Doing Justice In Our Cities Lessons In Public Policy From Americas Heartland:

Doing Justice in Our Cities Warren R. Copeland,2009-01-01 Warren Copeland draws from his experience of more than two decades in city politics and addresses head on the issue of Christian ethics in public service Throughout he animates the discussion with numerous anecdotes from his tenure in City Hall combining examples of specific ethical issues in American cities with theological and ethical reflection Then he takes it a step further by including specific suggestions for addressing social injustice in a manner that is true to Christian faith

Lessons from the Heartland Barbara J. Miner,2013-08-06 Miner s story of Milwaukee is filled with memorable characters explores with consummate skill the dynamics of race politics and schools in our time Mike Rose author of *The Mind at Work* Weaving together the racially fraught history of public education in Milwaukee and the broader story of hypersegregation in the rust belt *Lessons from the Heartland* tells of a city s fall from grace and its chance for redemption in the twenty first century A symbol of middle American working class values Wisconsin and in particular urban Milwaukee has been at the forefront of a half century of public education experiments from desegregation and school choice to vouchers and charter schools This book offers a sweeping narrative portrait of an all American city at the epicenter of public education reform and an exploration of larger issues of race and class in our democracy The author a former Milwaukee Journal reporter whose daughters went through the public school system explores the intricate ways that jobs housing and schools intersect underscoring the intrinsic link between the future of public schools and the dreams and hopes of democracy in a multicultural society A social history with the pulse and pace of a carefully crafted novel and a Dickensian cast of unforgettable characters With the eye of an ethnographer the instincts of a beat reporter and the heart of a devoted mother and citizen activist Miner has created a compelling portrait of a city a time and a people on the edge This is essential reading Bill Ayers author of *Teaching Toward Freedom* Eloquently captures the narratives of schoolchildren parents and teachers *Library Journal*

District of Columbia Appropriations for 1996: Overview of District Government Finances ... pt. 2 Contracting and procurement practices United States. Congress. House. Committee on Appropriations. Subcommittee on District of Columbia Appropriations,1997

[Feminism, Prostitution and the State](#) Eilis Ward,Gillian Wylie,2017-02-17 This edited volume focuses on charting the rise of neo abolitionism and offering a critique of the idea its logics and consequences A model of state policy which aims to abolish prostitution through legislation Neo abolitionism criminalises the buyer of sex but not the seller It is currently law in Sweden and other Nordic states and dominates the framing of policy debates in many

other Western liberal contexts Pressure for adoption of this policy has come from radical feminists who understand prostitution and sex trafficking as a form of violence against women This volume argues that this convergence between radical feminism and state s interests arises from the emergence of on the one hand governance feminism which seeks to have its ideals implemented through top down sovereigntist means and on the other hand state s interests in legitimising stricter border controls and law enforcement responses in relation to transnational organised criminality illegal migration and security Based around a series of country case studies each chapter will explore the politics surrounding the emergence of neo abolitionism and its trajectory through those polities whether the paradigm has been adopted rejected or is still under debate The volume will be of great interest to students and scholars of Social and Public Policy Gender and Women s Studies Politics and International Relations and Critical Legal Studies Criminology *Harry Bridges* Robert W. Public Libraries, Public Policies, and Political Processes Paul T. Jaeger, Ursula Gorham, John Carlo Bertot, Lindsay C. Sarin, 2014-04-15 Drawing on two decades of original research conducted by the authors as well as existing research about the intersection of public policy political discourse and public libraries this book seeks to understand the origins and implications of the current standing of public libraries in public policy and political discourse It both explains the complex current circumstances and offers strategies for effectively creating a better future for public libraries The main message is that there is a pressing need for public librarians and other supporters of public libraries to be Aware of the political process and its implications for libraries Attuned to the interrelationships between policy and politics and Engaged in the policy process to articulate the need for policies that support public libraries The style is both scholarly and accessible to general readers with the goal of being useful to students educators researchers practitioners and friends of public libraries in library and information science It will also be usefull for those engaged in areas of public policy government economics and political science who are interested in the relationships between public libraries public policy and political processes Building upon the discussion of the key issues the book offers proposals for professional policy making and political strategies that can strengthen the public library and its ability to meet the needs of individuals and communities The discussion and analysis in the book draw upon data and real world examples from the many studies that the authors have conducted on related topics including libraries outreach to increasingly diverse service populations and efforts to meet community needs through innovative partnerships As the intersection of politics policy and libraries has grown in importance and complexity in recent years the need for a book on their interrelationships is long overdue

