Does God Send Sickness Vindicating:

Does God Send Sickness? Troy J. Edwards, 2020-08-26 God is said in Scripture to send what he can but doth not hinder from being sent Edward Bird 1726 God has been taking the blame for sickness and disease for centuries We have been told that He sends sickness as an aid to spiritual growth and piety or as a punishment for sin Vast amounts of Scripture have been cited to support this claim This idea has contributed to the lack of faith prevalent in the church today for healing and deliverance After all if God gave a person sickness then His willingness to heal is questionable Faith can only be present where the will of God is known However if sickness is seen as an enemy of God then faith in God s willingness to heal is more likely to rise Numerous apologetic books have been written in support of divine healing but most have not dealt completely with the many Biblical passages that appear to make God the direct cause of sickness This book is different in that it will look at these difficult Bible passages in light of the permissive idiom of the ancient Hebrew language in which God is often said to do the things that He merely allowed or permitted to happen Those passages in both the Old and New Testaments that make God appear to be a cold and cruel dispenser of sickness and disease will be seen in a new light You will see God s loving character vindicated your Bible will be a fresh source of blessing and your faith in God for health and healing will soar

Does God Send Sickness? Troy J. Edwards, 2015-12-04 God is said in Scripture to send what he can but doth not hinder from being sent Edward Bird 1726 God has been taking the blame for sickness and disease for centuries We have been told that He sends sickness as an aid to spiritual growth and piety or as a punishment for sin Vast amounts of Scripture have been cited to support this claim This idea has contributed to the lack of faith prevalent in the church today for healing and deliverance After all if God gave a person sickness then His willingness to heal is questionable Faith can only be present where the will of God is known However if sickness is seen as an enemy of God then faith in God s willingness to heal is more likely to rise Numerous apologetic books have been written in support of divine healing but most have not dealt completely with the many Biblical passages that appear to make God the direct cause of sickness This book is different in that it will look at these difficult Bible passages in light of the permissive idiom of the ancient Hebrew language in which God is often said to do the things that He merely allowed or permitted to happen Those passages in both the Old and New Testaments that make God appear to be a cold and cruel dispenser of sickness and disease will be seen in a new light You will see God s loving character vindicated your Bible will be a fresh source of blessing and your faith in God for health and healing will soar

God is Said to do that which He Only Permits Troy J. Edwards, 2015-12-04 It is usual in Scripture to attribute to the Supreme Power acts which are virtually those of his instruments and which he merely permits Charles Edward Fraser Tytler Many false charges have been leveled at God by His critics atheists agnostics satanists etc due to misreading the Bible Part of the problem has been the failure to understand the idiomatic language used in the Ancient Near East especially among the Hebrew people from which our God inspired Scriptures have their origin This failure has led to more misunderstandings

about God and His inspired Word than we can attest to While the Hebrews had numerous idioms I am fully persuaded that the most neglected one among theologians and Bible translators has been what I prefer to label as the permission idiom This is the idiom that as we will learn in this study scholars tell us is one in which God is said to be the cause of that which He merely allowed or permitted or did not prevent from happening May the Lord use this book to help you understand Him and your Bible better

Untying God's "Nots" Troy J. Edwards,2016-07-12 If a nation marches against you know that I am not behind it Isaiah 54 15a The Voice A common phrase used by many Christians particularly when there is some tragic event is that God is in control Many people mean different things by the statement however the majority of those who use the statement believe that God initiated the tragic event and had a secret mysterious plan to bring some unknown good from it We believe that such a teaching casts aspersions on God s character Besides the origins of this teaching is not from the Bible but is derived from pagan philosophy Throughout these pages we will look at a number of arguments and Scriptures used by proponents of this teaching and show the reader that it does not line up with the Bible s teaching about God The reader will also learn that this teaching is a tool of Satan to keep Christians passive so that they will not stand against him in the authority of Christ s victory over him

The Permissive Sense Troy J. Edwards,2017-12-29 One does not have to read too far into the Bible to find that it says the following about Him God hardened people s hearts God put lying spirits in the mouth of false prophets God personally deceived prophets God Blinded people to the truth God inflicted sickness God sent natural disasters God moved people to sin God tempted men God intentionally gave men unrighteous laws God created evil And even more Such statements have presented insurmountable difficulties to Bible readers Failure to understand them properly have led to doctrines that paint God in less than a favorable light However when we understand the permissive sense most difficulties with such verses will disappear This book will help you understand this important principle and will remove all doubt about God s love goodness and holiness

