Doing Justice Congregations And Community Organizing:

Doing Justice Dennis A. Jacobsen, 2001-04-20 *Doing Justice* is an introductory theology of congregational based community organizing rooted in the day to day struggles and hopes of urban ministry and in the author's 14 years of personal experience in community organizing ministries Drawing from the organizing principles of Saul Alinsky Jacobsen weaves the theological and biblical warrants for community organizing into concrete strategies for achieving justice in the public arena Designed to be used by congregations and church leaders as well as by ministerial students *Doing Justice* opens new vistas for community action in support of the poor the disadvantaged and the disenfranchised of our society *Doing Justice* Craig L. Nesson, 2002

A Spirituality for Doing Justice Dennis A Jacobsen, 2021-02-02 Dennis Jacobsen brings his many years of experience doing congregation based organizing for justice into conversation with unique spiritual reflections Jacobsen has learned along the way that deeper reflection must precede organizing action He says As I age I have respect for those who faithfully enter the inner room of their soul to meet and love God Social action is messy and disruptive and noisy Jacobsen turns to his work creating and meditating on icons to connect biblical themes and Christian personalities to guide those who are preparing for congregation organizing and faith based social action His unique perspectives help anyone engaged in such work go deeper in prayer and devotion before diving into the messy work of organizing This book follows his first volume *Doing Justice Congregations and Community Organizing* in which Jacobsen explored biblical and theological reasons congregation based organizing offers a faithful way of living out the teachings of Jesus In this new volume he seeks to integrate spiritual practices reflections on iconography in particular that he claims are foundational to congregation based community organizing The book includes introductory chapters to describe his own spiritual practice around icons several chapters on different figures and what can be learned or gleaned from them as one prepares for justice work The final section provides a month long daily office for doing justice which participants may adopt in their life of prayer and faithful reflection

Doing Justice Dennis A. Jacobsen, 2017-05-01 *Doing Justice* introduces readers to congregation based community organizing rooted in the day to day struggles and hopes of urban ministry It draws from the author's decades long career of personal experience in community organizing ministries Illustrated with examples from the experience of community organizers *Doing Justice* weaves theological and biblical warrants for community organizing into concrete strategies for achieving justice in the public arena It offers sound treatment of fundamental organizing principles like power self interest and agitation and suggests ways to build and sustain an organization relate to media and corporations and strengthen ministries and empower lay leaders The second edition includes forewords by veteran pastor activists Bill Wylie Kellermann and Grant Stevensen and a new preface that notes recent changes in organizing describes needed new directions and connections and discusses the significance of new movements such as Black Lives Matter Also new is Stevensen's running conversation with Jacobsen drawing readers into deeper engagement with organizing practices Designed for use by

congregations and church leaders as well as by ministerial students Doing Justice will open new vistas for community action in support of the poor the disadvantaged and the disenfranchised of our society *A Spirituality for Doing Justice* Dennis A. Jacobsen, 2021-02-02 Dennis Jacobsen brings his many years of experience doing congregation based organizing for justice into conversation with unique spiritual reflections Jacobsen has learned along the way that deeper reflection must precede organizing action He says As I age I have respect for those who faithfully enter the inner room of their soul to meet and love God Social action is messy and disruptive and noisy Jacobsen turns to his work creating and meditating on icons to connect biblical themes and Christian personalities to guide those who are preparing for congregation organizing and faith based social action His unique perspectives help anyone engaged in such work go deeper in prayer and devotion before diving into the messy work of organizing This book follows his first volume Doing Justice Congregations and Community Organizing in which Jacobsen explored biblical and theological reasons congregation based organizing offers a faithful way of living out the teachings of Jesus In this new volume he seeks to integrate spiritual practices reflections on iconography in particular that he claims are foundational to congregation based community organizing The book includes introductory chapters to describe his own spiritual practice around icons several chapters on different figures and what can be learned or gleaned from them as one prepares for justice work The final section provides a month long daily office for doing justice which participants may adopt in their life of prayer and faithful reflection *Voices from the Borderland* Chris Shannahan, 2016-04-01 Urban theology affirms the importance of context notably the place of the city in theological reflection However it has often been confined to particular contexts or theological camps and thus failed to engage with the fluidity of contemporary urban societies *Voices from the Borderland* presents an overview of urban theology arguing that the twenty first century demands a dialogical model of theology that enacts progressive change The volume draws on studies of the multicultural and multi faith British urban experience and situates these within the wider international context The works of influential theologians in the field are examined and the dialogue between theology globalisation post colonialism postmodernism and post religious urban culture critically explored The volume is unique in bringing together urban liberation theology urban black theology reformist urban theology globalisation urban theology and post religious urban theology *The Routledge Handbook of Religion and Cities* Katie Day, Elise M. Edwards, 2020-12-30 Like an ecosystem cities develop change thrive adapt expand and contract through the interaction of myriad components Religion is one of those living parts shaping and being shaped by urban contexts The Routledge Handbook of Religion and Cities is an outstanding interdisciplinary reference source to the key topics problems and methodologies of this cutting edge subject Representing a diverse array of cities and religions the common analytical approach is ecological and spatial It is the first collection of its kind and reflects state of the art research focusing on the interaction of religions and their urban contexts Comprising 29 chapters by a team of international contributors the Handbook is divided into three parts Research methodologies Religious frameworks and ideologies in urban

