Dietrich Bonhoeffer 1906 1945 Martyr Thinker Man Of Resistance:

Dietrich Bonhoeffer 1906-1945 Ferdinand Schlingensiepen, 2010-06-03 An important contribution to our understanding of the period The Catholic Herald **The Oxford Handbook of Dietrich Bonhoeffer** Michael Mawson, Philip G. Ziegler, 2019 This Handbook offers an overview of Dietrich Bonhoeffer's 1906 1945 biography and intellectual context his contributions to all areas of doctrinal theology ethics and public life the significance of his thought for some contemporary issues and debates and an evaluation of some existing resources for studying Bonhoeffer *The Collected Sermons of Dietrich Bonhoeffer* Dietrich Bonhoeffer, 2012 Preaching according to Bonhoeffer is like offering an apple to child The gospel is proclaimed but for it to be received as gift depends on whether or not the hearer is in a position to do so Offered here are thirty one of Pastor Bonhoeffer's sermons in new English translations which he preached at various times of the year and in a variety of different settings Each is introduced by Bonhoeffer translator Isabel Best who also provides a brief biography of Bonhoeffer The foreword is by Victoria J Barnett general editor of the Dietrich Bonhoeffer Works English edition published by Fortress Press from which these sermons are selected In his preaching Bonhoeffer's strong personal faith the foundation for everything he did shines in the darkness of Hitler's Third Reich and in the church struggle against it Though not overtly political Bonhoeffer's deep concern for the developments in his world is revealed in his sermons as he seeks to draw the listener into conversation with the promises and claims of the gospel a conversation readers today are invited to join Dietrich Bonhoeffer and a Theology of the Exception Kevin O'Farrell, 2023-11-30 Engaging with the many debates about the meaning and character of Bonhoeffer's late resistance theology and action particularly as it relates to his participation in the attempted coup d'état against Hitler this book attends to Bonhoeffer's understanding of the exception Resisting the common reduction of the exception to a political or ethical concept O'Farrell argues that the exception for Bonhoeffer is an extraordinary moment in history that disarms persons impinging on one's understanding of politics and ethics Through a wide engagement with the Bonhoeffer corpus this book claims that this leads to distinctive narrations of key concepts in Bonhoeffer's corpus responsibility the free venture simple obedience and action beyond the law It also offers a different portrait of Bonhoeffer to contemporary narrations The Bonhoeffer that emerges is neither a Niebuhrian realist a pacifist or a religious fanatic but one who is impelled to act apart from the law without this action becoming arbitrary This Bonhoeffer provides a hopeful political witness that seeks a world beyond the conflicts and divisions of this age **Bonhoeffer the Assassin?** Mark Thiessen Nien, Anthony G. Siegrist, Daniel P. Umbel, 2013-10-01 Most of us think we know the moving story of Dietrich Bonhoeffer's life a pacifist pastor turns anti Hitler conspirator due to horrors encountered during World War II but does the evidence really support this prevailing view This pioneering work carefully examines the biographical and textual evidence and finds no support for the theory that Bonhoeffer abandoned his ethic of discipleship and was involved in plots to assassinate Hitler In fact Bonhoeffer consistently affirmed a strong stance of peacemaking from 1932 to the end of