Stop Blaming God For the Work of the Enemy Troy J. Edwards,2016-03-29 And he shall speak great words against the most High and shall wear out the saints of the most High Dan 7 25 Satan is a slanderer who has deceived men into falsely blaming God for his own works Sadly the majority of Christians have bought into his deceptions and denigrate God s character in their sermons and Bible studies In this study we will examine several areas in which God is always getting the blame even from His own children and show the reader that Scripture actually points to Satan as the culprit Once we have learned this truth then we will learn how to walk in victory over all satanic circumstances

How? Troy J. Edwards,2016-03-08 In this book How We will look at a number of God s acts recorded in the Bible those acts that upon a superficial reading of Scripture paint Him as malicious harsh hypocritical and in some cases worse than the humans whose sin He punishes Hopefully when you see the explanations that the Word of God itself offers you will see the Father of our Lord Jesus Christ in a new light Some of the questions this book attempts to answer are How Does God Reveal His Wrath How Does God Bring Judgment How Does God Create Evil How Does God s Hand Go

Against Sinners How Does God Punish How Does God Kill How Does God Smite How Does God Curse How Does God Tempt How Does God Deceive How Does God Harden Hearts How Does God Destroy How Does God Send Sickness *Why?* Troy J. Edwards, 2016-02-12 In this book I want to prove to the reader that the Bible offers a satisfactory answer to the why questions many have in relation to an omnipotent but good God in contrast to the rampant heart breaking evil we see in our world Many people are fed up with the standard Christian responses on this subject Though some claim to give Biblical answers to our why questions we often receive responses that consign much of God s alleged activity to divine mysterious purposes I pray that I will be able to answer some of your why questions in a satisfactory manner I believe that the answers I provide here are enough to vindicate God s goodness and justice in the light of evil I also believe that this book will help you to see a picture of a loving God who never planned any of this evil and pain I hope you will see that He is at war with evil is doing all that He can to rescue us from evil now and who will in His omnipotence one day rid this universe of evil forever

God Didn't Do It Troy J. Edwards, 2019-02-03 We hear the religious cliché quite often God is in control God took my child God s ways are mysterious His wonders to perform and other statements attributing life s hardships to God God has been falsely accused of doing things that He actually hates In this short book we use the Bible God s own written Word to set the record straight concerning His involvement in the harsh realities of life When you have finished reading this book you will no longer blame God for the difficulties you encounter and you will be able to point others to a loving kind God who is for us and not against us

Vindicating God Troy J. Edwards, 2015-12-26 There are sincere worshippers of Christ who are quite ignorant of how to deal with difficult passages in the Bible that might be used by God s enemies to paint a false picture of Him Many remain confused as to how to deal with passages that seem to go against what they know by their experience is a loving God I believe that these daily devotions can assist believers in this endeavor When one meditates daily on the truth of God s character then they will not be easily swayed by those who speak against it They will see that there are better ways to understand the passages often presented by those who choose to denigrate God s character

Job and the Misrepresentation of God's Character Troy J. Edwards, Many approach the book of Job with a number of presuppositions God desires to test Job s faithfulness God is controlling the actions of the devil That God just might make you the next Job These presuppositions demonstrate a failure to study the book of Job in the light of the full revelation of Father God found in Jesus Christ Hence Job is misused to present God as a capricious deity In this book we will learn how a proper study of Job shows us that Satan s plan was to discredit both God and Job We will learn that God did not instigate Job s trials but showed the patriarch compassion by delivering him from the designs of Satan against him

The Wrath of God Troy J. Edwards, 2020-04-04 God has been misrepresented by both His followers and His enemies Most of the misrepresentation centers around the Biblical phrase the wrath of God This misrepresentation is due to the failure of both defenders and detractors of God to thoroughly study Scripture s teaching on this subject In this book we show the reader that as we allow

Scripture to interpret itself we will find that God's wrath does not equate to the angry destructive being that He is often portrayed to be nor does His wrath eliminate His love. The reader will learn that Scripture presents a consistent picture of a loving God trying to save mankind from the destructive power of our own sins.

