiography with theological reconstruction. A comparative perspective on North American and European developments in contemporary systematic theology serves as a hermeneutical horizon to juxtapose two continents in their very different contexts. The author proposes a systematic and fundamental theology that is more jazzy, global and narrative, deeply embedded in pastoral ministry to tell its postmodern story.

Confessions of a Christian Humanist John W. De Gruchy, 2006. How can one genuinely follow Jesus today and what does that mean about one's lifestyle, social and political commitments and ethical stance? In this fine work, internationally renowned theologian John de Gruchy answers that question. Reviving an almost silenced tradition, he lifts the banner of Christian humanism, not secular humanism with a Christian veneer, but a critical retrieval of Christianity's core convictions and values in ways that are both critical of and yet constructively engaged with secular culture in serving the well-being of humanity.

A Time to Tell Eric S. Christianson, 1998-01-01. Using a variety of approaches from art criticism to structuralist analysis, this book draws out largely neglected narrative elements of Qoheleth's text, including the strategies of framing autobiography and the use of Solomon. In locating the self as the central concern of this narrative, Christianson shows that although Qoheleth passionately observes the world's transience, he desires that his own image be fixed and remembered. His story is thereby concerned with identity and the formation of character. In the guise of Solomon, that concern is almost satirical and somewhat playful. Through the strategy of the frame narrative, the complex relations of all such elements are brought into question, particularly the reader's relation to the framed material as well as the relation of the framer to the one framed.
