Tan,2019-02-05 The Empowered Child is a valuable resource for conscious moms who are frustrated by a child who won't follow directions and are looking for a better way. Ever feel bad for losing control and screaming only to contend with the guilt of being mean and the madness of a child who still won't listen? After working with moms who wished life as a parent wasn't so stressful, Mary Tan shows moms how to raise a child while staying cool, calm, and collected so they can be the moms they've always wanted to be: patient, loving, and in control. The Empowered Child is an eye-opening guide detailing the way out of parenting stress so moms can take their power back without losing their cool. It reveals how to effectively coach children through life's challenges with greater ease and confidence, including the Empower Method, which takes a wholistic approach to helping moms deal with a child that is hypersensitive yet strong-willed. Ultimately, moms regain their confidence and truly enjoy being a mom again.

The Secret Sauce for Leading Transformational Change Ian Ziskin,2022-06-01 Written by a collaborative, diverse, and inclusive community of contributors and business experts, this book is about leading transformational change on an individual, team, organizational, and societal level. Most large-scale transformational change happens because of unanticipated, unaddressed, unplanned disruptions, which raise questions about what it takes to lead, survive, and even thrive in periods of transformational change. This book answers these critical questions: What do leaders who drive and sustain successful transformational change actually do? Why do we so often fail to lead and sustain transformational change? All transformation is change, but is all change transformational? This first of its kind book offers a variety of lenses and perspectives in the form of interviews, essays, and survey responses with insights from business leaders, HR leaders, coaches, consultants, academics, thought leaders, and other transformational change experts. The compilation of practical tools provides readers with a deep and diverse analysis of top-notch thinking and practices for leading transformational change. This work is fundamental to aspiring leaders, professionals, and academics who wish to learn the secret sauce for leading transformational change.

The Journey Cathy Trinh,2020-05-29 This is the real-life story of a Vietnamese-born mother, cancer survivor, and advocate for mental health who has recovered from drug use, alcohol abuse, emotional dependency, and self-abandonment. In this book, Cathy explores the hardships faced finding her place in the world as a child of refugees and the challenges faced growing up in a blue-collar immigrant household in the heart of gang-infested territory in Southern California. She explores in depth her struggles with addiction, lost loves, and deep-seated pain. She personifies strength in her own power, finding that grace, mercy, and healing can only come from true self-love. Cathy uses her painful past to tell stories of how anyone can overcome trauma to create a brighter future for themselves: one of hope, inner peace, and prosperity. As a self-proclaimed "Multi-potentialite," she is insatiably curious, not just about human potential and entrepreneurship, but spirituality, fitness, and philanthropy. Cathy is invested in efforts that better the human condition, individually and collectively.
