Monika Pavlickova, 2020-03-18 Apply the power of MAGICAL WORDS to improve your health and lose weight fast WARNING Cookie cutter weight loss advice is at epidemic proportions Case in point The world is fatter than ever before despite the books shelves bulging with diet advice Most guys have no idea that a major obstacle to you having a slim and toned body is in what you think speak and eat This problem is made 100X worse by all the fad diets and crash weight loss programs out there low carb ketogenic etc This is a huge problem because everybody responds to nutrition differently Odds are 90% that any particular program will only make you flabbier and pastier I created a simple combination of MAGICAL WORDS called SWITCHWORDS that will solve this problem The words we speak our beliefs actions visions contribute to the reality we create If you would like a different reality then you have to start by changing the WORDS you speak every day Let me briefly tell you my story My ex boyfriend was a tall handsome ex air force military who became a devil s advocate He sold his soul to a devil to become a movie star He was willing to do anything possible to become one of the movie stars He was a gym junkie and control freak As a result of that he was pushing me to lose weight and be in shape too I tried every diet on the planet joined the gym took slimming pills but nothing really worked for me My partner used to put too much pressure on me regarding my weight and appearance My self esteem went down the hole and my depression was getting worse and worse I didn t feel good and beautiful enough anymore I was in my 20s and spent most of my time fighting my own nature I was trying to be just like every superstar that I admired killing myself in the process For several years my mantra was Massive ACTION solves every problem Which was just

incredibly stupid because MASSIVE action without a great strategy only gives you more problems Your efforts create work that is unfocused and dissipates your energy I spent thousands of hours sweating in the gym throwing money out of the window by trying every diet on the planet and getting more fat and ill during the process I constantly put myself in situations where my greatest strengths got shoved in the closet and my weaknesses were on display for all to see including my increased weight all day long I had nobody to turn to so I turned to alcohol and junk food for help to soothe the pain I went through a mental breakdown and wanted to commit suicide many times I had no hope and didn t know how to get out of the black magic spell One morning when I woke up in pain and covered in blood and emotionally spiritually and physically depleted with broken glass on the floor I knew something is gotta change NOW I couldn't get up and passed out I started to see the light at the end of the tunnel when I saw the flashing light of the ambulance Who did that I DID Who does that YOU DO Up to your eyeballs in debt overweight and bleeding HEART Just to tell your family you are in a relationship and own a business The Bloodsucking Monster my ex fiance gave me a red DIAMOND ring I called it a blood diamond Because I knew every bit of the blood sweat and tears it took to be in that relationship He would twist that ring around my finger the whole time he leered at me and talked down to you His stone face a steely glare that could kill a spider on the spot I lived with my neck under the Monster's boot until the day I discovered and applied the secrets mentioned in this book SWITCHWORDS for Health and Weight Loss and my other books REALITY CREATION SECRETS and SWITCHWORDS MIRACLES Spending thousands of pounds on the weight loss diets did not work Applying ancient knowledge from my books and choosing my own preferred reality did work In 21 days I went from 100 pound GORILLA to Cinderella with a little effort and easy strategy I started applying SWITCHWORDS Create Your Reality: The Secret To Quantum Shifting Trey Colley, In Create Your Reality The Secret To Quantum Shifting by Trey Colley unlock the power of your mind to shape your world Dive into quantum physics the Law of Attraction and harness your thoughts and intentions to manifest your dreams With practical exercises and real life success stories this book is your guide to personal transformation relationships health career and spirituality Take control of your destiny overcome challenges and create a life filled with abundance and purpose Start your journey to a reality beyond your wildest dreams today Reality Creation Secrets!
