Dietrich Bonhoeffer Reality And Resistance:

Dietrich Bonhoeffer Larry L. Rasmussen, 1970 **Peace and Violence in the Ethics of Dietrich Bonhoeffer** Trey Palmisano, 2016-01-01 Not many theologians have had as great an impact on the study of peace and violence as Dietrich Bonhoeffer who was labeled an Enemy of the State and eventually executed in April 1945 In this book Trey Palmisano examines the theological connection between peace and violence across a range of Bonhoeffer's writings sermons and letters Despite the challenges Bonhoeffer experienced in his personal life and in the life of his country Palmisano asserts that a strong consistency emerges in Bonhoeffer's approach to ethics that resonates in the positing of Christ as the center of all ethical discourse and orients one to the ever present challenges of a changing world Palmisano creates distance from former studies that sought to define Bonhoeffer as a committed pacifist a situational pacifist or one who compromised his values to accommodate an exception for violence By prioritizing methodology as the key to interpreting Bonhoeffer's thought Palmisano argues that the ethical dilemma thought to be caused by Bonhoeffer's actions is avoided The result is one that creates an authentic ethical openness by responsiveness to Christ rather than Christian virtue and frees the individual from redundancies of action derived from deeply embedded patterns of theological engagement **Dietrich Bonhoeffer's Ethics of Formation** Ryan Huber, 2020-05-19 Dietrich Bonhoeffer is many things to many people committed pacifist reluctant revolutionary Protestant saint but in Dietrich Bonhoeffer's Ethics of Formation Ryan Huber argues that Bonhoeffer should be engaged as a Christian ethicist of formation Huber demonstrates that formation lies at the heart of Bonhoeffer's ethical project and personal story providing a third way between virtue and character ethics in contemporary Christian thought concerned with moral growth *Dietrich Bonhoeffer's Christian Humanism* Jens Zimmermann, 2019-06-13 Jens Zimmermann locates Bonhoeffer within the Christian humanist tradition extending back to patristic theology He begins by explaining Bonhoeffer's own use of the term humanism and Christian humanism and considering how his criticism of liberal Protestant theology prevents him from articulating his own theology rhetorically as a Christian humanism He then provides an in depth portrayal of Bonhoeffer's theological anthropology and establishes that Bonhoeffer's Christology and attendant anthropology closely resemble patristic teaching The volume also considers Bonhoeffer's mature anthropology focusing in particular on the Christian self It introduces the hermeneutic quality of Bonhoeffer's theology as a further important feature of his Christian humanism In contrast to secular and religious fundamentalisms Bonhoeffer offers a hermeneutic understanding of truth as participation in the Christ event that makes interpretation central to human knowing Having established the hermeneutical structure of his theology and his personalist configuration of reality Zimmermann outlines Bonhoeffer's ethics as Christformation Building on the hermeneutic theology and participatory ethics of the previous chapters he then shows how a major part of Bonhoeffer's life and theology namely his dedication to the Bible as God's word is also consistent with his Christian humanism The Oxford Handbook of Dietrich Bonhoeffer Michael Mawson, Philip G.

Ziegler,2019-11-06 This volume provides a comprehensive resource for those wishing to understand the German theologian pastor and resistance conspirator Dietrich Bonhoeffer 1906 1945 and his writings During his lifetime he made important contributions to many of the major areas of theology ecclesiology creation Christology discipleship and ethics The Oxford Handbook of Dietrich Bonhoeffer surveys assesses and presents the field of research and debates of Bonhoeffer and his legacy as well as of previous Bonhoeffer scholarship Featuring contributions from leading Bonhoeffer scholars historians theologians and ethicists many essays draw attention to Bonhoeffer s positive contributions while several essays also identify limits and problems with his thinking as it stands Divided into five parts the first section provides a detailed outline of Bonhoeffer s biography and the contexts that gave rise to his theology The contributors explore the dynamic relationship between Bonhoeffer s life and theology Section two provides rigorous engagements with and assessments of Bonhoeffer s theology on its own terms Part three demonstrates how Bonhoeffer s ethical claims and engagements are deeply integrated with theological commitments The fourth section showcases some of the best work drawing upon Bonhoeffer for engaging contemporary challenges including feminism race public theology in South Africa and contemporary philosophy In recent decades Bonhoeffer s theology has provoked significant critical reflection on social and cultural issues The essays in this section exemplify how his writings can continue to contribute to such reflection today The fifth and final section consists of essays on resources for the contemporary study of Bonhoeffer and his theology including sources and texts biographies and portraits and readings and receptions These essays also address pressing historiographical issues and problems surrounding writing about Bonhoeffer s life and theology This authoritative collection draws together and assesses the very best of existing research on Bonhoeffer and promotes new avenues for research on Bonhoeffer **Dietrich Bonhoeffer** Larry

