**Duty** Eric Thomson,2017 Duty honour loyalty What meaning did those words still hold in the midst of a stalemated interstellar war where the difference between the enemy and one s own leadership was sometimes paper thin Unfairly relegated to punishment duty far from the battle lines and still pursued by her past Siobhan Dunmoore was ordered to sail her ship deep into pirate infested space on a quest to restore the Navy s reputation after she failed to stop an attack that destroyed a civilian freighter There she hoped to find clues that might absolve the crew of Stingray from blame but instead she was sucked into a vortex of intrigue and treachery that threatened not only all of their lives but the future of the embattled Commonwealth In the midst of competing schemes for supremacy fending off marauders mercenaries and spies Dunmoore had to find a way to get her people home safe and beyond the reach of powerful cabals that had burrowed their

way deep into the heart of the Admiralty If her ship was to survive she had to find the path of duty no matter the personal cost even if the price she had to pay was her own existence The Path of Duty is the thrilling sequel to No Honor in Death and brings back the men and women serving aboard the Commonwealth Navy frigate Stingray Keyword Tags Siobhan Dunmoore sci fi science fiction military science fiction war strong female character space opera science fiction action adventure alien invasion starfleet space fleet sci fi adventure military sci fi Eric Thomson science fiction series interstellar war galactic war space pirates mercenaries *Victory's Bright Dawn* Eric Thomson,1900 Captain Siobhan Dunmoore wanted to believe the long war against the invading Shrehari Empire had finally banished the ghosts of her past But when her ship Iolanthe a heavily armed man of war masked as a bulk freighter finds itself in need of replenishment after a long patrol spent stalking human and alien foes she is confronted with events eerily reminiscent of a past she thought buried When evidence of treason and marauders bold enough to strike a Navy outpost leave her no choice Dunmoore knows she must finish the cleanup job Fleet Headquarters ordered her to abandon years ago Fortunately Iolanthe and her crew are the perfect instruments with which to dispense much needed retribution despite General Orders and the Fleet s bureaucracy doing their best to tie a captain s hands With her ship taking on the guise of a privateer she sets out on a merciless hunt to eliminate a band of soulless soldiers of fortune and teach the ghosts of her past a lesson they will never forget Keyword Tags Siobhan Dunmoore sci fi science fiction military science fiction war strong female character space opera science fiction action adventure alien invasion starfleet space fleet sci fi adventure military sci fi Eric Thomson science fiction series interstellar war galactic war space pirates mercenaries colonies political intrigue *The Warrior's Knife* Eric Thomson,2017 Someone has murdered a trade envoy from the alien Shrehari Empire on Aquilonia Station and all signs point to a Commonwealth Navy officer Commander Hera Talyn known to work for intelligence Though found standing over the body with the murder weapon in her hand she proclaims her innocence in the face of evidence that might not be anything more than circumstantial With seventy years of hard won interstellar peace hanging in the balance and confronted with a murder involving both an alien diplomat and a member of the armed services Chief Superintendent Caelin Morrow of the Commonwealth Constabulary s Professional Compliance Bureau also known as the Firing Squad takes on the case at the Navy s request With a reputation for being hard nosed and incorruptible Morrow will either absolve Commander Talyn or send her to a premature doom But to do so she must navigate dark waters infested by powerful beings determined to bring down the existing political order The fact that her former partner an officer who resigned from the Constabulary under a cloud of suspicion seems to be involved doesn t make matters any easier Yet Morrow must give both her superiors and the Shrehari Empire incontrovertible proof of guilt and all she has to go on is a bloody warrior s knife Will Chief Superintendent Morrow answer the age old question Quis Custodiet Ipsos Custodes Who Will Guard the Guardians Or will she face the sort of failure sure to end a long and honorable career Introducing veteran Professional Compliance investigator Chief Superintendent Caelin Morrow The Warrior s Knife is

the first novel in the Quis Custodiet series a police procedural and murder mystery spin off from Decker s War The events in this novel occur in parallel to Howling Stars Decker s War Book 4      **Without Mercy** Eric Thomson,2018-10-04 What is the value of one life in an interstellar war that has already claimed millions And if that single life doesn t matter are any others worth saving A distress signal draws Siobhan Dunmoore s Q ship Iolanthe a battlecruiser disguised as a bulk freighter away from her devastatingly successful hunt through Shrehari occupied space and plunges Dunmoore into a dark merciless universe of competing government organizations undercover warfare and organized crime on a galactic scale Along the way she crosses paths with an old foe and an uncertain ally as she and her crew race against time and determined opposition to rescue innocent civilians condemned merely because they were in the wrong place at the wrong moment Powerful forces within the Commonwealth would call a handful of lives collateral damage in humanity s existential struggle against the Shrehari Empire But Dunmoore won t accept that they aren t worth saving even if it puts her at cross purposes with her new commanding officer and the Commonwealth s fearsome security bureau After all her oath to serve and defend has no limitations and no expiry date Keyword Tags Siobhan Dunmoore sci fi science fiction military science fiction war strong female character space opera science fiction action adventure alien invasion starfleet space fleet sci fi adventure military sci fi Eric Thomson science fiction series interstellar war galactic war space pirates mercenaries colonies political intrigue