The God of the Blank Check Troy J. Edwards, In these difficult and trying times it is more important now than ever before that we know the true character of God. There is no better explanation of His character than the revelation of His Name. I am With this Name God lovingly condescended to His people by giving them a blank check to fill out, submit to the bank of Heaven and receive what they need from Him. In this study we will learn about the riches God has placed in our Heavenly bank account through His I am Name. Your faith will soar as you learn about the God who is willing to meet every need and godly desire of His children. Your excitement will increase as you understand that His I am promises are guaranteed through our Lord Jesus Christ.

Is the Future Set in Stone? Troy J. Edwards, 2019-05-15 God knows all things and there is nothing that is hidden from Him. Therefore if the future is already in existence and is a settled reality then there is no doubt that God knows it exhaustively. Yet what if the future does not exist as the past did and the present currently does? Is it necessary for an omniscient God to have exhaustive knowledge of a non-existent entity? In his book *Is the Future Set in Stone* Pastor Troy J. Edwards presents a thorough examination of the Scriptures revealing the fact that the future is NOT in existence until it happens. This truth is important to understanding why God is by no means responsible for the fall of devils, men and the horrendous evil on the earth. You will also see how God works with His free will creatures to shape the future and bring it about.

The Bible Principle of Accommodation Troy Edwards, 2020-02-23 I have so much more to tell you but it is too much for you to accept now. John 16:12 Easy to Read Version God was faced with a problem. He needed a nation on the earth that He could work through in order to send forth the Messiah and bring about man's redemption. However His chosen people Israel were strongly influenced by pagan thinking. Attempting to abruptly change their mindset to one of a high godly ideal was impossible. God had to work with the people at the level where they were at and progressively lead them to a more excellent way. 1 Cor 12:31 In the meantime God had to accommodate their pagan thinking and regulate it to minimize its harmful effects. The principle of accommodation is a Bible interpretation principle that helps us to understand why certain things in Scripture were commanded or permitted, things that God did not endorse but only tolerated for a period of time.

Does God Send Natural Disasters? Troy J. Edwards, 2016-11-20 Many of our theologians have told us that God is the responsible agent for all of the natural evil that we suffer. These theologians and philosophers are not without their Biblical proof texts. For them Sodom and Gomorrah, the flood of Noah, the plagues of Egypt, the trials of Job, the end time events of the book of Revelation and other historical accounts recorded in Scripture provide sufficient evidence that God is behind most if not all natural disasters. This book will show us that by understanding how the permissive idiom of the Ancient Eastern and Hebrew cultures was used to describe God's actions we can get a fresh perspective of God's place in many of the natural disasters in

Scripture that were attributed to Him We will then see a loving God who is not destructive but actually does all that He can to save men from destruction without violating their freedom **Does God Destroy?** Troy J. Edwards,2023-04-24 Numerous verses in the Bible mention God s generosity kindness mercy love compassion holiness integrity and other attributes But other Scriptures also depict Him as a destroyer What if one can have an alternative interpretation of the destroyer verses without ever compromising the fact that the Bible is God s inspired Word This book will show that it is not only possible but also vital Using the Bible itself as well as insights from scholars from various theological backgrounds you will be shown how one can interpret such texts and yet realize that God does not engage in destructive action Our life will be impacted by what we believe about God This work is therefore of utmost significance After finishing this study we think you ll love God and your Bible even more **The Lord SENT It** Troy J. Edwards,2016-11-16 There are numerous places in Scripture where God says that He will send or is said to have sent a disaster a plague pestilence delusion an evil spirit a cruel and ruthless enemy army ferocious man eating wild animals and other harsh judgments Atheists use such passages to castigate the God of the Bible Some theologians use such passages to present theological views of God that make Him appear to be harsh unloving and unfair Other Christians avoid such passages altogether believing that certain parts of the Bible are too difficult or irrelevant However an often neglected principle of Bible interpretation is found in the statement that God is said to send or to have sent that which He merely did not prevent or hinder When we understand this truth then we get a better picture of the God who is exactly like Jesus Christ **Vindication of Luther Against His Recent English Assailants** Julius Charles Hare,1855 **Vindication of Luther against his recent English assailants [H. Hallam, J. H. Newman, W. G. Ward, and Sir W. Hamilton]. Second edition ... enlarged** Julius Charles HARE (Archdeacon of Lewes.),1855
