Gary Alan Scott

Does Socrates Have A Method Does Socrates Have A Method

Bruce Silver

Does Socrates Have A Method Does Socrates Have A Method:

Does Socrates Have a Method? Gary Alan Scott, 2002-03-01 Although the Socratic method is commonly understood as a style of pedagogy involving cross questioning between teacher and student there has long been debate among scholars of ancient philosophy about how this method as attributed to Socrates should be defined or indeed whether Socrates can be said to have used any single uniform method at all distinctive to his way of philosophizing This volume brings together essays by classicists and philosophers examining this controversy anew The point of departure for many of those engaged in the debate has been the identification of Socratic method with the elenchus as a technique of logical argumentation aimed at refuting an interlocutor which Gregory Vlastos highlighted in an influential article in 1983 The essays in this volume look again at many of the issues to which Vlastos drew attention but also seek to broaden the discussion well beyond the limits of his formulation Some contributors question the suitability of the elenchus as a general description of how Socrates engages his interlocutors others trace the historical origins of the kinds of argumentation Socrates employs others explore methods in addition to the elenchus that Socrates uses several propose new ways of thinking about Socratic practices Eight essays focus on specific dialogues each examining why Plato has Socrates use the particular methods he does in the context defined by the dialogue Overall representing a wide range of approaches in Platonic scholarship the volume aims to enliven and reorient the debate over Socratic method so as to set a new agenda for future research Contributors are Hayden W Ausland Hugh H Benson Thomas C Brickhouse Michelle Carpenter John M Carvalho Lloyd P Gerson Francisco J Gonzalez James H Leshner Mark McPherran Ronald M Polansky Gerald A Press Francois Renaud and W Thomas Schmid Nicholas D Smith P Christopher Smith Harold Tarrant Joanne B Waugh and Charles M Young

Socratic Torah Jenny R. Labendz, 2013-03-28 The relationship of the rabbis of Late Antique Palestine to their non Jewish neighbors rulers and interlocutors was complex and often fraught Jenny R Labendz investigates the rabbis self perception and their self fashioning within this non Jewish social and intellectual world answering a fundamental question Was the rabbinic participation in Greco Roman society a begrudging concession or a principled choice Labendz shows that despite the highly insular and self referential nature of rabbinic Torah study some rabbis believed that the involvement of non Jews in rabbinic intellectual culture enriched the rabbis own learning and teaching Labendz identifies a sub genre of rabbinic texts that she terms Socratic Torah in which rabbis engage in productive dialogue with non Jews about biblical and rabbinic law and narrative In these texts rabbinic epistemology expands to include reliance not only upon Scripture and rabbinic tradition but upon intuitions and life experiences common to Jews and non Jews While most scholarly readings of rabbinic dialogues with non Jews have focused on the polemical hostile or anxiety ridden nature of the interactions Socratic Torah reveals that the presence of non Jews was at times a welcome opportunity for the rabbis to think and speak differently about Torah Labendz contextualizes her explication of Socratic Torah within rabbinic literature at large including other passages and statements about non Jews as

well as general intellectual trends in rabbinic literature and also within cognate literatures including Plato's dialogues Jewish texts of the Second Temple period and the New Testament Thus the passages that make up the sub genre of Socratic Torah serve as the entryway for a much broader understanding of rabbinic literature and rabbinic intellectual culture

The Socratic Method Rebecca Bensen Cain, 2007-04-26 Explains how Plato's Socrates uses fallacy irony ambiguity and other rhetorical strategies to advance the Greek maxim to know thyself as a means of caring for the soul

The Questions of Jesus in John John Douglas Charles Estes, 2012-10-19 Why do the New Testament gospels depict a Jesus who asks questions almost as often as he gives answers In *The Questions of Jesus* John Douglas Estes crafts a highly interdisciplinary theory of question asking based on insights from ancient rhetoric and modern erotetics the study of interrogatives in order to investigate the logical and rhetorical purposes of Jesus questions in the Gospel of John While scholarly discussion about Jesus cares more for what he says and not what he asks Estes argues a better understanding of the rhetorical and dialectical roles of questions in ancient narratives sheds a more accurate light on both John's narrative art and Jesus message in the Fourth Gospel

