**Difficult Conversations** Anni K. Reinking, 2019-05-17 Educators have many job descriptions One of those descriptions includes the idea of customer service or professional communication especially when engaging in difficult conversations Difficult conversations are conversations that may be argumentative combative or otherwise contentious in some way Every educator has or will have difficult conversations in their professional life The difficult conversations may be with a family member a student a colleague or an administrator Regardless of the person difficult conversations can influence relationships While the idea of difficult conversations originated in the business profession difficult conversations are also applicable and abundant in the field of education Therefore developing a toolkit of resources and strategies to engage in professional conversations with various stakeholders is imperative and the goal of this book Throughout the toolkits introduced in this book real life examples and reflection questions are inserted Overall this book moves from defining difficult conversations understanding the unconscious reactions to difficult conversations and the tools to build positive relationships through communication

*Difficult Conversations Just for Women* Sofia Santiago, Susan Harrison (Motivational speaker), 2016-06-21 2018

EDITION From the very first chapter readers will know that they have stumbled onto something valuable beginning with the authors advice about the importance of not avoiding difficult conversations aimed at changing another person's behavior Any woman who picks up this book will feel inspired upon reaching its end to courageously speak her mind Publisher's Weekly

*Difficult Conversations Just for Women Kill the Anxiety Get What You Want* carries a message that every woman

needs to know especially in this day and age an expert guide on handling difficult conversations The title of this book may lure readers into checking it out but they won't be disappointed What is most interesting about this book is that it offers just what readers need to know No fluff no babbling Readers Favorite Every woman intuitively knows that the strategies recommended for men won't work for women Men will be called leaders and women who do the same things will be called bossy or worse If she says I feel she may be considered hormonal That's why other conflict management books shortchange women in two crucial ways 1 They fail to acknowledge and address the challenges that women face but men don't And I'm not talking about having to turn a banana sideways when eating it in public 2 They neglect to explain that many of the strategies they recommend when followed by a woman will carry backlash When it comes to difficult conversations women struggle to find the right balance between being seen as too passive a doormat or too aggressive a bitch Those and many more are the reasons why women avoid confrontation at all costs make fewer requests for themselves than men and end up not getting what they want or deserve This book is based on scientific research and it has been written just for women Presented in a lively and entertaining style **DIFFICULT CONVERSATIONS JUST FOR WOMEN** gives women specific techniques and wording to feel confident before during and after a difficult conversation and to tackle confrontations effectively
