**Hijacking Jesus** Jason Jimenez, 2023-09-12

Progressives have fabricated a new Jesus so different from the real Savior that their faith can hardly be called Christianity. Progressive Christian leaders have abandoned the resurrected Savior of historical Christianity radically reinterpreting Him as a Jewish mystic or a man of God devoid of divine claims and miracles. In the postmodern era remaking Jesus has become a deadly temptation. The modern Jesus of progressives supposedly friendlier and more accepting than the Savior we know from the Gospels is gaining popularity and acceptance among self-identified Christians. But they don't realize that progressive Christianity rejects the biblical revelation of Jesus Christ, the Word made flesh. Hijacking Jesus addresses perennial questions about the nature of Christ and his teaching, testing the historical and theological accuracy of progressive Christians. Their Jesus is simply no match for the reliability of the four Gospels, which are the most credible historical sources for Jesus's life, teachings, miracles, death, and resurrection. Christians can accept no substitute for the witness of the Gospels and the theological doctrines of the church that Jesus Christ is Lord and Savior.

**Jesus, the One and Only** Beth Moore, 2013-03

Bestselling author Moore's thoughtful study of Jesus based on the book of Luke gives readers a fresh and in-depth look and God's one and only son.

*Signs of the Second Coming of Jesus Christ and the End of the World* Steve Urick, 2009-08

One of the most interesting topics in the Bible is the doctrine of the Second Coming of Christ. God has not left us in the dark concerning the details of Christ's future coming but has given us several clear prophetic signs to watch for. Signs of the Second Coming of Jesus Christ and the End of the World looks at key events the Bible says will lead to the glorious return of the Lord Jesus at the end of the age. If you ever wondered why the world is the way it is and where it is headed, then you need to read this book. Whether you are a Christian or not, this revealing work will give you the vital information you need to prepare for what may come in the near future and for eternity itself. This book gives much historical information, compares worldviews, and provides several charts for a better understanding of historical developments.

**Desire for God and the Things of God** Wyndy Corbin Reuschling, 2012-09-21

For many Christians, spirituality and ethics are in separate mental and experiential compartments. Spirituality may be understood as an inner experience while ethics is focused on decisions or positions on issues. Both of these views reduce spirituality and morality in Christian faith and practice and ignore the centrality of desire for God and the things of God as key focal points for spiritual and moral formation. These aspects of Christian formation must be located in their scriptural and theological contexts in order to understand more fully what God desires for human life. This focus on desire provides content and context to Christian spirituality and morality. We are drawn outward to focus on God and the good of others while we learn to embody

virtues such as compassion courage self control gratitude humility and hope Practices are crucial ways by which we learn to incarnate our ultimate desire of love for God and for what God desires in the pursuit of justice and goodness for all creation In so doing practices enable us to more fully integrate spiritual and moral growth in the processes of our desire for God and the things of God     **Texts for Preaching: Year B** Walter Brueggemann, Charles B. Cousar, Beverly Roberts

Gaventa, 1993-01-01 This book is based on the New Revised Standard Version of the Bible this unique and comprehensive resource a single volume that provides resources for an entire year of sermons offers practical help to preachers and others involved in the Lectionary     *Never Never Never Give Up!* Sandra Brewer Gross, 2016-11-29 Take a man beaten and discarded as worthless as a child homeless as an adult living on the streets in prison finding relief in drugs and alcohol until he meets Jesus Meet Cindy Graves Gainey his wife who never stopped praying for her husband to come to know Jesus Christ as his Saviour Through the good times and the hard times she never Never NEVER gave up believing for Ed's salvation and deliverance from drugs and alcohol A valiant woman of God And now they are both standing on the Word of God as Ed battles Stage 4 cancer with an unknown primary In 2013 Ed was given one to three years to live It is now 2015 and he is still praising God knowing that God has a plan for him Psalm 84 What is man that You are mindful of him and the son of man that You care for him     **The "R" Father** Mark Hart, 2010-04-01 How often do we view the Our Father only as a series of

petitions rather than as a way to the heart of our heavenly Father Popular Catholic author Mark Hart says that the prayer Jesus gave us is a reactionary prayer one that calls for a response from us As he reflects on each of the words and phrases of the Our Father he emphasizes the intimate relationship that God desires to have with us Each of the fourteen ways Hart suggests for responding to the Lord's Prayer begins with the letter R from remembrance to repentance to reliance to resolve This book will give readers a new appreciation for this profound yet simple prayer as well as a deeper understanding of the love that our Father pours out on us his children Informal and engaging style will appeal to both younger and older Catholics Makes a thoughtful Confirmation gift     **Unraveling the Family History of Jesus** Steven Donald Norris, 2016-01-11

Unraveling the Family History of Jesus approaches Jesus as an historical figure and sheds light on the details of the settings the circumstances and the context in which His family lived Steven Donald Norris drawing upon a wide array of sources brings to this work an historian's sensibility of the broad sweep of events and a genealogist's eye for capturing the fine nuances that make a family's own story unique Typical theological treatments of Jesus tend to regard Him as the Messiah because the New Testament identifies Him as a son of David Unraveling the Family History of Jesus digs into the background and lineage of Jesus and by uncovering the setting in life *Sitz im Leben* of His family shows precisely how Jesus was a son of David and how He by right ought to be acclaimed King of the Jews In addition this work documents the connections tying Jesus's extended family to several historical figures who played prominent roles in the destruction of Jerusalem Norris work provides fresh insights that arise from meticulous reexaminations of existing historical sources It traces the family ties

binding Jesus's forebears and His extended family to one another and to Jesus Himself and tells how this family's influence changed the course of human history      *Journey Through Hebrews* Robert M. to learn the rules and methods that have been proven to work spiritually against a ruthless spiritual opponent Liberals know full well that they are fighting for the soul of our nation We need to realize that the soul they are fighting for is the complete corruption and loss of the Godly soul our founding fathers tried to establish for our nation It not only presents the problem but also provides the solution to our problem and the promise that the problem of ungodliness in our culture can be reversed Godliness can be restored We are also fighting for the soul of our nation It is NOT the same soul that the Liberals are trying to preserve They have corrupted our nation by deception We can restore the national soul they corrupted with the truth