Rasmussen,Renata Bethge,2016-05-15 Dietrich Bonhoeffer 1906 1945 remains the most seminal theologian of those whose work was forged and tested in the worst years of the twentieth century A German who loved his country and culture and who mourned its crimes and actively resisted them his ethic was wholly contextual attuned to what he must do in his own land as a disciple of Jesus Christ He might have been surprised to find that a half century and more later his work has been widely appropriated by others in different circumstances for their exercise of Christian responsibility This volume of essays is one example of Bonhoeffer s ongoing relevance Rasmussen engages Luther Barth Niebuhr Hauerwas Yoder and Berrigan as a way to illuminate aspects of Bonhoeffer s ethics He also compares the post holocaust theology of Rabbi Greenberg with Bonhoeffer s own treatment of divine presence and human responsibility in a world that has come of age One essay The Meaning of the Theology of the Cross for Social Ethics in the World Today pulls the main themes of the book together This 2016 edition also includes a new chapter which relates Bonhoeffer s ethics to the current environmental crisis The Bonhoeffer Phenomenon Stephen R. Haynes,2004 Stephen Haynes s provocative study articulates the many motives and agendas that readers and scholars have brought to their study of Bonhoeffer making it difficult to assess objectively the

relationship of his political and religious commitments the real meaning of his theology and his words and actions on behalf of Jews Reading Haynes's book helps us learn not only what Bonhoeffer has to teach us but also what it is we most desire to learn

Dietrich Bonhoeffer and a Theology of the Exception Kevin O'Farrell, 2023-11-30 Engaging with the many debates about the meaning and character of Bonhoeffer's late resistance theology and action particularly as it relates to his participation in the attempted coup d'état against Hitler this book attends to Bonhoeffer's understanding of the exception Resisting the common reduction of the exception to a political or ethical concept O'Farrell argues that the exception for Bonhoeffer is an extraordinary moment in history that disarms persons impinging on one's understanding of politics and ethics Through a wide engagement with the Bonhoeffer corpus this book claims that this leads to distinctive narrations of key concepts in Bonhoeffer's corpus responsibility the free venture simple obedience and action beyond the law It also offers a different portrait of Bonhoeffer to contemporary narrations The Bonhoeffer that emerges is neither a Niebuhrian realist a pacifist or a religious fanatic but one who is impelled to act apart from the law without this action becoming arbitrary This Bonhoeffer provides a hopeful political witness that seeks a world beyond the conflicts and divisions of this age

Bonhoeffer Eric Metaxas, 2011-08-29 Who better to face the greatest evil of the 20th century than a humble man of faith As Adolf Hitler and the Nazis seduced a nation bullied a continent and attempted to exterminate the Jews of Europe a small number of dissidents and saboteurs worked to dismantle the Third Reich from the inside One of these was Dietrich Bonhoeffer a pastor and author In this New York Times bestselling biography Eric Metaxas takes both strands of Bonhoeffer's life the theologian and the spy and draws them together to tell a searing story of incredible moral courage in the face of monstrous evil In Bonhoeffer Metaxas presents the fullest account of Bonhoeffer's life including his heart wrenching decision to leave the safe haven of America to return to Hitler's Germany involvement in the famous Valkyrie plot and in Operation 7 the effort to smuggle Jews into neutral Switzerland lifelong dedication to sharing the tenets of his faith This edition revised and with a new introduction from the author shares the deeply moving story through previously unavailable documents including personal letters detailed journal entries and firsthand personal accounts to reveal never before seen dimensions of Bonhoeffer's life and work Praise for Bonhoeffer Metaxas has created a biography of uncommon power intelligent moving well researched vividly written and rich in implication for our own lives Or to put it another way Buy this book Read it Then buy another copy and give it to a person you love It's that good Archbishop Charles Chaput author First Things Metaxas tells Bonhoeffer's story with passion and theological sophistication Wall Street Journal Metaxas presents Bonhoeffer as a clear headed deeply convicted Christian who submitted to no one and nothing except God and his Word Christianity Today Metaxas has written a book that adds a new dimension to World War II a new understanding of how evil can seize the soul of a nation and a man of faith can confront it Thomas Fleming author The New Dealers War [Bonhoeffer's Reception of Luther](#) Michael P. DeJonge, 2017-02-09 In Dietrich Bonhoeffer's writings Martin Luther is ubiquitous Too often however

