Diminishment A Memoir:

Diminishment Joy Brewster, 2011-03 Brewster's robust lifestyle ended with the onset of nephritis a chronic kidney disease and later cancer of the mouth and jaw She offers this memoir to encourage others who hope for a rich life spiritual growth and new adventure even in diminishment *Navigating Loss in Women's Contemporary Memoir* A. Prodromou, 2015-06-29 *Navigating Loss in Women's Contemporary Memoir* traces the grief process through the lives of contemporary women writers to show how its complex multi-layered nature can encourage us towards new understandings of loss **Flannery O'Connor and Teilhard de Chardin** Steven Robert Watkins, 2009 Flannery O'Connor the renowned short story writer lived and fought a tumultuous battle with lupus erythematosus most of her adult life In her last five years she sought insightful and helpful sources to alleviate her struggle with the disease Among these sources were the ideas and thoughts of a Jesuit paleontologist mystic by the name of Pierre Teilhard de Chardin an individual who opened doors of witness to the secular world and attracted suspicious questioning from his Catholic superiors Like a moth drawn to a flame Flannery O'Connor a devoted Thomist increasingly admired the ideas of Teilhard de Chardin to the point that she incorporated his ideas into her last six short stories in the collection *Everything That Rises Must Converge* This book adds significantly to the neglected study of Teilhard de Chardin's influence in the later literary development of Flannery O'Connor This book would be a valuable asset to students and scholars focusing on American literature Southern literature twentieth century Southern female writers and Flannery O'Connor *Grief Memoirs* Katarzyna A. Małeczka, 2023-09-29 *Grief Memoirs* Cultural Supportive and Therapeutic Significance bridges literary studies and psychology to evaluate contemporary grief memoirs for use by bereaved and non-bereaved individuals This volume positions the grief memoir within life writing and bereavement studies through examination of the genre's characteristics definitions and functions The book presents the views of memoirists helping professionals community members and university students on writing and reading as self-expressive self-searching and grief witnessing acts after the loss of a loved one Utilizing new data from surveys assessing grief support and bibliotherapy this text discusses the compatibility of grief memoirs with contemporary grief theories and the role of interdisciplinary methods in assisting the bereaved *Grief Memoirs* Cultural Supportive and Therapeutic Significance will help educators advance the understanding and interpretation of loss within psychology literature and medical humanities classrooms *Memoirs* American Academy of Arts and Sciences, 1853 *The American Anatomical Memoirs*, 1927 *No Greater Loss: Memoirs of a Green Beret Under Two Flags* Saren Thach, MST, CPA, 2024-08-12 The war in Cambodia 1970-1975 pitching the unprepared Cambodian army against the battle-tested communist Vietcong North Vietnamese troops who had fought for over a decade against the mighty American army was a lopsided brutal conflict Soon after the communist Khmer Rouge added to their rank The heroic sacrifice by the Cambodian fighters the populace and the dedicated small Khmer Special Forces units all supported by the United States meager financial and logistic assistance were

not enough to overcome the fatal pre war shortfall created by the Khmer leader namely Prince Norodom Sihanouk who joined the enemy in the war fighting his own people for the sake of power The book highlighted crucial military operations some known only to very few personalities which the author participated in and the resulting triumph and defeat The American Congress's refusal in late March 1975 to continue further military assistance sealed the fate of the country The Cambodian sentiment is that America callously betrayed its friend and ally whose paramount aspiration is freedom and liberty This abandonment was also the American trademark in Vietnam and decades later in Afghanistan The book provides the plausible causes of the decline of the ancient Khmer civilization near the end of the Angkor era in the fourteenth century C E the era that produced a powerful Kingdom in the entire Southeast Asia decline within the context of religious conflict and the geopolitical emergence and evolution of neighboring nations The fall of Prince Norodom Sihanouk in March of 1970 gave communist Vietnam the Khmer's traditional adversary pretext to invade the country at will against international law The Cambodians will never forgive nor forget the tremendous sufferings levied upon them in which all Khmer families were affected In the shadow of his enormous tragedy early in life and likewise that of his current wife and considering the autumn of his existence the author's wish is for the sake of humanity if he can do something good let him do it now for he will pass this planet earth only once
