chapter written by the editors provides general recommendations for recruiting and retaining a more diverse teacher workforce worldwide From autoethnographies to pl ticas testimonios and in depth interviews this qualitatively rich volume offers powerful and timely insights about the experiences of teachers who are too often overlooked Gilda L Ochoa Professor of Chicana o Latina o Studies This illuminating book centers educators intersectional subjectivities and lived experiences bringing to life the radical possibilities of transformative education It is a much needed resource for anyone invested in understanding and advancing education as a catalyst for equity and social justice Lorena Garcia Associate Professor of Sociology Latin American and Latino Studies     Psycholinguistic Approaches to Instructed Second Language Acquisition

Daniel R. Walter, 2023-04-03 This book applies a psycholinguistic perspective to instructed second language acquisition seeking to bridge the gap between second language acquisition research and language teaching practices It challenges the traditional divide between conscious and unconscious processes or explicit and implicit learning and re envisions this as a continuum of the varying levels of consciousness which can be applied by learners to different language behaviors in the second language classroom It applies this model to learner development and the classroom context discussing pedagogical applications for instructors at all levels This book will be of interest to researchers and graduate students in second language acquisition psycholinguistics and language pedagogy The accessible discussion of research findings pedagogical approaches and classroom tasks and activities make this book particularly relevant for language teachers providing the tools needed to apply second language acquisition research in their classroom     Borderlands Curanderos Jennifer Koshatka

Seman, 2021-01-19 A refreshing new perspective reframes borderlands history by focusing not only on faith healers but squarely on the populations that they served Western Historical Quarterly 2022 Americo Paredes Award Center for Mexican American Studies at South Texas College Santa Teresa Urrea and Don Pedrito Jaramillo were curanderos faith healers who in the late nineteenth and early twentieth centuries worked outside the realm of professional medicine seemingly beyond the reach of the church state or certified health practitioners whose profession was still in its infancy Urrea healed Mexicans Indigenous people and Anglos in northwestern Mexico and cities throughout the US Southwest while Jaramillo conducted his healing practice in the South Texas Rio Grande Valley healing Tejanos Mexicans and Indigenous people there Jennifer Koshatka Seman takes us inside the intimate worlds of both living saints demonstrating how their effective healing curanderismo made them part of the larger turn of the century worlds they lived in as they attracted thousands of followers validated folk practices and contributed to a modernizing world along the US Mexico border While she healed Urrea spoke of a Mexico in which one did not have to obey unjust laws or confess one s sins to Catholic priests Jaramillo restored and fed drought stricken Tejanos when the state and modern medicine could not meet their needs Then in 1890 Urrea was expelled from Mexico Within a decade Jaramillo was investigated as a fraud by the American Medical Association and the US Post Office Borderlands Curanderos argues that it is not only state and professional institutions that build and maintain
