

DIGGERS, FUNNIES, GASSERS & ALTEREDS

**Drag Racing's
Golden Age**

Bob McClurg

Foreword by John Force

Diggers Funnies Gassers And Altered Drag Racings Golden Era

Steve Reyes

Diggers Funnies Gassers And Altered Drag Racings Golden Era:

Diggers, Funnies, Gassers and Altered Bob McClurg, 2013 Contains four hundred illustrated full color as well as black and white photographs depicting the sport of drag racing through the 1960s and 1970s and includes information on the history and nostalgia of the sport *1001 Drag Racing Facts* Doug Boyce, 2015 Spanning the 1950s through the 1980s 1001 Drag Racing Facts is packed with well researched drag racing facts that even some of the most hard core drag racing fans might be surprised to learn Covered are all the popular classes of racing of the era including Top Fuelers Funny Cars Pro Stocks Eliminators such as Gassers and Altered Stocks Super Stocks and more Fans of these legendary cars will appreciate the technical and entertaining information shared on every page about all of the great cars teams drivers and classes Author Doug Boyce is well known for his encyclopedia like knowledge of drag racing facts The detail in his previous books such as Grumpy's Toys Junior Stock and Drag Racing's Quarter Mile Warriors Then and Now proves he is up to the task of sharing everything you never knew about drag racing in the golden era Whether you're an avid fan of nostalgia drags a trivia buff who wants to stump friends or simply a fan of the big and powerful drag cars of the 1950s through the 1980s this book is an informative and entertaining collection of facts from one of the industry's most respected sources **Fire, Nitro, Rubber, and Smoke** Bob McClurg, 2007-02 This book looks back fondly on drag racing's greatest era with 300 of the best drag racing photos ever taken Tells the stories of the cars the racers and the events that made drag racing such a great sport Photos cover dragsters funny cars gassers altered pro stocks and exhibition cars bringing the sights smells and sounds of the golden age of drag racing to life *Hot Rod*, 1971 **Butch "The California Flash" Leal** Bob McClurg, 2022-07-15 Check out the first ever biography on the popular drag racer Butch The California Flash Leal Born and raised in central California Larry Butch Leal was obsessed with cars from a very early age What began with field cars turned into hard work and new Chevrolets This took place when the golden era of drag racing was in its infancy and Leal joined with enthusiasm He performed well at the track with his early Chevys and had an impressive number of wins before he was out of high school His success brought him plenty of attention and collaboration with other big names in the sport In 1963 GM pulled out of the sport on an official basis As a result Butch at age 19 teamed up with Mickey Thompson and joined the Ford camp securing a ride with the factory team and its new Thunderbolts for 1964 After his success that season including winning the Super Stock S S class at the 1964 NHRA US Nationals in Indianapolis Chrysler came calling and Butch signed on to race the new altered wheelbase cars in match races for 1965 as the NHRA did not have a class for these new funny looking cars While Leal dabbled again with Ford and Chevrolet later his relationship with Chrysler lasted well into the following decades running both Funny Cars and Super Stockers Penned by talented automotive historian Bob McClurg who was there for it all and featuring full collaboration with the book's subject Butch The California Flash Leal covers the span of his fascinating career during arguably the most interesting era in drag racing history Butch was an 11 time NHRA champion and 4 time recipient of