On Class, Race, and Educational Reform Antonia Darder, Cleveland Hayes II, Howard Ryan, 2023-03-23 On Class Race and Educational Reform provokes new dialogue between Marxists critical race theory scholars and other race inspired educational theorists with the aim of countering racism and class inequalities The book opens with a lead chapter by Howard Ryan a doctoral student with a background in teaching and labor organizing that substantively engages questions of class race and educational reform In response to the opening chapter educational theorists from Germany South Africa the UK and the USA provide insightful and penetrating responses highlighting the differences and similarities in perspectives The responses show how educators can overcome theoretical differences to create international collaborations and educational campaigns of solidarity that counter the treacherous impact of racism and class inequalities in the classroom and beyond The book includes a Foreword by Stephen Brookfield University of St Thomas USA and an Afterword by Cheryl Matias University of Kentucky USA

Justice at Work Marc Doussard, Greg Schrock, 2022-05-17 A pathbreaking look at how progressive policy change for economic justice has swept U

S cities In the 2010s cities and counties across the United States witnessed long overdue change as they engaged more than ever before with questions of social economic and racial justice After decades of urban economic restructuring that intensified class divides and institutional and systemic racism dozens of local governments countered the conventional wisdom that cities couldn't address inequality enacting progressive labor market policies from 15 minimum wages to paid sick leave Justice at Work examines the mutually reinforcing roles of economic and racial justice organizing and policy entrepreneurship in building power and support for policy changes Bridging urban social movement and urban politics studies it demonstrates how economic and racial justice coalitions are collectively the critical institution underpinning progressive change It also shows that urban policy change is driven by urban policy entrepreneurs who use public space and the intangible resources of the city to open agenda windows for progressive policy proposals incubated through national networks Through case studies of organizing and policy change efforts in cities including Chicago Seattle and New Orleans around minimum wages targeted hiring paid time off fair scheduling and anti austerity Marc Doussard and Greg Schrock show that the contemporary wave of successful progressive organizing efforts is likely to endure Yet they caution that success is dependent on skillful organizing that builds and sustains power at the grassroots and skillful policy work inside City Hall By promoting justice at and increasingly beyond work these movements hold the potential to unlock a new model for inclusive economic development in cities

Do the Crime, Do the Time G. Larry Mays, Rick Ruddell, 2012-03-09 This book provides a fresh look at the way the United States is choosing to deal with some of the serious or persistent youth offenders by transferring juvenile offenders to adult courts For more than 20 years now the attitude in some jurisdictions has been if you're old enough to do the crime you're old enough to do the time After two decades of applying this increasingly punitive mindset to juvenile offenders it is possible to see the actual consequences of transferring more and younger offenders to adult courts In *Do the Crime Do the Time: Juvenile Criminals and Adult Justice in the American Court System* the authors apply their decades of experience both in the practical world and from unique research perspectives to shed light on the influence of public opinion and the political forces that shape juvenile justice policy in the United States The book provides a fresh look at the way the United States is choosing to deal with some of the serious or persistent juvenile offenders utilizing real life examples and cases to draw connections between transfer policies and individual outcomes

Encyclopedia of Juvenile Justice Marilyn D. McShane, Frank P. Ideologues and Presidents Thomas S. Langston,2014-07-22 Ideologues and Presidents argues that ideologues have been gaining influence in the modern presidency There were plenty of ideologues in the New Deal but they worked at cross purposes and could not count on the backing of the cagey pragmatist in the Oval Office Three decades later the Johnson White House systematically sought the help of hundreds of liberals in drawing up blueprints for policy changes But when it came time to implement their plans Lyndon Johnson s White House proved to have scant interest in ideological purity By the time of the Reagan Revolution the organizations that supported ideological assaults on government had never been stronger The result was a level of ideological influence unmatched until the George W Bush presidency In Bush s administration not only did anti statist and social conservatives take up positions of influence throughout the government but the president famously pursued an elective war that had been promoted for a decade by a networked band of ideologues In the Barack Obama presidency although progressive liberals have found their way into niches within the executive branch the real ideological action continues to be Stage Right How did American presidential politics come to be so entangled with ideology and ideologues Ideologues and Presidents helps us move toward an answer to this vital question