contexts Contemporary issues in religion and cities Within these sections emerging research and analysis of current dynamics of urban religions are examined including housing economics and gentrification sacred ritual and public space immigration and the refugee crisis political conflicts and social change ethnic and religious diversity urban policy and religion racial justice architecture and the built environment religious art and symbology religion and urban violence technology and smart cities the challenge of climate change for global cities and religious meaning making of the city The Routledge Handbook of Religion and Cities is essential reading for students and researchers in religious studies and urban studies The Handbook will also be very useful for those in related fields such as sociology history architecture urban planning theology social work and cultural studies

Ecclesiology and Exclusion Dennis Michael Doyle, Timothy J. Furry, Pascal D. Bazzell, 2012 Ecclesiologists and other experts from around the world address various forms of exclusion in the Catholic Church These essays address the many forms of exclusion in churches around the world with a major focus on the Roman Catholic Church but also addressing exclusion in other churches Topics included are exclusion of marginal people exclusion and racial justice exclusion and gender exclusion and sacramental practices and exclusion and ecumenical reality Contributors include Paul Lakeland Gerard Mannion A E Orobator Bryan Massingale Phyllis Zagano Neil Ormerod Bradford Hinze Mary McClintock Fulkerson and Susan K Wood among others

Beyond Church Walls Dr. Richard Rouse, 2016-05-19 Pastoral care has been traditionally understood as pastoral acts administered to individuals or small groups by an ordained or lay religious practitioner As congregations in the twenty first century begin to reclaim the missional nature of church this view must be broadened to include care and concern for the needs of the larger community A missional perspective of pastoral care embraces the notion that all of Gods people not just trained professionals are called to partner in the healing and redemption of the world In Beyond Church Walls Rick Rouse sets out to articulate precisely what such an approach to pastoral care looks like and the substantial impact it can have on congregations and communities A skilled teacher and pastor with deep experience in real communities Rouse leads readers through the changing realities of the twenty first century and to new ways for missional churches to succeed in offering pastoral care for the whole community

Spreading the Wealth Stanley Kurtz, 2012-08-02 When Barack Obama told Joe the Plumber that he wanted to spread the wealth around he wasn't just using a figure of speech Since the 2008 campaign Stanley Kurtz has established himself as one of Barack Obama's most effective and well informed critics He was the first to expose the extent of Obama's ties to radicals such as Bill Ayers and ACORN Now Kurtz reveals new evidence that the administration's talk about helping the middle class is essentially a smoke screen Behind the scenes plans are under way for a serious push toward wealth redistribution with the suburban middle class not the so called one percent bearing the brunt of it Why haven't we heard more about policies that will lead to redistribution In part of course because controversies over Obamacare unemployment and the exploding budget deficit have taken the media spot light But the main reason according to Kurtz is that Obama doesn't want to tip his hand

about his second term He knows that his plans will alienate the moderate swing voters who hold the key to his reelection Drawing on previously overlooked sources Kurtz cuts through that smoke screen to reveal what's really going on Radicals from outside the administration including key Obama allies from his early community organizing days have been quietly influencing policy in areas ranging from education to stimulus spending Their goal to increase the influence of America's cities over their suburban neighbors so that eventually suburban independence will vanish In the eyes of Obama's former mentors followers of leftist radical Saul Alinsky suburbs are breeding grounds for bigotry and greed The classic American dream of a suburban house and high quality locally controlled schools strikes them as selfishness a waste of resources that should be redirected to the urban poor The regulatory groundwork laid so far is just a prelude to what's to come substantial redistribution of tax dollars Over time cities would effectively swallow up their surrounding municipalities with merged school districts and forced redistribution of public spending killing the appeal of the suburbs The result would be a profound transformation of American society Kurtz shows the unbroken line of continuity from Obama's community organizing roots to his presidency And he reveals why his plan to undermine the suburbs means so much to him personally Kurtz's revelations are sure to be hotly disputed But they are essential to helping voters make an informed choice about whether to reward the president with a second term

When Faith Storms the Public Square Kendall Clark Baker, 2011-07-29 To some the notion of mixing religious groups and community organizing may seem a pleasing prospect an idea long overdue To others it may be anathema Like it or not however this blending is a reality that has been forged in streets and meeting halls day by day from the very beginnings of our country to the present day touchstones of President Barack Obama

Religion and Progressive Activism Todd Nicholas Fuist, Rhys H. Williams, 2017-06-13 To many mainstream media saturated

Americans the terms progressive and religious may not seem to go hand in hand As religion is usually tied to conservatism an important way in which religion and politics intersect is being overlooked This book focuses on this significant intersection revealing that progressive religious activists are a driving force in American public life involved in almost every political issue or area of public concern This volume brings together contributors who dissect and analyze the inner worlds and public strategies of progressive religious activists from the local to the transnational level It provides insight into documented trends reviews overlooked case studies and assesses the varied ways in which progressive religion forces us to deconstruct common political binaries such as right left and progress tradition This book engages and rethinks long accepted theories of religion of social movements and of the role of faith in democratic politics and civic life **Shalom Church** Craig L.

