

COLLEGE READINESS ASSESMENT

a battery of test that determines how much students have learned in basic education, their potential to succeed in college, and their interest on a particular course program.

The College Readiness Assessment is composed of an achievement, aptitude, and occupational interest inventory. The achievement is competencies in English, mathematics, and science is based on the college readiness framework. The college readiness framework states the expected competencies that a student need to posses upon finishing the K to 12 basic education program.