*Imperial Sunset* Eric Thomson,2018 Humanity s thousand year old interstellar empire has been rotting from the inside for over a century thanks to venal corrupt and power hungry sovereigns from a dynasty many consider illegitimate The latest in that lineage an increasingly psychotic empress is pushing her realm toward catastrophic collapse as admirals and generals rebel against her rule That rebellion quickly drags the once mighty Imperial Fleet into a devastating fratricidal conflict between factions With civil war raging across human space a Navy torn asunder can no longer protect frontier colonies and barbarians long confined to the galactic badlands see an opportunity After generations of hard existence on worlds beyond the bounds of human civilization they hold life cheap especially that of others The barbarians will gladly steal everything they find and condemn defenseless star systems to technological and demographic collapse That is if they don t wipe them out entirely from sheer bloodlust or by selling survivors on alien slave markets One man Captain Jonas Morane of the cruiser Vanquish saw the empire s collapse coming years before the first admiral rebelled When he finds himself the senior surviving officer of a loyalist Navy unit almost entirely annihilated by rebels Morane puts in motion a plan he developed long ago This plan was designed to not only save his ships and crews from certain death but keep humanity s accumulated knowledge from being obliterated by the long night of barbarism However before his dream can become a reality Morane must lead the remains of the 197th Imperial Battle Group through an intricate wormhole network across a shattered empire dodging his former colleagues from both sides to the sanctuary he selected Along the way he rescues an Imperial Marine Corps Pathfinder battalion and the survivors of a religious order known for its mysticism from certain death and enlists them in his

cause But will Morane s sanctuary survive both the flames of rebellion and the depredations of invading marauders before his rag tag fleet can reach it Imperial Sunset is the first installment in Eric Thomson s new saga Ashes of Empire It tells the story of a desperate attempt to stave off the darkness threatening to smother humanity s interstellar empire and send civilization back to the Stone Age Ashes of Empire is set in the Siobhan Dunmoore Decker s War and Quis Custodiet universe but a thousand years after Zack Decker and Caelin Morrow s day when they and Siobhan Dunmoore have become no more than minor footnotes in human history

No Remorse Eric Thomson,2018-03-16 Wanted by their enemies for exposing the Black Sword cabal and faced with the difficult task of rebuilding the Special Operations Division while treason remains rampant Major Zack Decker and Commander Hera Talyn are stuck in desk jobs Until that is the Coalition and its minions decide to make things very personal Forced back into the role of field operatives they discover a plot to destabilize an entire sector and bring it under the iron fisted control of a Commonwealth government eager to abandon democracy in favor of imperial dreams Racing against time and soulless foes they have one chance to prevent a civil war and rescue someone more precious to Zack Decker than any other living thing in the entire universe the daughter he hasn t seen for twenty years Not even the threat of disgrace and imminent death are enough to deter Decker because as his foes will find out once again he s still one of the Few

*A Colonial Murder* Eric Thomson,2020 My name is Caelin Morrow and I run the internal affairs bureau for the entire Commonwealth Rim Sector It means I hunt down corrupt federal officials of all stripes police military political or bureaucratic in the most fractious and nowadays most dangerous part of human space I also examine the private and professional lives of Constabulary officials destined for senior positions to make sure they re not hiding a habit of taking bribes abusing their powers or worse Assistant Commissioner Elden Braband newly appointed as chief of police on Mission Colony is one of the latter and I had declared him squeaky clean When the colony s governor complains about Braband a few months after his arrival Deputy Chief Constable Maras who commands the Rim Sector Constabulary Group smells a rat She asks me to investigate because honest cops don t go bad within a few months But hours after my team and I land on Mission Colony a senior official is found dead in her office leaving Assistant Commissioner Braband in a bind The subsequent investigation will propel us into the heart of colonial darkness where corruption organized crime and corporate malfeasance combine in a deadly brew

