Success Jerry Marcozzi, 2009-08 Failure vs Success Now that this book is finally in print I have given much thought as to why I ever compiled it in the first place And then it struck me this book represents the format that my own life has taken first failures and then ultimately successes Born the child of impoverished poorly educated immigrant parents who clawed their way through the great depression World War II my life seemed to have no reason for greatness My four years of U S Navy Service during the Korean War repaid me with the GI bill and the opportunity to get a college education Thereafter my career as a life insurance agent began with many ups downs caused by a lack of self confidence and a belief that my life was simply ordinary and not really destined for achievement The work ethic instilled in me from birth kept me ever going forward but I never thought about success my career was just a job and nothing more But as I kept trying I became increasingly better at it I began spending lots more money on my career education learning everything available about life insurance People I met inspired me and I began living the life described in my book As I gained maturity education and experience I kept records of my achievements and one day I realized I had accomplished the tenets in this book and I suddenly realized I had become successful How did it happen Lots of education lots of hard work maturity self confidence learning my product backwards forward how to use it how to sell it and how to love it surpassing other agents who leveled off in their behavior knowledge I constantly put into practice everything I learned I grew grew until I really became the success I never dreamed was possible But it was possible First I had to learn it feel it and become it and then it happened for me just as it will happen for you if you REALLY want it And that s why I wrote this book for you Jerry Marcozzi Beyond Success Failure W. and m. beecher, 1971-07 Beyond Success and Failure Willard Beecher, 1976-08 Failure is a Choice Dr John McElhaney, 2018-10-23 How many people go through life as a failure because they think success is not something they can attain or something people must be born with Whether you are successful or not depends entirely up to you When you use what is available to you there is no end to what you can achieve Don t let anyone steal your dream Most people you know are never going to be successful and don t want you to become successful that is why you must surround yourself with successful people Stay away from the people who are always telling you why you can t do something Look at them and see if they have ever done anything Remember this small minds talk about people medium minds talk about current events large minds talk about ideas You will become what you can believe and see yourself becoming I believe in you get this book and learn the secret to success read my story Then go out and just do it Dare to Fail Billi P. Failure Did Me a Favor P. J. Edmund,2016-08-24 In Failure Did Me A Favor PJ Edmund critically and analytically traces and examines the turbulent life of Joseph and witnesses the steps the stages and phases of his life It underscores how life will not always present success as we view it but life itself is a gift to be used for success It also examines the unconventional and even mysterious ways that God allows dreamers to gain and grow in wisdom knowledge and understanding through both great opportunities and great disappointments What is success what does it look like when we get there Simply stated it is the lessons learned risking failure No other account brings these lessons into focus more than the life journey of the eleventh son of Jacob the dreamer Joseph