his life and his commitment to peace was integrated with his theology as a whole The book includes a foreword by Stanley Hauerwas *On Christian Teaching* David I. Smith, 2018-05-28 Christian teachers have long been thinking about what content to teach but little scholarship has been devoted to how faith forms the actual process of teaching Is there a way to go beyond Christian perspectives on the subject matter and think about the teaching itself as Christian In this book David I Smith shows how faith can and should play a critical role in shaping pedagogy and the learning experience **Christ Actually** James Carroll, 2015-10-06 What can we believe about and how can we believe in Jesus Christ in light of the atrocities of the twentieth century and the drift from religion that followed Here James Carroll traces centuries of religious history and theology to face this core challenge to modern faith Carroll s search is a highly personal one beginning with a crucial received memory of Jesus that separates him from his essential identity as a Jew and therefore as a human The divinity of Jesus trumped his humanity including his Jewishness Yet if Jesus was not taken as divine he would be of no interest to believers Thus Carroll takes the God man question head on restoring its perennial answer but in a new way Drawing on a wide range of scholarship as well as his own acute searching Carroll shows how faith in Jesus evolved in the first place His fresh reading of the Gospels reinstates the context of the Romans effectively genocidal war against the Jews a first Holocaust that profoundly distorted the Christian memory of Jesus In this retrieval the great characters in Jesus story from John the Baptist and Peter to Paul and the various Marys come to life in a new context Far from another book about the historical Jesus Christ Actually takes the challenges of secularism seriously The new fact of the human condition that we are capable now of bringing about the extinction of our species must change the meaning of faith Humans of all stripes continue to long for the transcendent and it is as a figure of transcendence that Jesus Christ most compellingly stands Finally Carroll retrieves the power of Jesus profound ordinariness his simple life and his call to imitate him all suggesting an answer to Carroll s own last question what is the future of Jesus Christ This book points the way From publisher description *The Present "Just Peace/Just War"* Debate Ad de Bruijne, Gerard den Hertog, 2018-09-01 At first the end of the Cold War seemed to mark a period of relative rest However it became apparent that we have not reached the end of history As a matter of fact the world is confronted by new political constellations of so far unknown martial intensity Although Muslim terrorism and the revival of tribalism and nationalism are closely connected At the same time the international community proves mostly powerless as a result of the cooling relationship between East and West These developments offer challenging questions for Western societies Both in Germany and in the Anglo Saxon world debates on the concepts of Just peace Just war have intensified but mutual engagement between these contexts has remained scarce Against this background a conference was held in Apeldoorn in a Dutch interspace in 2016 in which ethicists from both contexts were involved The present volume contains the edited version of the seven contributions to this conference supplemented with four articles by others that were written deliberately for this volume Die Debatte Gerechter Frieden Gerechter Krieg Zwei Diskussionen oder eine Nach dem Ende des

Kalten Krieges hatte es den Anschein als breche eine Friedensperiode an. Leider hat sich inzwischen gezeigt, dass wir nicht ans Ende der Geschichte gelangt sind. Vielmehr sieht sich die Welt am Beginn des 21. Jahrhunderts mit neuen politischen Konstellationen ungekannter kriegesischer Intensität konfrontiert. Dabei haben islamistischer Terror und das Wiederaufleben von Tribalismus und Nationalismus zusammen. Hinzu kommt, dass das Ost-West-Verhältnis sich zunehmend verschlechtert, wodurch die Machtinstrumente der internationalen Gemeinschaft kraftlos geworden sind. Diese Entwicklungen stellen herausfordernde Fragen an die westlichen Gesellschaften. Sowohl in Deutschland als auch in der angelsächsischen Welt ist die Debatte über die Themen Gerechter Frieden, Gerechter Krieg neu aufgebrochen, aber sie findet weitgehend getrennt voneinander statt. Vor diesem Hintergrund hat 2016 in Apeldoorn im niederländischen Zwischenraum eine Konferenz stattgefunden, an der Ethiker aus beiden Kontexten beteiligt waren. Dieser Band dokumentiert deren sieben Vorträge, ergänzt um vier Aufsätze, die speziell für diesen Band geschrieben wurden. Mit Beiträgen von Ted van Baarda, Nigel Biggar, Jan Peter van Bruggen, Ad de Bruijne, Guido de Graaff, Gerard den Hertog, Marco Hofheinz, Wolfgang Lienemann, Hans Ulrich, Pieter Vos, Greetje Witte. Rang **The Cross of Reality** H. Gaylon Barker, 2015-09-01. The Cross of Reality investigates Bonhoeffer's interpretation and use of Luther's theology in shaping his Christology. In this essay H. Gaylon Barker uses the theology of the cross as a key to understanding the characteristic elements that make up Bonhoeffer's theology; he also shows how Bonhoeffer's conversation with his teachers and contemporaries Karl Holl and Karl Barth in particular develops Bonhoeffer's thought. It was indeed radical and revolutionary, but it was so precisely because of its adherence to the classical traditions of the church, especially Luther's *theologia crucis*. *Bonhoeffer as Biblical Interpreter* Jameson E. Ross, 2021-08-12. By oscillating between Dietrich Bonhoeffer's explicit hermeneutical reflections and his actual practice of interpreting biblical texts, Jameson E. Ross shows that Bonhoeffer's interpretive acts consist of a theologically self-reflective hermeneutic in which Scripture is for interpretation, underscoring how essential the interpreter's Spirit-given freedom, actions, theology, context, and needs are for reading Scripture. Offering a fresh vision for methodological discussions in theology, this book is a valuable resource for graduate and postgraduate students and researchers on modern theology, political theology, and ethics and biblical exegesis.

