Transform Your Life with NLP: Teach Yourself Paul Jenner, 2010-08-27 Transform Your Life with NLP gives you the motivation and the tools you need to change any or every aspect of your life Use the NLP mindset to program your subconscious and you will be able to improve anything from sporting success to work performance You can also use NLP to boost your self esteem and to find resilience at times of stress or pressure You don't need to be an expert or even to have any experience of NLP and a tailored 2 week program at the end of the book will ensure you reach all your goals and help you to set new ones Featuring self assessment exercises write in review areas and other learning materials that really work this book has the power to change your life

Microsoft FrontPage 2002 Unleashed William R. Stanek, 2001 A thorough detailed guide to fully exploiting all the power of FrontPage 2002 written for the experienced Web developer

Essential German Grammar: Teach Yourself Jenny Russ, 2011-11-25 Is this the right book for me Want to get more out of your study of German Essential German Grammar is an up to date introduction to German grammar You don't need to know a lot about grammar before you start Everything is explained simply and there are lots of examples to illustrate each point Unlike more traditional grammars Essential German Grammar is structured so that you can look up language forms according to what you want to say even if you don't know the grammatical term for them If you already know some grammar then you can use the reference grammar section at the back of the book to look up the points you need The course consists of 21 units illustrating the various uses to which the language can be put for example giving instructions or talking about the recent past The more traditional reference grammar deals with grammatical structures such as the imperative or the perfect tense All grammatical terms are explained in the glossary at the back of the book Each unit contains exercises for you to practise what you have learnt and there is a key at the back of the book for you to check your answers The new page design in this edition means that the book is even easier to use and the main headings are in English so that you can find your way around the book quickly This edition contains a taking it further section which will direct you to further sources of real German

Essential German Grammar will help you to understand and manipulate German grammar with confidence because you need no prior knowledge of grammatical terminology to use it the approach is accessible and supportive the examples are clear and in context exercises help you practise every point Now in a brand new edition with new easy to follow page design and interactive online features Learn effortlessly with a new easy to read page design and interactive features Not got much time One five and ten minute introductions to key principles to get you started Author insights Lots of instant help with common problems and quick tips for success based on the author's many years of experience Test yourself Tests in the book and online to keep track of your

progress Extend your knowledge Extra online articles to give you a richer understanding of the subject Five things to remember Quick refreshers to help you remember the key facts Try this Innovative exercises illustrate what you ve learnt and how to use it
