## **Getting Even Forgiveness And Its Limits Getting Even Forgiveness And Its Limits:**

*Getting Even* Jeffrie G. Murphy, 2003 In this short book the author proposes that vindictive emotions anger resentment and the desire for revenge actually deserve a more legitimate place in our emotional social and legal lives than we currently recognize while forgiveness deserves to be more selectively granted

**Passions and Emotions** James E. Fleming, 2013 Throughout the history of moral political and legal philosophy many have portrayed passions and emotions as being opposed to reason and good judgment At the same time others have defended passions and emotions as tempering reason and enriching judgment and there is mounting empirical evidence linking emotions to moral judgment In *Passions and Emotions* a group of prominent scholars in philosophy political science and law explore three clusters of issues Passion Passion and Passion Dispassion Passions Emotions in Legal Interpretation This timely interdisciplinary volume examines many of the theoretical and practical legal political and moral issues raised by such questions

**The Penitent State** Paul Muldoon, 2023 This book asks a deceptively simple question what are states actually doing when they do penance for past injustices Why are these penitential gestures especially the gesture of apology becoming so ubiquitous and what implications do they carry for the way power is exercised Drawing on the work of Schmitt Foucault and Agamben the book argues that there is more at stake in sovereign acts of repentance and redress than either the recognition of the victims or the legitimacy of the state Driven it suggests by an interest in healing such acts testify to a new biopolitical *raison d'état* in which the management of trauma emerges as a critical expression of attempts to regulate the life of the population The Penitent State seeks to show that the key issue created by the age of apology is not whether sovereign acts of repentance and redress are sincere or insincere but whether the political measures licensed in the name of healing deserve to be regarded as either restorative or just

Forgiveness Anthony Bash, 2015-05-11 Many endorse the idea of personal forgiveness without fully understanding its complexity and subtlety This book is a careful and detailed theological exploration of personal forgiveness It sets forgiveness in its ancient and biblical context as well as drawing on contemporary debates among philosophers psychological therapists and international relations theorists Forgiveness is written in a clear accessible style for both the specialist and the non specialist and even the most difficult issues are clearly explained and their significance explored Anthony Bash seeks to restore forgiveness to the center of Christian doctrine and practice and to defend its place in personal and public life

*The Philosophy of Forgiveness - Volume II* Court D. Lewis, 2016-08-31 Volume II of Vernon Press's series on the Philosophy of Forgiveness offers several challenging and provocative chapters that seek to push the conversation in new directions and dimensions Volume I Explorations of Forgiveness Personal Relational and Religious began the task of creating a consistent multi dimensional account of forgiveness and Volume II's New Dimensions of Forgiveness continues this goal by presenting a set of chapters that delve into several deep conceptual and metaphysical features of forgiveness New Dimensions of Forgiveness creates a theoretical framework for understanding the many nuanced features of forgiveness

namely third party forgiveness forgiveness as an aesthetic process the role of resentment in warranting forgiveness the moral status of self forgiveness epistemic trust forgiveness s influence on the moral status of persons forgiveness in time the status of Substance and Subject within a Hegelian framework Jacques Derrida s impossible forgiveness and the use of imaginative magic to become a maximal forgiver Readers will be challenged to question and come to terms with many oft overlooked yet important philosophical dimensions of forgiveness

**The Joy of Pain** Richard H. Smith, 2013-07-02 Few people will easily admit to taking pleasure in the misfortunes of others But who doesn t enjoy it when an arrogant but untalented contestant is humiliated on American Idol or when the embarrassing vice of a self righteous politician is exposed or even when an envied friend suffers a small setback The truth is that joy in someone else s pain known by the German word *schadenfreude* permeates our society In *The Joy of Pain* psychologist Richard Smith one of the world s foremost authorities on envy and shame sheds much light on a feeling we dare not admit Smith argues that *schadenfreude* is a natural human emotion one worth taking a closer look at as it reveals much about who we are as human beings We have a passion for justice Sometimes *schadenfreude* can feel like getting one s revenge when the suffering person has previously harmed us But most of us are also motivated to feel good about ourselves Smith notes and look for ways to maintain a positive sense of self One common way to do this is to compare ourselves to others and find areas where we are better Similarly the downfall of others especially when they have seemed superior to us can lead to a boost in our self esteem a lessening of feelings of inferiority This is often at the root of *schadenfreude* As the author points out most instances of *schadenfreude* are harmless on par with the pleasures of light gossip Yet we must also be mindful that envy can motivate without full awareness the engineering of the misfortune we delight in And envy induced aggression can take us into dark territory indeed as Smith shows as he examines the role of envy and *schadenfreude* in the Nazi persecution of the Jews Filled with engaging examples of *schadenfreude* from popular reality shows to the Duke Kentucky basketball rivalry *The Joy of Pain* provides an intriguing glimpse into a hidden corner of the human psyche