Car Craft Magazine's All Star Driver of the Year award in a career that spanned the 1960s through the 1990s. It's all here: the events, great vintage photography and the stories from one of the best storytellers the NHRA has ever known. Add this entertaining volume to your drag racing library today. **Lions Drag Strip: 1955-1972** Lou Hart, 2025-07-15. Discover how Lions Drag Strip became the face of quarter mile competition. Hot rodders and the drag cars that they raced in unsanctioned exhibitions had become a nuisance with law enforcement in Los Angeles, California. So in an effort to make racing safer, C. J. Pappy Hart, founder of the Santa Ana Drag Strip, Norris Poulson, mayor of Los Angeles, John Chadwick, member of the Wilmington Lions Club, and others collaborated to create the world famous Lions Associated Drag Strip. With an approved proposal, shovels sunk into the sand in August 1955 in Wilmington, California, christening the birth of the world's greatest drag strip. Mickey Thompson was hired to operate Lions Drag Strip, also known as the Beach, quickly turning it into Southern California's wildest venue to watch drag racing. Innovations including staging lights, track lighting for night racing, and concession stands made Lions Drag Strip the place to be. The world's greatest drag racers such as Jack Chrisman, Tom McEwen, Art Chrisman, Don Prudhomme, Chris Karamesines, Connie Kalitta, and Don Garlits, as well as a cast of thousands of others, descended upon Lions Drag Strip for exhibition and match racing. Fabled East West showdowns, Fuel Altered's, Funny Cars, and Jet cars broke attendance records and set national records throughout the 1960s. In addition, thrill seeker Evel Knievel leaped over 13 cars at Lions Drag Strip to the excitement of 14,000 fans in December 1970. Sadly, Lions Drag Strip closed on December 3, 1972, due to the location being valued as industrial real estate and the approaching urban sprawl. Lions Automobilia Foundation Museum volunteer Lou Hart brings forth this year-by-year illustrated history of Lions Drag Strip's most memorable events with never-before-seen images in **Lions Drag Strip 1955-1972**. **Mercury Drag Racing** Charles Morris, 2025-04-13. The Mercury brand played a vital role in the golden era of domestic automotive performance that lasted from the mid 1950s through the early 1970s. The vehicles of the Lincoln Mercury division of Ford Motor Company embraced performance on the drag strips of America as a means of marketing their product to the youth market. Familiar Ford racing names like Fran Hernandez, Bill Stroppe, Holman Moody, and Dearborn Steel Tubing were involved with Lincoln Mercury products too. Mercury racers and cars were pioneers in the development of stock-based drag racing, the evolution to altered wheelbase, lightweight and experimental cars, and then into the Funny Car era with flip tops driven by the likes of Dyno Don Nicholson and Ed Schartman. While the Mercury brand is no longer with us today, the legacy of its cars should not be forgotten, and they did more than play second fiddle to their Blue Oval stablemates. **Mercury Drag Racing** is a guide to the heroes and high-horsepower creations that still hold a special place in the hearts of drag racing fans. **Northern California Drag Racing** Steve Reyes, 2022-05-02. Organized drag racing began in Northern California in 1949 thanks to World War II veterans with a need for speed. Towns like Redding, Lodi, Fresno, Bakersfield, and Fremont would host their own drag events featuring homebuilt jalopies. Anyone with a driver's license and a paid entry fee could participate, and as the cars