The Cambridge Companion to Socrates Donald R. Morrison, 2011 Essays from a diverse group of experts providing a comprehensive guide to Socrates the most famous Greek philosopher

Philosophy as Frustration Bruce Silver, 2013-06-20 In *Philosophy as Frustration* Happiness Found and Feigned from Greek Antiquity to Present Bruce Silver analyzes important views of happiness from Greek antiquity into the present He argues that in many cases philosophers and positive psychologists do a poor job of defending the views of happiness they promote Too often the philosophical approaches to what constitutes happiness are at odds with themselves and with possibilities for living happily In some cases readers discover that the phrase happy human being is oxymoronic and that the most a person can expect is a life that is a measure of calm

Trials of Reason David Wolfsdorf, 2008-01-22 Scholarship on Plato's dialogues persistently divides its focus between the dramatic or literary and the philosophical or argumentative dimensions of the texts But this hermeneutic division of labor is naive for Plato's arguments are embedded in dramatic dialogues and developed through complex largely informal exchanges between literary characters Consequently it is questionable how readers can even attribute arguments and theses to the author himself The answer to this question lies in transcending the scholarly divide and integrating the literary and philosophical dimensions of the texts This is the task of *Trials of Reason* The study focuses on a set of fourteen so called early dialogues beginning with a methodological framework that explains how to integrate the argumentation and the drama in these texts Unlike most canonical philosophical works the early dialogues do not merely express the results of the practice of philosophy Rather they dramatize philosophy as a kind of motivation the desire for knowledge of goodness They dramatize philosophy as a discursive practice motivated by this desire and ideally governed by reason And they dramatize the trials to which desire and reason are subject that is the difficulties of realizing philosophy as a form of motivation a practice and an epistemic achievement In short *Trials of Reason* argues that Plato's early dialogues are as much works of meta

philosophy as philosophy itself *The Journal of Philosophy, Psychology and Scientific Methods* ,1919 Middle School English Teacher's Guide to Active Learning Marc Moeller,Victor Moeller,2013-10-30 This book show you how you can foster reflective independent thinking in your class boost the number of students who actively participate and prevent the discussions from falling flat or degenerating into bull sessions This volume features 20 student centered lesson plans and includes answer keys for teachers Each lesson plan engages students in active learning Plato's Ethics Terence Irwin,1995 Studies Plato s Republic and other dialogues **Why Plato Lost Interest in the Socratic Method** Gareth B. Matthews,2022-11-07 The Socratic method of questioning and refutation elenchus predominates the early Platonic dialogues But things change in the middle dialogues as Socrates goes beyond merely asking questions and begins to provide answers to his questions And the method virtually disappears in the late dialogues The standard explanation of this phenomenon is that the early dialogues were intended to commemorate Socrates and the elenchus while in the middle and late dialogues Plato went beyond Socrates to present his own mature philosophical thought In this book Matthews revises this explanation by uncovering the shortcomings that Plato came to find in the Socratic method and the reasons why Plato lost interest in it

Educational Aims and Methods Sir Joshua Girling Fitch,1900 Socratic Wisdom : The Model of Knowledge in Plato's Early Dialogues Hugh H. Benson Professor of Philosophy University of Oklahoma,2000-01-05 While the early Platonic dialogues have often been explored and appreciated for their ethical content this is the first book devoted solely to the epistemology of Plato s early dialogues Author Hugh H Benson argues that the characteristic features of these dialogues Socrates method of questions and answers elenchos his fascination with definition his professions of ignorance and his thesis that virtue is knowledge are decidedly epistemological In this thoughtful study Benson uncovers the model of knowledge that underlies these distinctively Socratic views What emerges is unfamiliar yet closer to a contemporary conception of scientific understanding than ordinary knowledge **The Oxford Handbook of Plato** ,2019-10-07 Plato is the best known and continues to be the most widely studied of all the ancient Greek philosophers The updated and original essays in the second edition of The Oxford Handbook of Plato provide in depth discussions of a variety of topics and dialogues all serving several functions at once they survey the current academic landscape express and develop the authors own views and situate those views within a range of alternatives The result is a useful state of the art reference to the person many consider the most important philosophical thinker in history This second edition of he Oxford Handbook of Plato differs in two main ways from the first edition First six leading scholars of ancient philosophy have contributed entirely new chapters Hugh Benson on the Apology Crito and Euthyphro James Warren on the Protagoras and Gorgias Lindsay Judson on the Meno Luca Castagnoli on the Phaedo Susan Sauv Meyer on the Laws and David Sedley on Plato s theology This new edition therefore covers both dialogues and topics in more depth than the first edition did Secondly most of the original chapters have been revised and updated some in small others in large ways *Gareth B. Matthews, The Child's Philosopher* Maughn Rollins Gregory,Megan

