Doing What Comes Spiritually:

Doing What Comes Spiritually John M. Drescher, 2008 *The Apocalypse Explained According to the Spiritual Sense* Emanuel Swedenborg, 1847 Spirituality Made Simple Vikas Malkani, 2000-12 This book makes universal spiritual laws of awareness and purpose available in the simplest language possible in the form of a dialogue between Suraj and Cathy It makes cosmic principles easy to understand and practice in our daily lives The importance of relationships in our spiritual growth is emphasized The author has explained how two people can accept each other and thereby become more fulfilled happy and complete individuals Happiness must not be a mere concept which should only be discussed and debated but a true value which should be apparent in our lives and must pervade our interactions with people **A Spirituality for Brokenness** Terry Taylor, 2012-04-12 A gentle clear guide to finding hope and help in troubled days When you begin to understand what brokenness means you will be armed with information that empowers you to take the steps that can turn your leaden feelings into opportunities for health and happiness When you can accept and perhaps even celebrate your brokenness you can cease your endless search for healing and get on with your life scars and all from Chapter 1 We each have broken areas of our lives Whether from things that happen to us or as consequences of our own choices there are times and situations where our very souls feel fractured With wisdom and profound personal experience Terry Taylor guides you through a compassionate yet highly practical process of facing accepting and finally integrating your brokenness into your life a process that can ultimately bring mending He offers a clear eyed kindhearted method based on teachings and practices from many religious traditions including Ancient Christian practice of Lectio Divina to face our brokenness Tibetan practice of tonglen to generate compassion for ourselves Jewish tradition of Sabbath keeping to give us the space we need to mend Muslim practice of hajj pilgrimage to bring the journey full circle No matter your faith tradition you will find lovingkindness and wise counsel in this useful step by step guide to transforming these moments of supreme vulnerability into opportunities for reflection and spiritual growth Born Again Christians: From Spiritual Growths unto Its Standards Training and Maturity , **Spiritual Reading** Angela Lou Harvey, 2015-10-23 Reading Scripture is a spiritual practice at the very heart of the Christian faith But how is it possible to encounter God in reading the words of the Bible Does reading the Christian Bible require a different approach from how one may read other texts or writings What is required of the spiritual reader to read well Seeking to answer such questions Angela Lou Harvey provides a theological exploration of the idea of spiritual reading in the context of the Western church today Drawing upon insights of theologians such as Karl Barth Henri de Lubac and Ellen F Davis the author suggests that the particulars of Christian belief profoundly shape the distinctive practice of the spiritual reading of the Bible True Spirituality Francis August Schaeffer, 2001 How to live for Jesus moment by moment P 1 of cover Reading Beyond the Lines: A Treatise on Consciousness, Energy, Spirituality and Healing Liyla S, 2022-06-08 On an unsuspecting Friday night Liyla lost her son to an accident Lost and disillusioned all she wanted was a chance to speak

to her son again tell him she loved him and missed him But death is the end isn't it In a mind bending journey through the many planes we humans exist in Liyla's life changes as she encounters people who help reach across the veil of life and connect her to her son This event opens a door in her life through which she discovers the meaning of life and beyond Her studies ranging from contemporary Western sciences to ancient Indian wisdom lead her to understanding what it means to live and our purpose on this planet along with a clear realization that the universe is just energy This book will take you on a journey that answers many questions that have plagued humanity What exactly is the mind What is Consciousness What is destiny And the biggest one of all What happens after our physical forms pass from this life Liyla looks at these questions with a scientific lens hoping to bridge the gaps between science and spirituality for each one of us looks for answers for these same questions within this cosmos In this book the spiritual aspects of life are explained with reference to the Panchakosha five layer theory of Indian spirituality which is elucidated in the Upanishads and other ancient Indian books This gives a strong logical basis to understand Consciousness and life in the physical and subtle planes **Now I Lay Me Down Alone**

David Lee, 2018-08-07 No one ever adequately prepares for the death of a loved one Grieving can stun the soul and turn one's world upside down This book is specifically sculpted to walk the grief journey alongside the sufferer It highlights spousal loss but covers a gamut of other situations The answers are not swift and easy but the book will lead to the place of safety and rest There is One who understands the turmoil of pain and He died in the loneliest place imaginable But His victory over the heaviness of dying can give unparalleled hope and relief to the one wounded by loss Would you be willing to take the journey with someone who knows your hurt and offers you His strong hand *Would Jesus Ever Become a Christian* David

Lee, 2018-07-24 Jesus Christ is the most written about and proclaimed figure of all of history Why then are people so confused as to who He is Why are Christian churches redefining Him to suit the culture and their own preferences This book challenges the idea of a Jesus remake It is the author's understanding of Him from well over sixty five years of a personal relationship and study It aims toward those who have given up on Jesus because the portrayal of Him has been disfigured Want a fresh review of the Bible's portrait of the Savior with angles seldom considered and truth carefully examined If you discover the right Jesus your life might never be the same Celtic Christian Spirituality, 2011-06-01 The forgotten truths of Celtic Christianity provide a portal into a spiritual way of experiencing the world The Celtic Christians beheld the world around them and perceived the divine life of God as upholding every aspect of the material universe Their prayers and poems their liturgies and theological interpretations give Christians a sense of faith that is confident in a merciful and infinitely creative healing God In this introduction to Celtic Christian spirituality Mary Earle presents primary texts from the Celtic Christian tradition selections from the works of Pelagius Eriugena and St Patrick as well as prayers and poems from Wales the Outer Hebrides and Ireland These essential writings direct humanity to read the book of creation as well as the Bible and call us to remember that matter matters Earle's engaging facing page commentary explores how faithful Christians and

Revealed Emanuel Swedenborg, 1889 **African Spirituality and Ethics** Munyaradzi Felix Murove, 2023-12-28 This book explores the symbiotic relationship that exists between African spirituality and ethics Felix Murove discusses how these two concepts are entwined and illustrates how they play a role in applied ethical issues He argues that the general understanding of spirituality in Africa stems from Christianity which has had a negative impact on African indigenous spirituality The conceptual tools that run throughout the book are considerably Afro centric a methodological strategy which inevitably requires the reader to adopt some prior willingness to learn these Afro centric concepts without easily resorting to western Christian and philosophical categories of thought The book advocates for an Afro centric conceptualization of spirituality and ethics and encourages the reader to adopt a more holistic approach to African spirituality **Spiritual, Religious, and Cultural Aspects of Care** Betty R.