got more sophisticated and faster more and more spectators came to watch the local speed demons By the 1960s a metamorphosis began with the introduction of the slingshot style dragsters For the next 12 years the slingshot dragster was the king of the quarter mile and it made stars of Gary Ormsby Frank Bradley Dennis Baca and James Warren Meanwhile in 1965 a funny new race car challenged The King as it gained popularity in Northern California Leading this funny car charge was a Pennsylvania transplant named Russell James Liberman However the golden years of Northern California drag racing came to an end in the mid 1970s Today only 5 out of 17 drag strips are still open Photographer Steve Reyes journeyed into the world of Northern California drag racing in 1963 as a 15 year old kid Upon seeing an advertisement from the Oakland Tribune that read Come see the nitro powered 200mph slingshot dragsters Reyes and his father made the 23 mile trek to the Fremont drag strip With the noise of high powered engines filling the air Reyes was hooked and made it his duty to capture this one of a kind world on film [Fuel Alters Forever](#) Steve Reyes,2008-04-01 What type of drag car makes strong men shudder women shriek and kids cheer A 200 mph 7 second 96 inch wheelbased AA Fuel Altered that s what These supercharged 2 000 horsepower cars from the bygone days of drag racing demanded the utmost respect as did the racers who piloted them Most contemporary Top Fuel and Funny Car drivers would quake at the thought of driving one of these short ill handling beasts It took a rare or slightly crazy breed of drag racer to slide behind the wheel of one of these exciting nitro burning drag cars Author Steve Reyes has included more than 350 of his favorite pictures of his favorite class Fuel Alters Never before heard stories bring the action right to you Relive drag racing s glory days through photos of rarely seen cars first hand accounts and stories of racers and their cars *Fuel Alters Forever* Steve Reyes,2008 What type of drag car makes strong men shudder women shriek and kids cheer A 200 mph 7 second 96 inch wheelbased AA Fuel Altered that s what These supercharged 2 000 horsepower cars from the bygone days of drag racing demanded the utmost respect as did the racers who piloted them Most contemporary Top Fuel and Funny Car drivers would quake at the thought of driving one of these short ill handling beasts It took a rare or slightly crazy breed of drag racer to slide behind the wheel of one of these exciting nitro burning drag cars Author Steve Reyes has included more than 350 of his favorite pictures of his favorite class Fuel Alters Never before heard stories bring the action right to you Relive drag racing s glory days through photos of rarely seen cars first hand accounts and stories of racers and their cars **Drag Racing Gassers Photo Archive** Lou Hart,2007-05-01 One of drag racing s very popular classes formed was the Gassers During the 50s Model A and 1932 34 Fords were considered the hot set up for these gas classes Using Ford V 8 flatheads and later overhead valve engines Gas Coupe and Sedan classes had to maintain stock wheelbases and the engine relocation was limited By the mid 60s it was rare to find an upper classed gasser with any other body make than Willys Studebaker Austin or Anglia They were the stoutest full bodied cars on strips nationwide Touring teams ran four to six times every week often traveling several hundred miles day and night to make their next dates This was old school racing However interest waned as flitop funny cars took over in

popularity The battles in A GS later AA GS ranks created many heroes and villains who etched their marks into drag racing history Gassers shared with fans of the quarter mile one the most thrilling overall racecar types and for an era that was all too short they were literally the Kings of the Sport Enjoy this photo book that takes you back to that time **Maximum Performance** Jim Schild,2017-10-10 Since the early days of racing Chrysler Dodge and Plymouth have dominated drag strips and race tracks During 1955 alone Chrysler 300s won 37 major stock car races and clinched both the NASCAR and AAA stock car championships Although the impressive engine options of 1950s consistently out performed the competition they were a mere opening act for the extremes of performance that would be unleashed throughout the 1960s the golden era of drag racing and factory super performance cars Maximum Performance Super Stock Drag Racing 1962 1969 details Chrysler s amazing dominance in this era Its drivers were among drag racing s first paid professional racers and this book covers the complete story of Mopar drag racing accompanied by historical imagery as well as contemporary photos This is the real story behind Super Stock and Factory Experimental drag racing as told the people who lived it Publisher s description *Putting the Fun Back Into Drag Racing* Maureen Lane,2020 The Australian Nostalgia Racers use their front engine dragsters gassers funny cars Altered Super Stockers and chrome bumper era cars to put fun into drag racing The vehicles they race are a mixture of restored originals and recreations of older cars The Victorian Chapter of the Australian Nostalgia Racers club is dedicated to preserving their history and honouring the sport they lve This book not only serves as an historical record documenting the experiences of the members and their cars but it is also an attempt to give Nostalgia Drag Racing the prestige it deserves Putting the fun back into drag racing *Funny Car Fever* Steve Reyes,2007 There wasn t always a class for these funny looking cars In the mid 1960s many of drag racing s fastest drivers were outgrowing the Super Stock and Factory Experimental classes building cars that stretched and eventually broke the rules Promoters discovered they could pair up these altered wheelbase injected blown machines in exhibition match races and the spectators came running Rivalries were born the Funny Car class was created and the cars kept getting faster and faster Funny Car Fever is a humorous heart felt first hand account of the most exciting and memorable years of the Funny Car class Steve Reyes followed these fiberglass bodied nitro burning machines and their drivers from the years leading up to the creation of the Funny Car class through its halcyon days He s included over 350 of his favorite images and more than a few never before heard stories to bring the feeling of the class and the era home to you **Drag Racing in the 1970s** Doug Boyce,2025-01-15 Re live the 1970s with this book that covers a sensational and unique decade of drag racing history In the 1950s drag racing was in its infancy The sport made incredible technological advancements in the 1960s and that technology was streamlined and refined with a sense of professionalism in the 1970s It became more difficult for a local homebuilt shoestring budget team to compete at the national level These teams were priced out of the top classes by larger teams that had more sponsorship money So the low budget teams dropped to less expensive classes or simply sold their gear and

