Ebook Online Genesis 11 Creation MacArthur Studies:

Genesis 1 to 11 John F. MacArthur, 2015-12-01 The first eleven chapters of the book of Genesis hold the keys to the beginning but not so much as a history of the world or of the human race but as a history of God's love, grace and promise to his creations. In this study, pastor John MacArthur will guide you through an in-depth look at the creation story and some of our earliest interactions with each other and with our Creator. From the first murder to the first covenant, this study includes close-up examinations of Adam, Eve, Cain, Abel, and Noah, as well as careful considerations of doctrinal themes such as The Fall of Man, and Heritage and Family. It's from this point that you'll find your footing to understand the rest of the Bible more easily. So much happens in these first eleven chapters they need their own study. **ABOUT THE SERIES** The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur. Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates extensive but straight-forward commentary on the text. Detailed observations on overriding themes, timelines, history and context. Word and phrase studies to help you unlock the broader meaning and apply it to your life. Probing interactive questions with plenty of space to write down your response and thoughts.

Genesis 12 To 33 John F. MacArthur, 2015-12 Abraham is known as the father of Israel because God appeared to him and promised that his descendants would become a great nation. Yet Abraham is much more than the patriarch of a select group of ancient people. Through Abraham's descendants, God's own Son, Jesus, was born. Abraham is the father of all God's people. In this study, John MacArthur guides readers through an in-depth look at the historical period beginning with Abraham's call from God, continuing through his relocation in the land of Canaan, and concluding with the story of his grandsons, Jacob and Esau. This study includes close-up examinations of Sarah, Hagar, Ishmael, and Isaac, as well as careful considerations of doctrinal themes such as Covenant and Obedience, and Wrestling with God. The MacArthur Bible Studies provide intriguing examinations of the whole of Scripture. Each guide incorporates extensive commentary, detailed observations on overriding themes, and probing questions to help you study the Word of God with guidance from John MacArthur.

The Battle for the Beginning John F. MacArthur, 2005-03-20 The battle lines have been drawn. Is the enemy winning? Thanks to the theory of evolution, writes best-selling author John MacArthur, naturalism is now the dominant religion of modern society. Less than a century and a half ago, Charles Darwin popularized the credo for this secular religion. Naturalism has now replaced Christianity as the main religion of the Western world, and evolution has become its principal dogma. Many Christians who claim to believe that the Bible is God's revealed truth seem willing to allow modern scientific theories to replace the Genesis account of creation. Such compromises present a conspicuous danger. Bible teacher and pastor John MacArthur believes that in Genesis 1-3 we find the foundation of every doctrine that is essential to the Christian faith, the vital underpinnings for everything we believe. **The Battle for the Beginning** draws a clear line on today's theological landscape. Everything in Scripture that teaches about sin

and redemption assumes the literal truth of the first three chapters of Genesis If we wobble to any degree on the truth of this passage John MacArthur insists we undermine the very foundations of our faith **1 Kings 1 to 11, Proverbs, and Ecclesiastes** John F. MacArthur,2016-03-29 Solomon is known as the wisest man who ever lived His writings in the Old Testament range from practical pithy proverbs to beautiful romantic poetry and all are filled with his knowledge and insights Yet behind those writings stood a flawed man who was conflicted between deep wisdom and tragic folly Sadly the king who warned against so many sins did not follow his own advice and he wound up leading Israel into idolatry Nevertheless his life and writings provide valuable lessons for us today in the twenty first century In this study pastor John MacArthur will guide you through an in depth look at the historical period beginning with Solomon s ascent to the throne and continuing through his tragic end Studies include close up examinations of the vital importance of wisdom with portraits of the wise woman the foolish sluggard and others in the book of Proverbs and careful considerations of doctrinal themes such as True Wisdom from God and A Time for Everything ABOUT THE SERIES The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates Extensive but straight forward commentary on the text Detailed observations on overriding themes timelines history and context Word and phrase studies to help you unlock the broader meaning and apply it to your life Probing interactive questions with plenty of space to write down your response and thoughts **Genesis 34 to 50** John F. MacArthur,2015-12-01 Nearly half of the book of Genesis is devoted to the lives of Jacob and his twelve sons who were important figures in the history of Israel and in God s plan for redemption The account of their lives takes the term dysfunctional family to a new level but God used this flawed clan as a beautiful canvas to portray His providence judgment and mercy In this study pastor John MacArthur will guide you through an in depth look at the historical period beginning with Jacob s first encounter with Rachel continuing through their son Joseph s captivity as an Egyptian slave and concluding with the dramatic rescue of Jacob s family This study includes close up examinations of Dinah Jacob s daughter Judah Tamar and Pharaoh s chief butler as well as careful considerations of doctrinal themes such as The Sovereignty of God and Finishing in Faith ABOUT THE SERIES The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates Extensive but straight forward commentary on the text Detailed observations on overriding themes timelines history and context Word and phrase studies to help you unlock the broader meaning and apply it to your life Probing interactive questions with plenty of space to write down your response and thoughts 1, 2, 3 John and Jude John F. MacArthur,2016-06-28 In the face of false teachings about Jesus the apostle John took a direct approach I heard Jesus speak he wrote I saw him I even touched him Just as we would write about someone we knew and loved John told the early believers the truth about the Savior But he didn t let

them off the hook without an examination of their lives Pastor John MacArthur will take you through these short but impactful letters passage by passage so that you can better understand their message of forgiveness how to uphold a biblical faith and the real dangers of spiritual warfare John was not alone in his concern about the influence of false teachers in the early church Jude a half brother of Christ also wrote to the believers In his letter he firmly urged all believers to fight for truth and encouraged all followers of Jesus to stand firm in the faith ABOUT THE SERIES The MacArthur Bible Study series is designed to help you study the Word of God with guidance from widely respected pastor and author John MacArthur Each guide provides intriguing examinations of the whole of Scripture by examining its parts and incorporates Extensive but straight forward commentary on the text Detailed observations on overriding themes timelines history and context Word and phrase studies to help you unlock the broader meaning and apply it to your life Probing interactive questions with plenty of space to write down your response and thoughts

MacArthur, 2020-11-17 The events that occur in the book of Job present readers with a profound question Why do the righteous suffer Although a direct answer to this question seems important the book of Job does not set forth such a response Job never learned the reasons for his suffering In fact when God finally confronted Job he could only put his hand over his mouth and say nothing His silence underscores the importance of trusting God's purposes in the midst of suffering because suffering like all other human experiences is directed by perfect divine wisdom In this study pastor John MacArthur will guide you through an in depth look at the defining themes and interpretative challenges in Job
