PRIVATE

LABEL

RIGHTS

## **What are PLR Products?**

PLR refers to materials such as articles, video training, and lead magnets which can be purchased and used for a variety of purposes. Private Label Rights depend on exactly what the vendor allows, but there are some industry standards. In most cases, you can use PLR content in any way other than giving it away for free or passing on the private label rights.

## **How to Use PLR Content?**

Make sure you understand the rights you have over the content, and then (if you're able) recreate it. A standard approach to rewriting a PLR ebook is to read it, completely rewrite the beginning and ending, and then change/edit/add to anything you think needs extra attention. This saves you a lot of planning and writing, but still allows you to put your unique spin on the book.

## **What to Use PLR For?**

You can use PLR products for anything that the rights permit. Best usage cases will depend on the type of product you purchase. Articles are easy to break up and use as emails and social media posts. Ebooks can be quickly rewritten and then sold or used as bonuses or lead magnets. Some PLR is even suitable for use as internal training materials, especially after you've modified it to your specifications.