stopped competing However drag racing in the 1970s was fascinating in its own right There was still a significant amount of development as well as new classes to celebrate Funny Cars morphed from altered wheelbase doorslammers in the early 1960s to full blown tube chassis flip top fiberglass bodied beasts by 1970 This led to the creation of the Pro Stock class which was a popular child of the 1970s with its rivalries and connections to the Detroit manufacturers In the interest of safety Top Fuel cars became mid engine beasts and they turned out to be faster as well By the end of the decade Funny Cars nearly became full bodied versions of the Top Fuel cars Many of these developments are still evident in NHRA racing today In Drag Racing in the 1970s veteran racing author Doug Boyce takes you chronologically through the entire exciting decade covering the cars the classes and the future hall of fame drivers who raced them The transition to professionalism the big money sponsors the many sanctioning bodies the rivalries and even the lower classes such as Modified Eliminator and Super Stock are chronicled in this illustrated tribute Add a copy to your drag racing library today *Drag Racing Funny Cars* Lou Hart,2008-11-01 Since the early 1960s dealer sponsored Super Stockers battled for supremacy on the quarter mile and in the dealer showrooms Evolving into the Factory Experimental class these wild steel bodied altered wheelbase monsters were stuffed with massive fuel injected and supercharged engines that attracted crowds to the dragstrip Legendary pioneers Dyno Don Nicholson Jack Chrisman Bill Shrewsberry Butch Leal Dick Landy Arnie Beswick Phil Bonner Gas Ronda Don Gay Sox Martin Richard Petty and many other A FX stars were instrumental in the development of the funny car as it morphed from a heavy production car into seven second 250mph aerodynamic fiberglass tubular chassis missile The popularity of funny cars led Jungle Jim Lieberman Bill Lawton Lew Arrington Bill Flynn Norm Kraus and Big John Mazmanian to become household names Tom Mongoose McEwen Don Snake Prudhomme Tom Hoover Kenny Safford Terry Capp John Force Kenny Bernstein Jake Johnston Larry Reyes Richard Tharp Roland Leong Randy Walls Jess Tyree Rich Siroonian and others who achieved success racing funny cars are all featured in over 300 incredible color and black and white photos **Drag Racing Fuel Altered Photo Archive** Lou Hart,2007-04-27 The Fuel Altered one of the most brutal and exciting cars that ever covered the quarter mile consisted of a wheelbase average less than 100 inches that was fitted with a blown supercharged 1500 horsepower engine running on Nitro With a low center of gravity the Altered was often compared to a 4 000 pound raging bull as the driver had all he could handle keeping these beasts on the track From flatheads to Nitro burning monsters see daredevils Mooneyham Sharp Gabby Bleeker John Forska Willie Borsch Dale Emery Leon Fitzgerald Big Glenn Way Don Green Sush Matsubara Leroy Chadderton and many more blaze the quarter mile to standing room only crowds *Top Fuel Dragsters: Drag Racing's Rear-Engine Revolution* Steve Reyes,2016 In general terms drag racing is the fastest form of motor racing within drag racing Top Fuel is the fastest of the classes Top Fuel has always been the leading class in terms of technology cost excitement and speed Over the years technology has changed greatly What started out as a flathead engine four wheels frame rails and a steering wheel has morphed into technological wonders producing horsepower figures in the