The Power of Ideals William Damon, Anne Colby, 2015-04-03. Cynicism often seems a smarter choice than idealism. There are reasons for this: Politicians have disappointed us time and again; trusted institutions have proven to be self-serving and corrupt; hopes for lasting world peace repeatedly have been dashed; and social inequities persist and increase unabated, even the grandest of charitable efforts. It is now considered foolish to think that people can be counted on to rise above their narrow self-interests to serve the broader good or to tell the truth if it does not reflect well on the self. Supporting this bleak view of the human condition is a moral psychology that has taken increasingly cynical turns in recent years. Famous studies have shown that we have an almost unlimited potential for cruelty when placed in the wrong situations. *The Power of Ideals* presents a different vision, supported by a different kind of evidence. It examines the lives and work of six 20th-century moral

leaders who pursued moral causes ranging from world peace to social justice and human rights Using these six cases to illustrate how people can make choices guided by their moral convictions rather than by base emotion or social pressures authors William Damon and Anne Colby explore the workings of three virtues inner truthfulness humility and faith Through their portrayal of the noble lives of moral leaders the authors argue that all of us with ordinary lives can exercise control over important life decisions and pursue ideals that we believe in *Bonhoeffer for the Church* Matthew D.

Kirkpatrick,2024-04-09 Dietrich Bonhoeffer is one of the most widely read Christian writers of the twentieth century Although his work has been influential among academics his widest readership has always been the church Each Sunday Bonhoeffer s writings are referenced in sermons and study groups around the world And yet no systematic introduction to Bonhoeffer exists for this audience In *Bonhoeffer for the Church* Matthew Kirkpatrick corrects this omission Structured around topics such as preaching worship sacraments prayer pastoral care confession evangelism and apologetics Bonhoeffer for the Church offers an accessible but comprehensive introduction to Bonhoeffer s life and thought for those in ministry or interested in understanding their life in community better In making Bonhoeffer accessible for the church Kirkpatrick also reveals Bonhoeffer s astonishing message to the church Despite his well known conflicts with the churches and church leaders of his time the church remained for Bonhoeffer the foundation for God s redeeming activity to the world and in individual lives Drawing on the full range of his writings including his less well known sermons diaries and letters Bonhoeffer for the Church presents this astonishing vision and shows how Bonhoeffer can revitalize and inspire the life and ministry of the church and our individual relationships For those who struggle in their ministry doubt the relevance of the church or who simply need to be reenergized in their relationships with other Christians Bonhoeffer for the Church offers a crucially important message Approaches to the Study of Intercultural Transfer Thomas Adam,2019-10-31 *Approaches to the Study of Intercultural Transfer* presents a collection of compelling case studies in the areas of social reform museums philanthropy football nonviolent resistance and holiday rituals such as Christmas that demonstrate key mechanisms of intercultural transfers Each chapter provides the application of the intercultural transfer studies paradigm to a specific and distinct historical phenomenon The chapters not only illustrate the presence or even the depth and frequency of intercultural transfer but also reveal specific aspects of the intercultural transfer of phenomena the role of agents of intercultural transfer and the transformations of ideas transferred between cultures thereby contributing to our understanding of the mechanisms of intercultural transfers *Bonhoeffer on the Christian Life* Stephen J. Nichols,2013-06-30 The abundance of conferences lectures and new books related to Dietrich Bonhoeffer attests to the growing interest in his amazing life and thought provoking writings The legacy of his theological reflections on the nature of fellowship the costliness of grace and the necessity of courageous obedience has only been heightened by the reality of how he died execution at the hands of a Nazi death squad In this latest addition to the popular *Theologians on the Christian Life* series historian Stephen J Nichols guides

