## **Doing Right Practicing Ethical Principles:**

**Doing Right** David W. Gill, 2022-06-30 *Doing Right* is a careful thorough readable introduction to a Christian ethics based on the Decalogue Following the implications of Jesus double Love Commandment ten chapter length studies show how each of the commandments guides our love for God our love for our neighbors our search for justice righteousness and our quest for life freedom As such Christian ethics is not despite first impressions a catalog of thou shalt nots but rather a roadmap for a lifelong adventure guided by ten words on life freedom love and justice *Doing Right* draws deeply on the best Jewish and Christian scholarship over the centuries and then follows the ten principles wherever they lead even into the thorny controversies of the present time *Doing Right* works as a stand alone study of the ethics of principles and practices but is also the companion to Gill's *Becoming Good* on the ethics of character and virtue **Paul and Money** Verlyn Verbrugge, Keith R. Krell, 2015-06-23 The apostle Paul one of the most prominent figures in the early Jesus movement had a lot to say about money His letters deal with real people as they lived their Christian lives in the Greco Roman world He finds it necessary to address those who are rich in this present world 1 Tim 6 17 But he also has to address those do not want to work for whatever reason and are idle and disruptive 2 Thess 3 6 Moreover whereas most churches today have a certain socio economic homogeneity some of Paul's churches had a combination of upper class wealthy people and lower class slaves worshiping side by side and it inevitably created friction esp 1 Cor 11 17 34 During the past twenty years a significant amount of research has been done on class consciousness in the Greco Roman world and on the significance of Paul's fund raising venture for the poor among the Lord's people in Jerusalem the collection for his ministry Relying on the surprising results of current Pauline scholarship and a careful exegesis of a variety of New Testament texts this book offers a thorough investigation of the apostle Paul's sayings and dealings with money **Ethics** Arthur F. Holmes, 2009-08-20 Arthur Holmes addresses the questions What is good What is right How can we know In this second edition he also surveys a variety of approaches to ethics including cultural relativism emotivism ethical egoism and utilitarianism all with an acknowledgment of the new postmodern environment *Women, HIV, and the Church* Arthur J. Ammann, Julie Ponsford Holland, 2012-09-24 As the world watched the biggest global epidemic in history evolve many anticipated that Christians would embrace those who were affected just as Jesus during his time embraced those who were sick and dying Mostly the Christian church stood back and observed Sometimes Christians responded with stigma and discrimination Many who sought refuge in the churches churches where they had served the sick and the poor were turned away as they now sought refuge for themselves and their children Individual authors address the critical issues related to the HIV epidemic women and the Christian church how the HIV epidemic affected so many women and children what the Old and New Testaments teach about our responsibility to the poor the needy the sick the widow and the orphan and how difficult it should be for Christians to ignore these teachings The HIV epidemic continues and millions of women and children bear a disproportionate share of the pain and suffering without a

refuge Although HIV is a specific disease it serves as a paradigm for all Christians to ask what other needs they may be ignoring

Smith, 2021-08-16 Mythology and religious studies teachers will appreciate *World Mythology* for its thematic approach historical background information commentary and discussion questions provided for each myth from a range of geographic regions For the same reasons any reader interested in mythology will enjoy the contents and format of the book **Bearing Yhwh's Name at Sinai** Carmen Joy Imes, 2023-06-21 The Name Command NC is usually interpreted as a prohibition against speaking Yhwh's name in a particular context false oaths wrongful pronunciation irreverent worship magical practices cursing false teaching and the like However the NC lacks the contextual specification needed to support the command as speech related Taking seriously the narrative context at Sinai and the closest lexical parallels a different picture emerges one animated by concrete rituals and their associated metaphorical concepts The unique phrase *ns shm* is one of several expressions arising from the conceptual metaphor election as branding that finds analogies in high priest regalia as well as in various ways of claiming ownership in the Ancient Near East such as inscribed monuments the use of seals and the branding of slaves The NC presupposes that Yhwh has claimed Israel by placing Yhwh's own name on her In this light the first two

commands of the Decalogue reinforce the two sides of the covenant declaration I will be your God you will be my people The first expresses the demand for exclusive worship and the second calls for proper representation As a consequence the NC invites a richer exploration of what it means to be a people in covenant with Yhwh a people bearing his name among the nations It also points to what is at stake when Israel carries that name in vain The image of bearing Yhwh s name offers a rich source for theological and ethical reflection that cannot be conveyed nonmetaphorically without distortion or loss of meaning *Here's How* Lee Brown,2013-06 How many times have you been told you should do some particular thing in

your walk with Christ But has anyone ever taken the time to show you how We often feel guilty when people tell us we should be walking closer with Jesus because we simply don t know what that looks like in a real and practical sense In this book you ll find twelve practical lessons that cover what many consider to be the basics of truly following after Christ Rather than beat you over the head this work will actually show you the all important steps it takes to get closer to God and reveal the even more important reason that sits behind it all Whether you ve been following Christ all your life or you re just taking your first steps Here s How will show you the path to true discipleship **Business for the Common Good** Kenman L. **Revelation's Great Love Story** Larry L. Lichtenwaller, 2008 The Book of Revelation The Apocalypse Words that often call to mind bizarre creatures strange seals dreadful plagues and a slew of other mystifying symbols Most of us approach this last book of the Bible with forebodings rather than hope To us John's vision seems more like a nightmare But the elderly apostle begins with a statement that doesn't seem to fit the rest of the book The revelation of Jesus Christ Apparently he intends to unveil something tremendously important about Jesus Something life changing Something we can't afford to miss Larry Lichtenwaller explores a side of Revelation seldom portrayed Christ's passionate love for humanity This recurring theme subtly appears in the imagery and symbolism throughout John's vision The slain Lamb The divine protective sealing The blood bleached white robes The heart wrenching prayer of the saints Without Christ's love these scenes and symbols would mean nothing Ultimately John's vision reveals the extraordinary love of our Savior for His rebellious undeserving children and the incredible reasons we can love Him in return