thousands and running supercharged nitromethane cars over the quarter mile in the 4 second range Industry legend and veteran journalist Steve Reyes was there through all the technological changes he has the photos anecdotes quotes and tales of the era He discusses it all including the experimentation that led to incredibly exciting racing and wild mishaps Join him in the pages of this book where he shares all the stories of this incredible racing era *Drag Racing's Quarter-Mile Warriors II* Doug Boyce,2025-12-15 Drag racing fans have a fondness for the drag cars that competed during the sport s golden era from the late 1950s through the 1970s The cars were simpler to understand and in many classes were similar to cars that people saw on the street A Pro Stock car in the early 1970s resembled a street car with big slicks and a massive engine Today s Pro Stock cars look more like fighter jets than street cars The newer cars just aren t as relatable as those from the past With the evolution of technology and the sanctioning bodies constantly changes class rules drag cars often don t last very long before they are no longer competitive or a sanctioning body has outlawed the tech that the car features So what happens to all of these old race cars Some sit in a shed some are dismantled and parted out and some still race in small events or vintage events across the country In *Drag Racing s Quarter Mile Warriors Volume II* prolific veteran drag racing author Dog Boyce chronicles even more of the most popular cars from the sport s golden era Rail cars Funny Cars Alters Junior Stocks and Super Stocks are all covered here more than 80 of them in a then and now format A blend of vintage and modern photos tell the story of the racing lives of these cars *Roland Leong "The Hawaiian"* Lou Hart,2023-08-15 From racing the family Oldsmobile in 1960 to winning the Winternationals in 1964 read about the meteoric rise of drag racing s greatest owner and tuner in the first ever book about The Hawaiian Roland Leong As the son of a Harvard graduate it could have been difficult for Roland Leong to live up to his family s expectations However that wasn t the case The Hawaiian knew at a young age that drag racing was his career path His supportive mother Teddy saw potential in Roland and bought him a new 1962 Corvette for educational purposes such as wrenching and tuning From there it didn t take long for the world to discover Oahu s best kept secret in drag racing In 1964 less than two years after reaching the mainland Roland was in victory lane at the Winternationals in Top Gas Eliminator The following year with Don Prudhomme behind the wheel The Hawaiian immortalized his place in drag racing forever with wins in NHRA s Top Fuel Eliminator at Pomona Winternationals and Indy US Nationals Leong became the first ever to capture those iconic crowns in a single season For good measure Roland repeated the achievement in 1966 with Mike Snively showing the world that a Harvard education isn t required to achieve greatness The Hawaiian Roland Leong *Drag Racing s Iconic Owner Tuner* is a tale of family friends and forging a path that no other Chinese Hawaiian before him had carved Re live his biggest wins and lasting friendships in this first ever publication on drag racing s first builder and tuner superstar Roland Leong

The Enigmatic Realm of **Diggers Funnies Gassers And Altered Drag Racings Golden Era**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing short of extraordinary. Within the captivating pages of **Diggers Funnies Gassers And Altered Drag Racings Golden Era** a literary masterpiece penned by way of a renowned author, readers attempt a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those that partake in its reading experience.

Diggers Funnies Gassers And Alteredds Drag Racings Golden Era Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Diggers Funnies Gassers And Alteredds Drag Racings Golden Era PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Diggers Funnies Gassers And Alteredes Drag Racings Golden Era PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Diggers Funnies Gassers And Alteredes Drag Racings Golden Era free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Diggers Funnies Gassers And Alteredes Drag Racings Golden Era Books

1. Where can I buy Diggers Funnies Gassers And Alteredes Drag Racings Golden Era books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
