

Guide to HDB Approved Dog Breeds

This is a brief visual guide of approved dog breeds for HDB apartments. It is not an exhaustive visual representation of any breed. HDB apartments are allowed only one dog of a small breed or its cross (that stands at 40cm at the shoulders and weighs 10kg or less). The SPCA advises potential dog owners to research about the pet you are planning to adopt. Knowing as much about the animal such as its temperament, history, health concerns, living requirements, etc will assist with the decision on a suitable breed to complement your lifestyle, work schedule, living space, etc.