Explaining Local Government J. A. Chandler,2007 In

this work J A Chandler explains how local government in Britain has evolved from a structure that appeared to be relatively free from central government interference to as John Prescott observes one of the most centralised systems of government in the Western world [US Department of State Dispatch](#) ,1996 Contains a diverse compilation of major speeches congressional testimony policy statements fact sheets and other foreign policy information from the State Dept *Literacy as a Civil Right* Stuart Greene,2008 The urgency to create equity in schools has never been greater especially since legislators are considering the re authorization of No Child Left Behind as a means to eliminating the achievement gap Studies continue to show that increased standards testing and accountability have simply maintained the status quo In response this book proposes alternative ways of addressing these educational inequities taking an interdisciplinary approach to understanding the complex historical social and global issues that stand in the way of ensuring that all students have access to literacy issues that policy makers and educators can no longer ignore *Literacy as a Civil Right* assembles an impressive group of essays that broaden the conversation taking place about school reform unmasking an ideology that maintains unequal relations of power in school and society The ideas presented here will help readers re imagine success in schools by understanding the possibilities that grow from a democratic vision of education Together this book provides an alternative framework to increased testing offering a more humane vision of education that values agency rigor civic responsibility and democracy

Racial Formation in the United States Michael Omi,Howard Winant,2014-06-20 Twenty years since the publication of the Second Edition and more than thirty years since the publication of the original book *Racial Formation in the United States* now arrives with each chapter radically revised and rewritten by authors Michael Omi and Howard Winant but the overall purpose and vision of this classic remains the same Omi and Winant provide an account of how concepts of race are created and transformed how they become the focus of political conflict and how they come to shape and permeate both identities and institutions The steady journey of the U S toward a majority nonwhite population the ongoing evisceration of the political legacy of the early post World War II civil rights movement the initiation of the war on terror with its attendant Islamophobia the rise of a mass immigrants rights movement the formulation of race class gender intersectionality theories and the election and reelection of a black President of the United States are some of the many new racial conditions *Racial Formation* now covers [Working Class Rage](#) Prof. Tex Sample,2018-09-04 White working class people are the canary in the mine Poorly understood and perceived as a threat to the common good unintelligent self destructive utterly incapable of leveraging their own privilege white working class people have recaptured the cultural and political imagination in the wake of the 2016 presidential election Pundits politicians cultural commentators party leaders and many others are scrambling to understand what makes this demographic tick with mixed results Scape goated for all things racist and identified as the voting block that gave the country its most divisive leader in a generation they are not what they seem so much more than common xenophobes and red hat wearing nostalgics for a lost time of white supremacy this group

begs for a richer more nuanced portrait if they are to be loved and impacted by Christian faith and the Gospel of Jesus Christ Tex Sample acclaimed author of *White Soul* and *Hard Living People* is a reliable and reader friendly guide through the current literature with keen eye on the implications of understanding this group so pastors and leaders can better communicate the Good News of Jesus and work for a more just society that values black and white lives and creates the partnerships that lead to the good life for all This book also describes how our inability to sustain attention to the value of black lives is a traveling companion to our failure to understand or care about the pain and anger of working class whites Calling Christians individuals as well as communities of faith to a concrete version of social well being befitting faithful life in Jesus and God s vision of justice for the world Tex Sample drills deeper into the realities of a group of people whose suffering and anger is denied ignored or misunderstood The conclusion Working for real world Gospel centered change spiritual social political cultural requires a field guide to the people we too often stereotype or misunderstand They can be partners when we frame a message of hope built on a sense of vocation to life in Jesus the good life for all

The Sociology of Education

Jeanne H Ballantine, Jenny Stuber, 2017-03-20 *The Sociology of Education A Systematic Analysis* is a comprehensive and cross cultural look at the sociology of education This textbook gives a sociological analysis of education by incorporating a diverse set of theoretical approaches The authors include practical applications and current educational issues to discuss the structure and processes that make education systems work as well as the role sociologists play in both understanding and bring about change In addition to up to date examples and research the eighth edition presents three chapters on inequality in educational access and experiences where class race and ethnicity and gender are presented as separate though intersecting vectors of educational inequality Each chapter combines qualitative and quantitative approaches and relevant theory classics and emerging research and micro and macro level perspectives
