Ash,2015-07-14 How God reveals himself is an important matter for Christians especially evangelicals For too long Carisa Ash contends evangelicals have rightly affirmed that God reveals through the created world but then they functionally neglect such revelation In this monograph Ash offers a corrective to this practice by presenting a theology of revelation that explores the commonalities between various forms of revelation world written and spoken word and Incarnate Word Particularly aimed at theologians interested in theological method Ash s study will also benefit people interested in faith and learning or interdisciplinary integration Ash argues that evangelicals must strive to align more closely their affirmations and their practice Her critique of current practices in theological method and integration along with the proposed theology of revelation are designed to help move the conversation forward **Mission Strategy in the City** Enoch Jinsik

Joy Tira,Damples Dulcero-Baclagon,Lorajoy Tira-Dimangondayao,2024-05-21 Hope and Hospitality for Migrating People Never have so many people left their homes and migrated to other parts of the world as we ve seen in recent years This

phenomenon creates as many opportunities as challenges We are witnessing a massive increase in urbanization pluralization multiculturalism and interfaith dialogue What are the implications for the church as it tries to reach the nations Tides of Opportunity brings together experts from diverse backgrounds to consider the practical significance of this mass migration The reasons for these population movements are as varied as the people Sadiri Joy Tira explores several causes like military conflict economic hardship and natural disasters The contributors not only explain such trends but suggest possible ways to engage with diaspora neighbors Through case studies this volume also examines lesser known dynamics such as sex trafficking and the movement of immigrants to rural areas This book challenges us to find more creative and integrated mission strategies for effectively reaching out to the various peoples on the move with the gospel How will you respond to the tides of opportunity

Community That Is Christian Julie A. Gorman, 2002-06-01 Over the past thirty years there has been a boom in small groups both in society at large and within the church From Bible studies to MOPS to Alcoholics Anonymous it is estimated that four out of ten Americans belong to a small group that meets regularly for the care and support of its members But are these groups creating true biblical community or do they settle for self focus and personal gain Julie Gorman has studied small groups for decades and presents her analysis insights and suggestions in *Community That Is Christian* an essential resource for building community in church based small groups This comprehensive book serves both as a text for those who equip leaders or lead small groups and as an interactive manual for small group members helping them transform their relationships into Christ centered community The book begins with biblical support for coming together contrasting it with our often individualistic mind set that undermines community Gorman then sets forth the goals of community and describes the process of transformation She draws from extensive research to address the why and the how of small group ministry giving special attention to gender and cultural distinctions *Community That Is Christian* provides readers with charts discussion questions and inventories to further help them establish community within their small groups

*Spirit Empowered Preaching* Mozart Dor PhD, 2020-11-24 Although there are several preaching books today there are only handfuls if any that address the centrality of the Holy Spirit in preaching A hindrance to preaching in the twenty first century is over intellectualization of the Gospel After receiving a Doctor of Philosophy Degree in Preaching I thought I was now ready to prepare and preach an effective sermon that will draw any audience to Christ I told myself I am ready I have attained and I

can double the size of any given church with my vast knowledge on preaching Little did I know that my degrees from the best schools around the world were not sufficient to preach the whole counsel of God's Word I have come to realize that clever persuasions of men do not change lives The name of Jesus through the power of the Holy Ghost does The secret ingredient in preparing and preaching Spirit empowered messages is the power of the Holy Spirit Ministers of the Gospel must not depend upon natural means to produce supernatural results but must use supernatural means to produce supernatural results Paul said to the Thessalonians Our gospel did not come to you in word only but also in power and in the Holy Spirit and in much assurance 1 Thess 1:5 The church is in desperate need of revival Sinners are urgently in need of the Savior and only the Spirit of God can convict sinners of their sins and bring revival to the nations Consequently the goal of this book is not to produce another great preaching book but to help students and ministers prepare and present effective Holy Spirit empowered sermons to their audience The book seeks to instruct readers on the importance of the Holy Spirit in preaching the Word of God while laying the foundational building blocks of effective preaching This book is for both beginning ministers who are just starting ministry and for veteran ministers who would like to brush up on their preaching and teaching skills in order to become better Spirit empowered ministers of the Gospel May God bless you and speak mightily through you with clarity urgency fervency and power as you endeavor to preach Spirit empowered messages to a dying generation

A Hybrid World Sadiri Joy Tira, Juliet Lee Uytanlet, 2020-05-15 Linking Blending Intermixing with Divine Purpose People are on the move As individuals and people groups are constantly migrating the unreached have become part of our communities This reality provides local Christ followers with the challenge and opportunity of navigating both the global diaspora and mixed ethnicities A Hybrid World is the product of a global consultation of church and mission leaders who discussed the implications of hybridity in the mission of God The contributors draw from their collective experiences and perspectives explore emerging concepts and initiatives and ground them in authoritative Scripture for application to the challenges that hybridity presents to global missions This book honestly wrestles with the challenges of ethnic hybridity and ultimately encourages the global church to celebrate the opportunities that our sovereign and loving God provides for the world's scattered people to be gathered to himself

*When God Is Silent* John Koessler, 2023-08-09 For Christians one of our earliest lessons and greatest gifts is learning how to pray And yet many of us believe our prayer lives fall short In *When God Is Silent* John Koessler reassures us that this has nothing to do with motivation or method Our problems are relational and recognizing this is the first step to having a better prayer life Prayer is a conversation that moves primarily in one direction from the believer who prays to the God who hears If God appears silent that does not mean that he is unresponsive We always have God's attention This book does more than answer questions like how and why we should pray it also invites us to gain a sense of God of his goodness and the rich welcome that is waiting for us every time we approach him in the name of Jesus Christ