*Meeting the Ethical Challenges of Leadership* Craig E. Johnson, 2017-01-10 Ethics is at the heart of leadership All leaders assume ethical burdens and must make every effort to make informed ethical decisions and foster ethical behavior among followers The Sixth Edition of *Meeting the Ethical Challenges of Leadership Casting Light or Shadow* explores the ethical demands of leadership and the dark side of leadership Author Craig E Johnson takes a multidisciplinary approach to leadership ethics drawing from many fields of research to help readers make moral decisions lead in a moral manner and create an ethical culture Packed with real world case studies examples self assessments and applications this fully updated new edition is designed to increase students ethical competence and leadership abilities

**Guilt, Forgiveness, and Moral Repair** Maria-Sibylla Lotter, Saskia Fischer, 2022-01-03 In current debates about coming to terms with individual and collective wrongdoing the concept of forgiveness has played an important but controversial role For a long time the idea was widespread that a forgiving attitude

overcoming feelings of resentment and the desire for revenge was always virtuous Recently however this idea has been questioned The contributors to this volume do not take sides for or against forgiveness but rather examine its meaning and function against the backdrop of a more complex understanding of moral repair in a variety of social circumstantial and cultural contexts The book aims to gain a differentiated understanding of the European traditions regarding forgiveness revenge and moral repair that have shaped our moral intuitions today whilst also examining examples from other cultural contexts Asia and Africa in particular to explore how different cultural traditions deal with the need for moral repair after wrongdoing

**Being Good** Michael W. Austin, R. Douglas Geivett, 2011-12-20 This volume offers a fresh timely practical look at eleven key Christian virtues faith open mindedness wisdom zeal hope contentment courage love compassion forgiveness and humility Writing from a distinctively Christian perspective the authors thoughtfully explore and explain these select virtues seeking to nurture readers in lifelong character growth and to promote the centrality of the virtues to the Christian faith Grouped under the headings Faith Hope and Love the chapters each conclude with questions for further reflection Contributors Michael W Austin Jason Baehr Rebecca Konyndyk DeYoung R Douglas Geivett David A Horner William C Mattison III Paul K Moser Andrew Pinsent Steve L Porter James S Spiegel Charles Taliaferro David R Turner

Crime and Punishment Hyman Gross, 2012-01-12 Presenting an engaging critique of current criminal justice practice in the UK and USA this book introduces central questions of criminal law theory It develops a forceful argument that the prevailing justifications for punishment are misguided and have resulted in the systematic infliction of unnecessary human misery

**Rethinking Christian Forgiveness** James K. Voiss, 2015 Is there such a thing as Christian Forgiveness Christians speak as though there is But what would it be How would it differ from forgiveness as a basic human enactment And if there is a distinctive Christian forgiveness what might it have to say to our world today To answer these questions the present work traverses three distinctive intellectual landscapes continental philosophy Anglo American moral philosophy and psychology to establish a phenomenology of forgiving before turning to contemporary Christian literature The multilayered dialogue that ensues challenges the assumptions of contemporary approaches secular and Christian and invites the reader to rethink the meaning of Christian forgiveness

*Remorse and Criminal Justice* Steven Tudor, Richard Weisman, Michael Proeve, Kate Rossmann, 2021-11-28 This multi disciplinary collection brings together original contributions to present the best of current thinking about the nature and place of remorse in the context of criminal justice Despite the widespread and long standing nature of interest in offender remorse the topic has until recently been peripheral in academic studies The authors are scholars from North America the United Kingdom Europe South Africa and Australia from diverse academic disciplines They reflect on the role of remorse in law for better or for worse on how expressions of remorse are affected by the legal contexts in which they arise and on the impact of these expressions on the individual the court and the community The work is divided into four parts Part I Judging Remorse addresses issues concerning the task of assessing remorse in the

courtroom usually prior to determining sentence Part II Remorse Beyond the Courtroom explores the place and significance of remorse in various post court settings Part III Remorse War and Social Trauma addresses remorse in the context of political violence and social trauma in the former Yugoslavia and South Africa Finally Part IV Reflections seeks to underscore the multi disciplinary and inter disciplinary nature of the collection as a whole through personal and disciplinary reflections on remorse The work provides a showcase for how diverse academic disciplines can be brought together through a focus on a common topic As such the collection will become a standard reference work for further research across a range of disciplines and promote inter disciplinary dialogue

