An Internet for the People Jessa Lingel, 2022-06-14 How craigslist champions openness democracy and other vanishing principles of the early web Begun by Craig Newmark as an e mail to some friends about cool events happening around San Francisco craigslist is now the leading classifieds service on the planet It is also a throwback to the early internet The website has barely seen an upgrade since it launched in 1996 There are no banner ads The company doesn t profit off your data *An Internet for the People* explores how people use craigslist to buy and sell find work and find love and reveals why craigslist is becoming a lonely outpost in an increasingly corporatized web Drawing on interviews with craigslist insiders and ordinary users Jessa Lingel looks at the site s history and values showing how it has mostly stayed the same while the web around it has become more commercial and far less open She examines craigslist s legal history describing the company s courtroom battles over issues of freedom of expression and data privacy and explains the importance of locality in the social relationships fostered by the site More than an online garage sale job board or dating site craigslist holds vital lessons for the rest of the web It is a website that values user privacy over profits ease of use over slick design and an ethos of the early web that might just hold the key to a more open transparent and democratic internet

Marina Girl Heather Joy Hampton,2011-04-29 Olivia Michaels knew she was embarking on an adventure when she moved to San Francisco but she had no idea her address would label her a social pariah commonly referred to as a Marina girl The Marina girl is a stereotype of a preppy generic young woman who lives in the tiny neighborhood known as the Marina You need to know about the history of the Marina to understand how and why the Marina girl developed into the albatross of San Francisco After the 1906 earthquake the city pushed all the ashes and rubble north down the steep hills of Pacific Heights creating a landfill adjacent to a former pasture that later became the Cow Hollow neighborhood Hundreds of Mediterranean style homes were constructed in the 1920s on land that jiggled better than Bill Cosbys Jell O when the 1989 earthquake hit Most of the longtime residents moved away leaving yuppie youngsters perhaps less aware of their own mortality to take over the neighborhood Twenty years later the Marina is the playground for San Franciscos worst nightmare otherwise known as the Marina girl
