Healthcare and Public Sector Collaboration

Improve the collaboration between the NHS and local authorities to provide better care

Challenges

"Colleagues across the health and care sector are often supporting the same vulnerable person but information is locked in individual systems and hard to access."

"I am not always available to join MDTs but I need to have access to the outcome of the discussion."

"We often lack input from experienced practitioners who cannot join MDTs on-site due to location or timing."

"I struggle to keep up with the paperwork and complete my visits."

Benefits

- Ensure health and care stakeholders have a clear and joint-up picture of the individual they are supporting.
- Allow for more flexibility and safety by joining remotely from any location.
- Access important information or guidance quickly and save time.
- Support collective decision making across health and care.