Bonhoeffer's Lutheranism has been set aside with much less argumentative work than is appropriate in light of his sustained engagement with Luther. As a result, Luther remains a largely untouched hermeneutic key in Bonhoeffer interpretation. In *Bonhoeffer's Reception of Luther*, Michael P. DeJonge presents Bonhoeffer's Lutheran theology of justification focused on the interpersonal presence of Christ in word, sacrament, and church. The bridge between this theology and Bonhoeffer's ethical-political reflections is his two kingdoms thinking. Arguing that the widespread failure to connect Bonhoeffer with the Lutheran two kingdoms tradition has presented a serious obstacle in interpretation, DeJonge shows how this tradition informs Bonhoeffer's reflections on war and peace as well as his understanding of resistance to political authority. In all of this, DeJonge argues that an appreciation of Luther's ubiquity in Bonhoeffer's corpus sheds light on his thinking, lends it coherence, and makes sense of otherwise difficult interpretive problems. What might otherwise appear as disparate even contradictory moments or themes in Bonhoeffer's theology can often be read in terms of a consistent commitment to a basic Lutheran theological framework deployed according to dramatically changing circumstances. [Martin Luther's Theology of Two Kingdoms in Buddhist and Christian Communities](#) Pa Yaw, 2024-05-29. Socially engaged religion teaches that people of faith have a responsibility to address and reduce suffering in all its forms, both physical and spiritual, including suffering resulting from social injustice, exploitation, oppression, false faith, and so forth. True religion engages with society to alleviate suffering and bring transformation. In other words, religious violence is an obscenity, a deviation from the true character of religion. Martin Luther's *Theology of Two Kingdoms in Buddhist and Christian Communities* examines the principle of separation between religion and politics in the context of both Buddhist and Christian communities. In predominantly Buddhist contexts, such as Myanmar, where a reciprocal relationship between religion and politics is expected, separation is not effective. Attempts by Christians to separate religion and politics cause the church to run away from tyranny and follow the state with blind obedience. Martin Luther's model of two distinct but interconnected systems for religion and politics creates space for each institution to give constructive advice and criticism to the other for the health of all human beings.

Interpreting Bonhoeffer Clifford J. Green, Guy C. Carter, 2013-10-01. In the early twenty-first century, interest in the life and work of Dietrich Bonhoeffer is increasing significantly. In this environment, how should we understand and interpret Bonhoeffer? *Interpreting Bonhoeffer* explores the many questions surrounding the complexities of Bonhoeffer's life, work, and historical context, and what they might mean for how we understand and interpret Bonhoeffer now and in the future.

Mornings with Bonhoeffer Donald K. McKim, 2018-10-02. No priest, no theologian stood at the cradle of Bethlehem. And yet all Christian theology finds its beginnings in the miracle of miracles that God became human. These stirring words are just a sample of the wisdom found in this collection of 100 devotions that guide and inspire us. *Mornings with Bonhoeffer* provides an acute understanding of Dietrich Bonhoeffer's theological perspectives, helping us to reflect on what his thoughts can mean for faith and the Christian experience. Short excerpts from Bonhoeffer's letters and passages from his sermons paired with

the daily devotions offer timeless and moving reminders of God's love for humanity speaking to the head and heart of theological understanding and personal faith Dr Donald K McKim brings Bonhoeffer to life in this beautiful devotional that provides understanding of often misunderstood multifaceted writings as well as an inside look at the imperfect man behind the saintly image The result is a heartrending portrait that provides Bonhoeffer's true insights as well as insight into the faith that sustained and redeemed him

The Church for the World Jennifer McBride, 2014-03-05 Drawing on the work of German pastor theologian Dietrich Bonhoeffer Jennifer McBride constructs a new theology of public witness for American Protestant church communities based on the public expression of repentance and redemption

Barth, Bonhoeffer, and Modern Politics Joshua Mauldin, 2021 This innovative study brings together two areas of discourse that have not been connected before interpretations of Barth and Bonhoeffer on one hand and narratives of modernity on the other

