Goode, 2011-06-16 The Marriage Institution was not by any stretch of the imagination a human devising It was not even a cultural invention God is the creator of the Marriage Institution He created it to demonstrate His Fatherly love for the human family He also performed the first wedding ceremony in the Garden of Eden and gave it a definition as a lifelong union enjoined by two distinct individuals who are genetically identical and yet each containing within itself something lacking in the other and complimentary to each other **Erasmus of Rotterdam Society Yearbook** , 2004 **Ebony** , 1989-11 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **How To Choose Mr. RIGHT - Healthy Marriage** , **Girl Frenzs** Bridgette, 2013-03 *Girl Frenzs* is a devotional book written especially for the purpose of strengthening and empowering women from all walks of life to seek GOD where they are to be enlightened by His words and to know and understand that there are women all over the world who experience the same things that they do every day Our answer is not in ourselves but in Christ Jesus our Savior This Women s Devotional Book contains 26 examples from the author Bridgette s journey and personal relationship with GOD and his Son Jesus Christ Welome frenz to *Girl Frenzs* **Going Solo** Jean Renvoize, 2023-08-09 Originally published in 1985 this at the time controversial book explores the fundamental changes in personal relationships that had taken place over the previous decade focusing on women who had deliberately chosen to have children outside a permanent relationship After travelling widely throughout Britain the United States and Holland meeting those personally involved Jean Renvoize discusses why a growing number of women were deciding to become single mothers She discovers the implications of this for the future of the family

and for old style love and commitment between the sexes She analyses the position both of the children of these single families and of their mothers She looks at men s feelings about being used a stud and uncovers the desire of some men to have a family without being financially and emotionally involved with a long term partner Importantly Jean Renvoize places the new style of personal relationship in the context of the advance of the women s movement It is clear that ordinary and non political women s and men s lives have been more fundamentally changed by feminism than they may realise But few of the mothers interviewed by the author are actively feminist lesbians apart they all have in common past relationships with men and would happily settle with the right man could their high expectations be met Without exception all those who made the deliberate choice to go solo have loving joyful and rewarding experiences of motherhood Having a child alone has been fraught with problems for all but those who have met the challenge have found such great fulfilment that one is faced with an inevitable question are a woman and her child better off without a man When so many marriages end in divorce is a stable unit of two better than a broken unit of three But also might those without the motivation of successful solo mothers rush thoughtlessly into motherhood and find themselves exhausted broke and very unhappy Presenting in their own words the experiences of those directly involved this was above all a practical book It provided welcome and necessary insights into the changing pattern of relationships at the time for the married and unmarried for parents and non parents Today it can be read and enjoyed in its historical context
