Get Dressed A Useful Guide To Londons Boutiques:

Get Dressed Millicent Bultitude, 1966 **Shopping and the Senses, 1800-1970** Serena Dyer, 2022-03-12 This book demonstrates the primacy of touch smell taste sight and sound within the retail landscape It shows that histories of the senses body and emotions were inextricably intertwined with processes and practices of retail and consumption Shops are sensory feasts From the rustle of silk to the tempting aroma of coffee the multi sensory appeal of goods has long been at the heart of how we shop This book delves into and beyond this seductive idyl of consumer sensuality Shopping was a sensory activity for consumers and retailers alike but this experience was not always positive This book is inhabited by tired feet and weary workers as well as eager shoppers It considers embodied sensory experiences and practices and it represents both a celebration and interrogation of the integration of sensory histories into the study of retail and consumption Crucially this book places breathing feeling human bodies back into the retail space *Waterloo Sunrise* John Davis, 2024-03-26 This is an urban history of London during the pivotal years of the 1960s and 1970s when the metropolis was transformed from an industrial city that the Victorians might have recognised to an embryonic modern world city Previous work on London in these years has tended to focus upon the 1960s in particular the Swinging London phenomenon Mary Quant Carnaby Street and the King s Road Chelsea all appear in these pages but it is argued that the swinging moment of the mid sixties was a passing symptom of a much broader transformation from an industrial to a service based city and it is that transformation which this book examines London is too complex and diverse a city to be comprehended in a simple linear narrative this book adopts instead an innovative approach to urban history by which London life and London s transformation are examined through a number of case studies looking at specific themes and areas of the city Consumerism and the experience economy home ownership and gentrification deindustrialisation and deprivation racial tension and unemployment the attrition of public services and the steady loss of confidence in public agencies national and local emerge as overarching themes from the individual case studies in this book Their combined effect it is argued was to prepare the ground for the Britain that Margaret Thatcher is usually held to have created after 1979 without Thatcher herself having anything to do it *100 20th-Century Shops* Twentieth Century Society, 2023-11-09 A showcase of Britain s most architecturally significant shops throughout the twentieth century and beyond 100 20th Century Shops is a fascinating insight into the heritage of Britain s changing high street and the diverse architectural styles of the 20th century Entries in this book showcase 100 often instantly recognisable shops from across the country from throughout the 20th century and stretching into the 21st capturing the changing architectural styles of our beloved and rapidly disappearing retail environment As the UK s retail landscape faces an existential crisis now is an appropriate time to review and celebrate the architecture of our high streets From Tudor revival department stores and futuristic supermarkets to Art Deco shop fronts and post war Festival style markets the 100 shops featured here evoke a variety of design styles and traces the history and evolution of our cherished high street The

book also contains essays by respected writers Elain Harwood Lynn Pearson Matthew Whitfield Kathryn A Morrison and Bronwen Edwards on the design development and decline of the high street over the last 100 years within a social and political context This compelling book provides a glimpse into the wonderful shops that Britain has to offer and is a must have for all fans of design history architecture and retail **The Unofficial Guide to London** Lesley Logan,2008-01-10 From the publishers of The Unofficial Guide to Walt Disney World A Tourist s Best Friend Chicago Sun Times Indispensable The New York Times Five Great Features and Benefits offered ONLY by The Unofficial Guide Over 50 detailed profiles of hotels rated and ranked for value and quality The best restaurants for every taste and budget All the details on London s attractions which ones are worth your while and how much time to budget for the must sees Money saving tips including how to get into museums for free or reduced prices and how to tour London on a double decker bus for a All the details on how to enjoy London with your kids *Not For Tourists Guide to London 2021* Not For Tourists,2020-11-10 With details on everything from Big Ben to Brick Lane this is the only guide a native or traveler needs Whether you ve called London your home for decades or just arrived last night there s information in the Not For TouristsGuide to London that you need to know This map based neighborhood by neighborhood guide will help you master this amazing city like an expert Packed with more than 150 maps and thousands of listings for restaurants shops theaters and under the radar spots you won t find a better guide to London Want to score tickets to a big Arsenal or Chelsea football match NFT has you covered How about royal sightseeing at Buckingham Palace We ve got that too The best Indian restaurant theater experience bookstore or cultural site whatever you need NFT puts it at your fingertips This light and portable guide also features An invaluable street index Profiles of more than one hundred neighborhoods Listings for museums landmarks the best shopping and more You don t need to be Sherlock Holmes to solve the mysteries of London NFT has all the answers **The Rough Guide to Vintage London** Emily Bick,Frances Ambler,Lara Kavanagh,Nicholas Jones,Rough Guides,Samantha Cook,2013-05-01 The Rough Guide to Vintage London is your ultimate guide to London s burgeoning vintage scene that is making the British capital a more exciting place to visit than ever before Whether you re into fifties fashion or seventies furnishings old fashioned beauty parlours Art Deco caf s or retro restaurants The Rough Guide to Vintage London will show you where to find the best bargains and the hippest hang outs This authoritative illustrated guide casts a discerning eye over the entire city highlighting the best of vintage London in each area It covers over 200 budget and luxury attractions from the East End hotspots of hyper cool Hoxton and Shoreditch to the eccentric emporia of the West End as well as the pick of London s markets and the classiest vintage outlets north and south of the centre all marked on full colour maps Whatever your look or interest blitz chic beehive hairdo forties screen idol rockabilly twenties flapper or Edwardian chap The Rough Guide to Vintage London will tell you where you can enjoy them to the full From Consultant Editor Wayne Hemingway and written by Francis Ambler Emily Bick Samantha Cook Nicholas Jones and Lara Kavanagh Now available in ePub format **Not For Tourists Guide to**