The Bonhoeffer Legacy Terence Lovat, 2015-11-01 The Bonhoeffer Legacy Australasian Journal of Bonhoeffer Studies is a fully refereed academic journal aimed principally at providing an outlet for an ever expanding Bonhoeffer scholarship in Australia New Zealand and the South Pacific region as well as being open to article submissions from Bonhoeffer scholars throughout the world It also aims to elicit and encourage future and ongoing scholarship in the field The focus of the journal captured in the notion of Legacy is on any aspect of Bonhoeffer's life theology and political action that is relevant to his immense contribution to twentieth century events and scholarship Legacy can be understood as including those events and ideas that contributed to Bonhoeffer's own development those that constituted his own context or those that have developed since his time as a result of his work The editors encourage and welcome any scholarship that contributes to the journal's aims The journal also has book reviews

Bonhoeffer for Armchair Theologians Stephen R. Haynes, Lori Brandt Hale, 2009-10-07 This latest volume in the ever popular WJK Armchair series turns its sights on contemporary theologian Dietrich Bonhoeffer 1906-1945 Born in Breslau Germany Bonhoeffer led quite an intriguing life This book with dozens of illustrations by artist Ron Hill highlights Bonhoeffer's background and theological education his time at Union Seminary in New York City his involvement in the resistance movement against Adolf Hitler and his participation in the plot to assassinate Hitler Written by experts but designed for the novice the Armchair series provides accurate concise and witty overviews of some of the most profound moments and theologians in Christian history These books are essential supplements for first time encounters with primary texts lucid refreshers for scholars and clergy and enjoyable reads for the theologically curious

Becoming a Christian in Christendom Jason A. Mahn, 2016-11-01 How might one live the Christian faith within a culture that idealizes and privileges Christianity while also relativizing it rendering it redundant and innocuous Arguing for a reconceptualization of the theology of the cross and radical communal practices this book brings together two clusters of critics of Christian acculturation and accommodation 1 Lutherans such as Kierkegaard and Bonhoeffer who lift up radical discipleship against the propensity toward cheap grace and 2 various Anti Constantinians including neo monastic communities who resist the church's collusion

with power politics symbolized by the conversion of Constantine in the early fourth century Drawing on these diverse resources author Jason Mahn explores some pervasive dangers of America s new Christendom its accommodation to an exploitative economy that cheapens the meaning of grace its endorsement of political liberalism within which the church becomes another special interest group its justification of war and other forms of necessary violence and its self defeating lip service to religious inclusivity Mahn provocatively imagines alternatives to conventional Christianity ones whereby the church embodies an alternative politic where it commits to cruciform non violence appreciates gifts by giving them away and knows its boundaries well enough to learn from those on the other side

Bonhoeffer Clifford J. Green,1999 The classic study of Dietrich Bonhoeffer s social thought now expanded with never before published Bonhoeffer letters Widely acclaimed as the best study of Dietrich Bonhoeffer s early social theology Clifford Green s Bonhoeffer is here fully updated and expanded with new material not available anywhere else Features of this new edition A selection of important newly discovered letters between Bonhoeffer and Paul Lehmann and between Lehmann and members of Bonhoeffer s family An extensive chapter covering Bonhoeffer s Ethics All citations updated to the new German and English editions of the Dietrich Bonhoeffer Works

Bonhoeffer's Christocentric Theology and Fundamental Debates in Environmental Ethics Steven C. van den Heuvel,2017-05-04 There is widespread understanding of the close connection between religion and the ecological crisis and that in order to amend this crisis theological resources are needed This monograph seeks to contribute to this endeavor by engaging the theology of Dietrich Bonhoeffer His theology is particularly suitable in this context due to its open ended nature and to the prophetic and radical nature of the questions he was prepared to ask that is why there are many other attempts to contextualize Bonhoeffer s theology in areas that he himself has not directly written about In this monograph Steven van den Heuvel first of all addresses the question of how to translate Bonhoeffer s theology in a methodologically sound way He settles on a modified form of the general method of correlation Then secondly van den Heuvel sets out to describe five major concepts in Bonhoeffer s work bringing these into critical interplay with discussions in environmental ethics and eco theology In making the correlations he thoroughly describes each concept situating it in the historic and intellectual background of Bonhoeffer s time He then transposes these concepts to contemporary environmental ethics describing what contribution Bonhoeffer s theology can make

Reviewing **Dietrich Bonhoeffer Reality And Resistance**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. Within the pages of "**Dietrich Bonhoeffer Reality And Resistance**," an enthralling opus penned by a highly acclaimed wordsmith, readers attempt an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives.