Nissan,2010-08-02 Craig Nissan s important new work retrieves biblical metaphors of the body of Christ and following Dietrich Bonhoeffer sees church today as Christ existing as community To theological probing Nissan then adds contextual analysis and describes the four chief imperatives that mark Christ s presence in the world today peacemaking justice making care for creation and engagement with the other He then unfolds the real life implications of this paradigm of Christian community for the local church structure strategies for partnering public witness and interreligious engagement An

Hogan,2003-07-22 This accessible and stirring book not only introduces readers to the work of the Catholic Campaign for Human Development CCHD the domestic antipoverty and social justice program sponsored by the United States Conference of Catholic Bishops but also inspires us to service With John P Hogan as our guide we are invited to walk with those who serve and those who are served in confronting the daily reality of poverty as well as the root causes and structures that cause it Written with the skill of a journalist and the passion of a social justice reformer Credible Signs of Christ Alive highlights six exemplary CCHD funded projects that represent successful joint efforts between the working poor including whites African Americans Latin Americans and a variety of immigrant groups including Africans Asians Hispanics and Russians and the non poor Complete with case studies reflection questions suggested actions contacts and optional further reading this book tells

the story behind the poverty statistics mines the hope behind the headlines and makes real the power of faith to transform the world Engage! Dana Horrell,2019-04-02 Author Dana Horrell has called on his years of experience in community action to create this practical guide to help congregations reach out to their local communities Church leaders often want to do more to engage their community contexts but when it comes to the actual how to do it they find themselves blocked Engage provides practical and proven tools to help leaders develop methods and strategies to get started and break through these barriers These tools twenty six in all are drawn from a variety of sources including congregations church consultants researchers and nonprofit organizations Some of these tools have a long history of use and may seem quite familiar while others may seem new and untested yet intriguing These tools represent best practices and have been tried somewhere and found a degree of success **The Power of Asset Mapping** Luther K. Snow,2004-04-01 Asset mapping isn t a new system or theory It s a way of thinking a doorway into an open sum perspective rooted in the Bible and common experience The Power of Asset Mapping by long time community developer Luther K Snow shows congregational leaders how to help a group recognize its assets and the abundance of God s gifts and to act on them in ministry and mission Congregations will find the book easy to read and immediately useful Leaders can begin with the tested Quick and Simple Asset Mapping Experience to strengthen and inspire any group in the congregation in as little as an hour Further tips techniques stories and lessons drawn from the experience of diverse congregations will help readers discover how asset mapping works Finally Snow provides lessons about why asset mapping strengthens faith and community **Connecting Jesus to Social Justice** Thomas Hughson,2013-10-10 Many Christians see the societal dimension of their faith as a matter of biblical and social ethics Returning to classical Christology Connecting Jesus to Social Justice explores messianic potential in the Council of Chalcedon on the divine identity of Christ Who Jesus is makes all the difference to Christian entrance into the public sphere on behalf of a just society The Messiah s divinity bears on social mission directed toward a just social order Theological appropriation of Chalcedon overcomes a gap between the professing the Creed and interpreting social existence in light of a just social order Connecting Jesus to Social Justice argues a doctrinally traditional orthodox basis for Christian participation in the public sphere on behalf of social justice The book addresses a situation internal to churches in the U S from a Catholic perspective yet not without analogies in other churches and Christian movements Applying traditional Christology to contemporary social mission solidifies an answer to adversarial queries on the appropriateness of a social agenda Implications in the classical Christology also confirm churches and discipleship in commitment to social justice promoted through a subaltern counter public and then by word and deed in the public sphere The Cambridge Handbook of Community Empowerment Brian D. Christens,2024-04-25 Power and empowerment are critical topics for social change This handbook maps out ways that people can collectively engage with influence and change systems that affect their lives particularly the systems that maintain inequality and oppression It includes in depth examinations of a variety of approaches to building and exercising community

power in local organizations institutions and settings Each chapter examines a particular approach critically engaging with contemporary research on how and when collective action can be most effective at producing change within communities and societal systems By examining a range of approaches in diverse contexts this book provides new insights for scholars practitioners and engaged resident leaders aiming to be more precise strategic and innovative in their efforts to build and sustain community power It is the ideal resource for those working with community groups to build more just and equitable systems
