Man Enough Frank Pittman,1994-10-01 How does a boy learn to be a man A man learns masculinity primarily from his father But generations of boys who grow up without caring fathers or male mentors to emulate are left to guess what men are really like They rely on cultural icons larger than life images as models of masculinity As a result they grow up mirroring overblown myths of manhood Obsessed with being man enough they become philanderers controllers and competitors constantly overcompensating for their loss of a true role model yet sorely unprepared for family life In *Man Enough* psychiatrist and family therapist Frank Pittman explores what it is like to grow up male today With great poignancy humor and candor he weaves together case studies from his practice examples from literature and films plus personal vignettes from his own experiences as a father to examine these hyper masculine men and to illustrate how they developed and how they can change Dr Pittman asserts that men can move past proving their masculinity and start practicing it by striving with the other guys rather than against them achieving equality and intimacy with their mates and by fathering A man raises himself as he raises children and learns to understand and forgive his parents as he becomes one An important book for men and women *Man Enough* offers a new approach to issues of commitment caring and control and creates a positive model for the fathers of tomorrow s men

The Responsibility of Manhood Jeffrey Bernard Bowens as Bs Msm,2019-10-07 The purpose of this book is to help men find direction in life To serve as a guide to the young men who do not have a father figure in their life When we are not careful we may take the wrong turn in life The wrong turn could be the difference between life death failure or success We follow a day by day journey praying to strengthen our relationship with GOD Men are created in the image of GOD Sometimes as men we seem to forget what is important What is important is our health family and fatherhood GOD wants us to believe in him and serve while helping others believe in him So many people are in doubt and have given up on their dreams The life they have lived and the things that happen around them cause them to lose faith We must have faith even when it seems that what we are seeking is impossible So many people miss out on their dreams because they don t have faith We are images of GOD and through him everything is possible Never believe there is something in life you can t accomplish Our values and accomplishments in life set the direction for young boys growing up Boys model themselves after their fathers What they see their fathers do is what helps develop their manhood For example if the father is loving supportive and kind around the boy then the behavior will be recognized and the boy usually models the same behavior We pray for GOD to give us the strength to make the right decisions We pray so that as men although we are

not perfect can set a good example for young men Finally we pray for changes to occur in our lives so we can develop a relationship with GOD Men are supposed to provide and protect the family Today s men are not playing their roles as fathers and husbands So many men feel they are not doing what is expected of them because of the society Times have changed and life is a lot more difficult to live Remember If you don t run into difficult obstacles then you won t learn anything The brain must be unlocked and the more you learn the more knowledge you possess Remember never put a limitation on how far you can go in life because through hard work you can accomplish great things For example the soul is as important to a body as DNA is to a cell Without the soul the body will not function just as a cell cannot function without DNA Remember that through God we can do all things and he is always on our side Never doubt yourself in any circumstance because you are a child of God