Hard Strike Eric Thomson,2019-01-19 Terrorists working for traitors intent on transforming the Commonwealth into a brutal empire are preparing to spread mayhem across the vulnerable and increasingly unstable Rim Sector Their aim replace sovereign star system governments with satraps under the direct control of Earth thereby undoing generations of civil peace between humanity s many fractious branches During an operation to eliminate a radical revolutionary movement on one of the Rim Sector s most important colonies Major Decker and Commander Talyn stumble across evidence pointing at a threat more significant than any they ve encountered so far evidence suppressed by Black Sword s remaining moles in Naval Intelligence With countless lives on the line Decker and Talyn race against time and

enemies ensconced in high places to undo a conspiracy aimed at reshaping an entire sector before irreversible damage propels the Commonwealth down a dark path which can only end in one last murderous civil war killing billions This time they must strike fast strike hard and strike without orders from Fleet HQ But Decker is tired of fighting the same battles over and over again He wants this mission to be the last one and is willing to do whatever it takes After all Decker is not only among Naval Intelligence s deadliest operatives he s also one of the Few Keyword Tags Zack Decker Decker s War sci fi science fiction military science fiction war space marine space infantry pathfinder space opera science fiction action adventure alien invasion space fleet sci fi adventure military sci fi Eric Thomson science fiction series interstellar war galactic war space pirates mercenary espionage thriller naval intelligence undercover operations black ops **The Final Shore** Eric Thomson,2024-03-14 The Shrehari War ended over twenty years ago but a new threat is looming over the Commonwealth this time from within Centralists whose dream is to concentrate power on Earth by stripping sovereign star systems of their autonomy finally have one of their own as Secretary General the highest office in human space And she wants to do it as fast as possible But for that she needs the Commonwealth Armed Forces and they re not playing her game On the contrary The Armed Forces also have an agenda one that s been two decades in the making and it s about to be unveiled with Admiral Siobhan Dunmoore playing the principal role And as she steps on the stage Dunmoore becomes the target of everyone who wants to stop the Fleet from preventing a Centralist victory Will she survive to reach the final shore

**Imperial Twilight** Eric Thomson,2019 The most powerful empire in human history is rushing headlong toward destruction ending our species supremacy in the known galaxy Two men with widely divergent visions are on a mission to save civilization in at least one sector far from the imperial capital where a demented ruler holds sway The first Jonas Morane wants to create an impregnable vault containing humanity s accumulated knowledge so those who survive the coming darkness can rebuild in decades instead of millennia The other Devy Custis seeks to fend off collapse by founding a new empire in the Coalsack Sector one free of the madness that caused this civil war But will either resist the ravages of a genocidal empress blood maddened barbarians and scheming admirals Unfortunately the vicissitudes of fate abetted by greed and lust for power could destroy both before they make their dreams a reality *Imperial Twilight* is the second installment in Eric Thomson s saga *Ashes of Empire* the story of a desperate attempt to preserve one last spark of civilization so that humanity does not vanish from the galaxy Keyword Tags galactic empire sci fi science fiction military science fiction war strong female character space opera science fiction action adventure alien invasion starfleet space fleet sci fi adventure military sci fi Eric Thomson science fiction series interstellar war galactic war space pirates mercenaries *The Dirty and the Dead* Eric Thomson,2022-02-11 Investigating war crimes isn t Assistant Commissioner Caelin Morrow s usual sort of case She normally hunts down corrupt Commonwealth officials But with the reorganization of the Professional Compliance Bureau s Anti Corruption Division Morrow inherits primary responsibility for military crimes requiring outside scrutiny And for her

first case as the new head of Anti Corruption Unit 12 Military Crimes she's heading for the Novaya Sibir star system with her team to look into allegations the elite 212th Pathfinder Squadron committed atrocities on a Protectorate Zone rogue colony But all is not as it seems and dirty politics soon rear their ugly head Unfortunately for those who play fast and loose with the truth Caelin Morrow is not only a superb investigator She'll also do whatever is necessary to take out the garbage **Die Like the Rest** Eric Thomson,1900 History has a habit of reaching out from the grave and reminding us of our species' greatest failings Humanity's Migration Wars which birthed the Commonwealth of Sovereign Star Systems were the deadliest and most destructive in history But not everyone draws the same lessons from past atrocities that were burned into the human psyche For some our species must do anything to avoid another murderous civil war including the overthrow of the current political system For others a rerun minus the mistakes made the last time would once more consolidate power in the hands of the central government on Earth When a reconnaissance droid uncovers a lost munitions bunker from the Second Migration War containing the most horrific biological and chemical warheads ever invented Rear Admiral Hera Talyn of Naval Intelligence immediately grasps the deadly ramifications She quickly dispatches Ghost Squadron's Erinye Company to guard the discovery on Keros an airless dead planet with nothing more than a mining outpost until the deadly payloads can be retrieved However those who would use the forbidden weapons to achieve their own goals still have spies inside Fleet Headquarters and are also moving fast But Major Curtis Delgado Erinye Company's commanding officer uncovers deeper mysteries on Keros than just weapons of mass destruction and must race against time and secret enemies to prepare for an all out assault Because he knows that if the warheads fall into the wrong hands history could repeat itself this time as an even greater tragedy **When the Guns Roar** Eric Thomson,2019-10-21 Captain Siobhan Dunmoore no longer enjoys the freedom to fight the Shrehari Empire on her own terms aboard the Q ship Iolanthe Special Operations Command has assigned her to Task Force Luckner whose mission is replicating Iolanthe's success on a larger scale Unfortunately neither her new superior Rear Admiral Kell Petras nor any other captain in the task force understands successful commerce raiding requires a different mindset Instead of sheepdogs they must become wolves in sheep's clothing and Dunmoore is just the right officer to teach them Yet Petras and his flag captain are not interested But when an unauthorized raid on a Shrehari forward operations base produces surprising results Dunmoore triggers a cascade of events which could forever change the course of the war As the old saying goes fortune favors the bold Will Dunmoore prove once again that she and Iolanthe's crew are the most daring of them all Keyword Tags Siobhan Dunmoore sci fi science fiction military science fiction war strong female character space opera science fiction action adventure alien invasion starfleet space fleet sci fi adventure military sci fi Eric Thomson science fiction series interstellar war galactic war space pirates mercenaries **Imperial Dawn** Eric Thomson,2024-06-27 Two small star nations separated by thousands of light years are all that remains of the First Empire Yet both are growing again each racing to reclaim former human worlds left devastated by the Mad Empress and her