*Just Peace* Fernando Enns, Annette Mosher, 2013-09-17 Christian theology and ethics have wrestled with the challenge to apply Jesus's central message of nonviolence to the injustices of this world Is it not right to defend the persecuted by using violence Is it unjust if the oppressed defend themselves if necessary by the use of violence in order to liberate themselves and to create a more just society Can we leave the doctrine of the just war behind and shift all our attention toward the way of a just peace In 2011 the World Council of Churches brought to a close the Decade to Overcome Violence to which the churches committed themselves at the beginning of the century Just peace has evolved as the new ecumenical paradigm for contemporary Christian ethics Just peace signals a realistic vision of holistic peace with justice which in the concept of shalom is central in the Hebrew Bible as well as in the gospel message of the New Testament This paradigm needs further elaboration VU University gathered peacebuilding practitioners and experts from different parts of the world Africa Latin America North America Asia and Europe and from different disciplines anthropology psychology social sciences law and theology voices from across generations and Christian traditions to promote discussion about the different dimensions of building peace with justice

*On Patience* Matthew Pianalto, 2016-05-31 Many of us are so busy that we might be tempted to think we don't have time to be patient However that idea involves a serious underestimation of what patience is and why it matters In *On Patience* Matthew Pianalto revives a richer understanding of what patience is and why it is centrally important in both virtue theory and everyday life Drawing from a wide range of philosophical and religious sources Pianalto shows that our contemporary tendency to equate patience with waiting fails to do justice to other aspects of patience such as tolerance perseverance and the opposition of patience to anger With this broader understanding of patience Pianalto further shows how patience supports the development of other moral strengths such as courage justice love and hope In these ways *On Patience* sheds light on Franz Kafka's remark that Patience is the master key to every situation and Gregory the Great's perhaps surprising claim that Patience is the root and guardian of all the virtues This first book length contemporary philosophical examination of patience will be of interest to students and scholars not just of virtue ethics but also of moral philosophy more broadly

*Failures of Forgiveness* Myisha Cherry, 2025-11-04 Philosopher Myisha Cherry teaches us the right ways to deal with wrongdoing in our lives and the world Sages from Cicero to Oprah have told us that forgiveness requires us to let go of negative emotions and that it has a unique

power to heal our wounds In *Failures of Forgiveness* Myisha Cherry argues that these beliefs couldn't be more wrong and that the ways we think about and use forgiveness personally and as a society can often do more harm than good She presents a new and healthier understanding of forgiveness one that will give us a better chance to recover from wrongdoing and move toward radical repair Cherry began exploring forgiveness after some relatives of the victims of the mass shooting at Emanuel A M E Church in Charleston South Carolina forgave what seemed unforgiveable She was troubled that many observers appeared to be more inspired by these acts of forgiveness than they were motivated to confront the racial hatred that led to the killings That is a big mistake Cherry argues Forgiveness isn't magic We can forgive and still be angry there can be good reasons not to forgive and forgiving a wrong without tackling its roots solves nothing Examining how forgiveness can go wrong in families between friends at work and in the media politics and beyond Cherry addresses forgiveness and race canceling versus forgiving self forgiveness and more She takes the burden of forgiveness off those who have been wronged and offers guidance both to those deciding whether and how to forgive and those seeking forgiveness By showing us how to do forgiveness better *Failures of Forgiveness* promises to transform how we deal with wrongdoing in our lives opening a new path to true healing and reconciliation

*Atonement* Eleonore Stump, 2018 The doctrine of the atonement is the distinctive doctrine of Christianity Over the course of many centuries of reflection highly diverse interpretations of the doctrine have been proposed In the context of this history of interpretation Eleonore Stump considers the doctrine afresh with philosophical care Whatever exactly the atonement is it is supposed to include a solution to the problems of the human condition especially its guilt and shame Stump canvasses the major interpretations of the doctrine that attempt to explain this solution and argues that all of them have serious shortcomings In their place she argues for an interpretation that is both novel and yet traditional and that has significant advantages over other interpretations including Anselm's well known account of the doctrine In the process she also discusses love union guilt shame forgiveness retribution punishment shared attention mind reading empathy and various other issues in moral psychology and ethics
