There are also contributions on Albee's work as mentor to young playwrights. Edward Albee's *Who's Afraid of Virginia Woolf?* shocked audiences and critics alike with its assault on decorum. At base though the play is simply a love story, an examination of a long wedded life filled with the hopes, dreams, disappointments, and pain that accompany the passing of many years together. While the ethos of the play is tragicomic, it is the anachronistic melodramatic secret object, the nonexistent son that upends the audience's sense of theatrical normalcy. The mean and vulgar bile spewed among the characters hides these elements, making it feel like something entirely new. As Michael Y. Bennett reveals, the play is the same emperor just wearing new clothes. In short, it is straight out of the grand tradition of living room drama: Ibsen, Chekhov, Glaspell, Hellmann, O'Neill, Wilder, Miller, Williams, and Albee.

**Kitchen Sink Realisms** Dorothy Chansky, 2015-11 From 1918's *Tickless Time* through *Waiting for Lefty* *Death of a Salesman* *A Streetcar Named Desire* *A Raisin in the Sun* and *The Prisoner of Second Avenue* to 2005's *The Clean House* domestic labor has figured largely on American stages No dramatic genre has done more than the one often dismissively dubbed kitchen sink realism to both support and contest the idea that the home is naturally women's sphere But there is more to the genre than even its supporters suggest In analyzing kitchen sink realisms Dorothy Chansky reveals the ways that food preparation domestic labor dining serving entertaining and cleanup saturate the lives of dramatic characters and situations even when they do not take center stage Offering resistant readings that rely on close attention to the particular cultural and semiotic environments in which plays and their audiences operated she sheds compelling light on the changing debates about women's roles and the importance of their household labor across lines of class and race in the twentieth century The story begins just after World War I as more households were electrified and fewer middle class housewives could afford to hire maids In the 1920s popular mainstream plays staged the plight of women seeking escape from the daily grind African American playwrights meanwhile argued that housework was the least of women's worries Plays of the 1930s recognized housework as work to a greater degree than ever before while during the war years domestic labor was predictably recruited to the war effort sometimes with gender bending results In the famously quiescent and anxious 1950s critiques of domestic normalcy became common and African American maids gained a complexity previously reserved for white leading ladies These critiques proliferated with the re emergence of feminism as a political movement from the 1960s on After the turn of the century the problems and comforts of domestic labor in black and white took center stage In highlighting these shifts Chansky brings the real home *The Collected Plays of Edward Albee: 1958-65. **A Little Solitaire** Murray Pomerance, R. Barton Palmer, 2011 Think about some commercially successful film masterpieces *The Manchurian Candidate* *Seven Days in May* *Seconds* Then consider some lesser known yet equally compelling cinematic achievements *The Fixer* *The Gypsy* *Moths* *Path to War* These triumphs are the work of the best known and most highly regarded Hollywood director to emerge from live TV drama in the 1950s five time Emmy award winner John Frankenheimer Although Frankenheimer was a pioneer in the genre of political thrillers who embraced the antimodernist critique of contemporary society some of his later films did not receive the attention they deserved Many claimed that at a midpoint in his career he had lost his touch World renowned film scholars put this myth to rest in *A Little Solitaire* which offers the only multidisciplinary critical account of Frankenheimer's oeuvre Especially emphasized is his deep and passionate

engagement with national politics and the irrepressible need of human beings to assert their rights and individuality in the face of organizations that would reduce them to silence and anonymity