Retribution Fleet But what began as a friendly competition between them soon takes a dark turn as suspicions about motives arise and the once powerful find themselves dispossessed Who will be the first to rise from the ashes of empire and claim the mantle of humanity s renewed ambitions ushering in an imperial dawn The Wyvern Hegemony or the Republic of Lyonesse

Imperial Echoes Eric Thomson,2021-03-23 The collapse of humanity s first interstellar empire is passing into legend perhaps even myth now that the ones who could remember those tumultuous years have merged with the Infinite Void Tiny Lyonesse the self appointed guardian of all human knowledge tucked away in its wormhole cul de sac has spent generations preparing to carry out Jonas Morane s plan of reuniting humanity Unbeknown to citizens of a republic cut off from the rest of the galaxy four star systems at the former empire s core also survived to preserve that which existed before the Great Scouring Yet they took a darker path after witnessing firsthand the empire s demise in a bloodletting without precedent which left them fearful about the future of what little remained An uncompromising hidebound military dictatorship the Wyvern Hegemony is everything Lyonesse avoided becoming Backed by a State Security Commission that uses the Void Sisters abilities to root out the regime s enemies its rule is absolute Yet the Hegemony also harbors ambitions of reuniting humanity under its own banner though the government has done little to advance its cause Neither Lyonesse nor the Hegemony knows about each other However thanks to a twist of fate that leads State Security Colonel Crevan Torma and his assigned Void Sister on a voyage of discovery this will soon change But can the vanished empire s heirs meet in peace or will they continue the civil war that almost eradicated humanity across the stars

Imperial Night Eric Thomson,2020-06-15 Humanity s interstellar empire died in fire and blood leaving wrecked star systems to face the long night of barbarism One tiny spark of civilization remains The Republic of Lyonesse tucked away at the end of a wormhole cul de sac Yet that last bastion could suffer the same dire fate When the late empress unleashed the Four Horsemen of the Apocalypse on her crumbling realm Lyonesse escaped War and Famine However the Pale Rider carrying pestilence and death still roams the wormhole network seeking to finish off what the Imperial Retribution Fleet missed decades earlier and he has finally found the entrance to the Lyonesse branch What about the White Rider who brings deceit and the worship of false prophets Perhaps he is already on Lyonesse undermining what Jonas Morane so laboriously created Will the Navy s tiny decrepit fleet stop plague ships from reaching Lyonesse while Morane and his ally Sister Gwenneth keep the fledgling republic from turning on itself Or will Lyonesse join the rest of humanity in a long imperial night one which might never end

Imperial Ghosts Eric Thomson,2022-07-05 Humanity s first empire collapsed centuries ago but two tiny shards kept the ability to travel across the stars at faster than light speeds the Wyvern Hegemony and the Republic of Lyonesse Each considers itself the heir of the old empire and swore an oath of reunification Yet only one can rule over humanity reunited As they race to absorb ruined human worlds and rebuild them in their respective image it is only a matter of time before they encounter the ghosts of what once was And those ghosts will demand their due

**Fear No Darkness** Eric Thomson,2023-02-08 The

Commonwealth is teetering on its last legs But will it go down gently or dissolve into a civil war as brutal as any in human history That is the dilemma Colonel Zack Decker and Ghost Squadron face as they re tapped to protect a last ditch effort to salvage a possibility of peace And that last ditch effort is being held on Decker s home planet a place he left long ago to put as many light years as possible between himself and a family who disapproved of his becoming a Marine Yet things are not what they seem and between his family and ardent secessionists wanting to end the Commonwealth Decker has his hands full However he s sworn an oath and intends to keep it because he s still one of the Few
