The Book of Ruth is a story about redemption and restoration yet it is more than a parallel of the believer coming out of the world and into Christ It is a lesson on how to recognize the fingerprints of the Father in every situation In *Ruth Prepared for Destiny* Renee brings to life Ruth s journey through the eyes of fresh revelation This book is meant to aide the believer in identifying the Father s fingerprints in every area of their journey and most especially in the difficult times when God seems absent Renee demonstrates through Ruth s life the ways and circumstances Father uses to transform her from a Moabitess to the great grandmother of King David thereby fulfilling her purpose and her role in God s plan of Redemption For believers who are struggling to find their identity and purpose in Christ this book provides hope inspiration and the opportunity to revisit situations through the lens of God s fingerprints Renee is a wife and a mother of two adult children one fur baby and a grandmother to three beautiful little girls She recently retired from a successful career as a Director of Sales and Marketing for New Jersey s largest Senior Living Organization She is a seeker of Truth and a lover of Jesus Renee s deep desire is to help other believers become intimately acquainted with Jesus our Heavenly Kinsman Redeemer so they can fulfill their birthright and purpose **Ruth** Miles Custis,2014-09-29 As the old adage goes you have to ask the right questions before you can get the right answers And that s exactly what the Not Your Average Bible Study series helps you do Rather than spoon feeding you with individual facts this study of Ruth coaches you on how to think through the text as a whole Tested and proven in Bible Study Magazine it s perfect for group and individual studies alike Ruth was an outcast yet God drew her from the outskirts of society He incorporated her not only into the community of Israel but also into his plan of salvation In Ruth we find a story of love loyalty and compassion both from people and from God And we see how God works through ordinary people to achieve his great purposes Each section of the guide begins with a concise introduction providing context for the biblical passage Next you ll consider questions designed to prompt your own in depth study You ll also find specific prayer suggestions along with ideas for further research Experience the joy of discovering biblical insights for yourself then apply these lessons to your everyday life This is not your average Bible study *Dare to Dream* Annette M. Brown,2016-02-16 The book looks into the lives of the Bible characters Ruth Naomi her mother in law and Boaz Ruth s future husband as they overcome challenging situations and struggle not to allow their hidden hopes and dreams to die without trying to achieve them The characters purposefully searched for conditions of hope in things they saw heard about or perceived to have potential of being beneficial and by accepting wise advice and kindness from other people The book is encouraging for anyone struggling with situations in life that leave them feeling discouraged and forces them to search for conditions of hope

and ways to make their hopes and dreams come true by becoming proactive and working on a plan of action Their story is also about relationships in the natural and spiritual sense as demonstrated by the connection between them and a kinsman redeemer who serves to make another person s life restored and complete As one reads through the book he or she gains a sense that more than simply human effort was at work but it was the hand of God orchestrating every detailed move and as a result each character realized and accredited it all to God as being their kinsman redeemer Although Boaz assisted in helping Ruth s family overcome challenges it was leading them to find a relationship with the true kinsman redeemer Jesus the Messiah So the questions for the reader are What is preventing you to Dare to Dream Why not search for conditions of hope in your situation and make every attempt to fulfill them because without trying your hopes and dreams will die Everyone has hopes and dreams that they hold in their minds and keep silently to themselves Therefore when people apply themselves it becomes possible to move forward to experience at least four types of dreams such as addressed in the chapters Shattered Dreams Working the Dream Rebirth of a Dream and Fulfilled Dreams
