Teacher as Researcher: Action Research by Elementary Teachers Jay Feng, 2012-12-21 A collection of action research reports by elementary classroom teachers

Quality of Life Outcomes in Clinical Trials and Health-Care Evaluation Stephen J. Walters, 2009-09-10 An essential up to date guide to the design of studies and selection of the correct QoL instruments for observational studies and clinical trials

Quality of Life QoL outcomes or Person Patient Reported Outcome Measures PROMs are now frequently being used in randomised controlled trials RCTs and observational studies

This book provides a practical guide to the design analysis and interpretation of studies that use such outcomes

QoL outcomes tend to generate data with discrete bounded and skewed distributions

Many investigators are concerned about the appropriateness of using standard statistical methods to analyse QoL data and want guidance on what methods to use

QoL outcomes are frequently used in cross sectional surveys and non randomised health care evaluations

Provides a user friendly guide to the design and analysis of clinical trials and observational studies in relation to QoL outcomes

Discusses the problems caused by QoL outcomes and presents intervention options to help tackle them

Guides the reader step by step through the selection of appropriate QoLs

Features exercises and solutions and a supporting website providing downloadable data files

Illustrated throughout with examples and case studies drawn from the author's experience

this book offers statisticians and clinicians guidance on choosing between the numerous available QoL instruments

Advances in Library Administration and Organization Delmus E. Williams, Janine Golden, 2010-11-08 Provides a body of research literature that contributes to the base of organizational theory upon which library administrators rely

This title covers a variety of topics relating to the management of academic and public and school libraries

The Ultimate Atlanta School Guide 2004 Atlanta Journal-Constitution, The, David A. Milliron, 2004

The Impact of Mentoring African American Middle Grade Males Linda W. Washington, 2012-10-12 This insightful book gives suggestions on increasing academic rigor of the middle school male student

increasing consistent student attendance and decreasing discipline referrals

This book gives situational examples and possible suggestions to help single parents teachers administrators board members and the male student to overcome obstacles to be successful

Washington believes that bonding should initially take place early in the relationship of the teacher to student and student to teacher

Much like a client coming to a store for specific items the store owner has to get to know his customer in order to effectively serve this individual for continued customer satisfaction

The same principles apply for teachers getting to know their students

Oftentimes this notion is not developed because of constant new initiatives being introduced to teachers without lasting results

Hence mentoring of students can eliminate many problems schools face

Using the suggestions offered in this book will cause increase academic performance and attendance while decreasing discipline referrals tremendously
