Before and After Muhammad Garth Fowden, 2013 **The Miracle of Muhammad** Mushir Hosain Kidwai, 1906 **Did Muhammad Exist?** Robert Spencer, 2014-04-08

Are jihadists dying for a fiction Everything you thought you knew about Islam is about to change Did Muhammad exist It is a question that few have thought or dared to ask Virtually everyone Muslim and non Muslim alike takes for granted that the prophet of Islam lived and led in seventh century Arabia But this widely accepted story begins to crumble on close examination as Robert Spencer shows in his eye opening new book In his blockbuster bestseller **The Truth about Muhammad** Spencer revealed the shocking contents of the earliest Islamic biographical material about the prophet of Islam Now in **Did Muhammad Exist** he uncovers that material s surprisingly shaky historical foundations Spencer meticulously examines historical records archaeological findings and pioneering new scholarship to reconstruct what we can know about Muhammad the Qur an and the early days of Islam The evidence he presents challenges the most fundamental assumptions about Islam s origins **Did Muhammad Exist** reveals How the earliest biographical material about Muhammad dates from at least 125 years after his reported death How six decades passed before the Arabian conquerors or the people they conquered even mentioned Muhammad the Qur an or Islam The startling evidence that the Qur an was constructed from existing materials including pre Islamic Christian texts How even Muslim scholars acknowledge that countless reports of Muhammad s deeds were fabricated Why a famous mosque inscription may refer not to Muhammad but astonishingly to Jesus How the oldest records referring to a man named Muhammad bear little resemblance to the now standard Islamic account of the life of the prophet The many indications that Arabian leaders fashioned Islam for political reasons Far from an anti Islamic polemic **Did Muhammad Exist** is a sober but unflinching look at the origins of one of the world s major religions While Judaism and Christianity have been subjected to searching historical criticism for more than two centuries Islam has never received the same treatment on any significant scale The real story of Muhammad and early Islam has long remained in the shadows Robert Spencer brings it into the light at long last

Muhammad the Prophet Par Excellence & the Divine Origin of the Qur'an Muhammad Aslam, 2018 **The Princess of Egypt and That Mysterious Prophet** Imad Hassan, 2007

The continuous political hostilities between the West and Muslim world made many people forget the fact that the three big faiths of mankind Judaism Christianity and Islam have originated in the house of Abraham and they share grounds greater than the differences between them This book provides a positive approach to the family relationship between the children of Ishmael Arabs and their cousins the children of Israel It approves from Islamic point of view the divine origin of Judaism and Christianity as well as it places the last Prophet Mohammed in his natural place in the house of Abraham based on the many prophesies referring to his forthcoming in the Torah Psalm and the Gospels It is an intellectual constructive approach to the philosophy of comparative religion *The Theology Of Time - The Secret of Time* Elijah Muhammad, 2008-11-06

The Theology of Time is a 20 lecture book The lecture series ranged from June

thru October 1972 It wasn't uncommon to either hear him on radio broadcasts or one of his ministers Having been prohibited to speak by Allah up to this point this represented a significant occasion Elijah Muhammad covered a wide and comprehensive overview of his entire program concepts and lessons This is by far the most wide ranging example of his teaching Many of the subjects he taught was scattered over the entire period which is why in this direct transcribed version is made available thus leaving the subjects in the exact order the Messenger taught them There is also a subject Indexed version which grouped the subjects together instead of leaving them scattered see ISBN 1884855628 Both are complete