readers through a study of Bonhoeffer's life and work helping readers understand the basic contours of his cross-centered theology convictions regarding the Christian life and circumstances surrounding his dramatic arrest and execution Part of the Theologians on the Christian Life series **Reformed Churches in South Africa and the Struggle for Justice** Marry-Anne Platjies-Van Huffel, Robert Vosloo, 2013-11-01 The various contributions in this informative and exciting volume explore the ambivalent and complex history of Reformed faith during the years 1960 to 1990 in apartheid South Africa In the process light is shed on the role of Reformed churches in the struggle for justice freedom and dignity Parameters are simultaneously provided for defining the public role of Reformed faith in contemporary South Africa in the context of Africanisation and globalisation Prof Nico Koopman Dean of the Faculty of Theology Stellenbosch University *Bonhoeffer's Seminary Vision* Paul R. House, 2015-04-16 Dietrich Bonhoeffer is best known for his role in a plot to assassinate Adolf Hitler and his subsequent execution at the hands of the Nazis However readers are less familiar with his tireless work educating seminary students for a life of pastoral ministry Anchored in a variety of influential lectures personal letters and major works such as *The Cost of Discipleship* this book attempts to recover a largely unexamined part of Bonhoeffer's life exploring his philosophy and practice of theological education in his original context It then builds on this foundation to address the drift toward increasingly impersonal educational models in our own day affirming the value of personal face-to-face seminary education for the health of pastors and churches *Barth, Bonhoeffer, and Modern Politics* Joshua Mauldin, 2021-01-18 Recent political events around the world have raised the spectre of an impending collapse of democratic institutions Contemporary concerns about the decline of liberal democracy are reminiscent to the tumult of the 1930s and 1940s in Europe Karl Barth and Dietrich Bonhoeffer lived in Germany during the rise of National Socialism and each reflected on what the rise of totalitarianism meant for the aspirations of modern politics Engaging the realities of totalitarian terror they avoided despairing rejections of modern society Beginning with Barth in the wake of the First World War following Bonhoeffer through the 1930s and 1940s in Nazi Germany and concluding with Barth's post-war reflections in the 1950s this study explores how these figures reflected on modern society during this turbulent time and how their work is relevant to the current crisis of modern democracy **Gandhi's Truths in an Age of Fundamentalism and Nationalism** Sathianathan Clarke, Stephen Pickard, 2022 The twenty-first century has seen violence thunder back onto the world stage Religious fundamentalism and other economic political and cultural forces are increasingly in the business of carving out strong nation-states Religious fundamentalism and illiberal nationalism also work together to generate catalog and circulate a fixed platform of truths that are deeply mistaken and that generate division and violence Against this backdrop and on the heels of several commemorations in 2019 of the 150th anniversary of Mohandas Karamchand Gandhi's birth this edited volume examines and interprets Gandhi's religious and political ideas of truth for our age Embedded in the political currents especially those ranging in India and the United States the authors carefully excavate and creatively employ Gandhi's

thought and practice to reimagine a religiously plural and broadly inclusive nationalism rooted in a universal yet many sided vision of religious truth Rather than glorify the Mahatma great soul this book revisits Gandhi s ideas of truth force satyagraha in the face of fake news nonviolence ahimsa in the face of religious extremism and freedom swaraj in the face of strong nationalism Book jacket *Being and Action Coram Deo* Koert Verhagen, 2021-09-09 Koert Verhagen not only provides the first in depth treatment of how the doctrine of justification crucially frames Bonhoeffer s approach to questions surrounding human being and action he also addresses the ethical implications of retrieving this perspective for the Church today Drawing on his early academic theology and his later ethics of discipleship Verhagen argues that Bonhoeffer s emphasis on the social implications of justification leads to an understanding of human existence that is fundamentally relational Along the way he draws Bonhoeffer s thinking on this front into conversation with Luther German idealism the Nazi Weltanschauung and contemporary Pauline scholarship With an eye to the contemporary practical value of Bonhoeffer s theology Verhagen concludes by making the case that the retrieval of justification s social implications provides a critical corrective to ecclesial responses to white supremacy

Revelation Gerald O'Collins, 2016-08-18 Since the late 1980s the theme of God s self revelation has been treated only briefly in Christian theology at times simply ignored and often confused with biblical inspiration Revelation Towards a Christian Theology of God s Self Revelation lays out its basic characteristics and begins by distinguishing between revelation in the primary sense a living encounter with God s self disclosure and in the secondary sense statements of faith derived from that encounter or propositional revelation It considers revelation as transforming and informing as being sacramental or mediated through words and deeds as communicated through an endless variety of means and mediators as related to but distinct from biblical inspiration and truth and as reaching those of other faiths or of no faith at all Gerald O Collins skilfully distinguishes between past or foundational revelation present or dependent revelation and future or eschatological revelation He expounds with ecumenical sensitivity the complex relationship between tradition and scripture O Collins moves into controversial areas by insisting that the divine self revelation takes place only when received by human faith and that outside revelation there is no salvation extra revelationem nulla salus This volume offers a coherent account of God s self revelation which can serve as a basis for all that follows in theology and for dialogue with those who follow other living faiths or none at all O Collins extends and enriches what he has proposed in earlier books and articles about the characteristics of God s self revelation