Jane Laverty, 2021-08-26 Winner of the 2022 Book Award of the Philosophy of Education Society of Australasia Gareth B Matthews *The Child's Philosopher* brings together groundbreaking essays by renowned American philosopher Gareth B Matthews in three fields he helped to initiate philosophy in children's literature philosophy for children and philosophy of childhood In addition contemporary scholars critically assess Matthews' pioneering efforts and his legacy Gareth B Matthews 1929-2011 was a specialist in ancient and medieval philosophy who had conversations with young children discovering that they delight in philosophical puzzlement and that their philosophical thinking often enriched his own understanding Those conversations became the impetus for a substantial component of Matthews' scholarship from which this book features essays spanning the length of his career Contemporary contributors to the book critically evaluate Matthews' scholarship showing where he broke new ground and identifying developments and debates in the fields he helped to initiate They take up pressing challenges including biased idealizations of childhood in children's literature the tensions between teaching philosophy to and doing philosophy with young people the merits of theorizing childhood without theorizing children and how professional philosophy at once desires and resists a return to childhood This second volume in the Philosophy for Children Founders series is an important resource for philosophers educators and anyone interested in children's philosophical thinking developmental psychology what it means to philosophize with children the nature of childhood and how children's literature goes philosophical It will guide and inspire those who share Matthews' conviction that the impulse to philosophize begins in early childhood Contributors in addition to Gareth B Matthews Stephanie Burdick Shepherd Cristina Cammarano Claire Cassidy Stanley Cavell Maughn Rollins Gregory Jennifer Glaser Walter Omar Kohan Megan Jane Laverty Jana Mohr Lone Karin Murris Peter Shea Susan M Turner Susannah Sheffer *Proceedings of the Boston Area Colloquium in Ancient Philosophy* John J. Cleary, Gary M. Gurtler, 2003-06 This latest BACAP Proceedings covers three key areas in ancient philosophy ethics method and physics Under ethics there are three papers on Socratic piety Aristotelian friendship and Augustinian Platonic virtue Under method Socratic elenchos Socratic maieutic and Aristotelian aporematic inquiry Under physics life in Plato and more [The Oxford Handbook of Aristotle](#) Christopher Shields, 2012-06-27 The Oxford Handbook of Aristotle reflects the lively international character of Aristotelian studies drawing contributors from the United Kingdom the United States Germany France Switzerland Italy Canada and Japan it also appropriately includes a preponderance of authors from the University of Oxford which has been a center of Aristotelian studies for many centuries The volume equally reflects the broad range of activity Aristotelian studies comprise today such activity ranges from the primarily textual and philological to the application of broadly Aristotelian themes to contemporary problems irrespective of their narrow textual fidelity In between these extremes one finds the core of Aristotelian scholarship as it is practiced today and as it is primarily represented in this Handbook textual exegesis and criticism Even within this more limited core activity one witnesses a rich range of pursuits with some scholars seeking primarily to understand Aristotle in his own philosophical milieu and others

seeking rather to place him into direct conversation with contemporary philosophers and their present day concerns No one of these enterprises exhausts the field On the contrary one of the most welcome and enlivening features of the contemporary Aristotelian scene is precisely the cross fertilization these mutually beneficial and complementary activities offer one another The volume prefaced with an introduction to Aristotle s life and works by the editor covers the main areas of Aristotelian philosophy and intellectual enquiry ethics metaphysics politics logic language psychology rhetoric poetics theology physical and biological investigation and philosophical method It also and distinctively looks both backwards and forwards two chapters recount Aristotle s treatment of earlier philosophers who proved formative to his own orientations and methods and another three chapters chart the long afterlife of Aristotle s philosophy in Late Antiquity in the Islamic World and in the Latin West

Oxford Studies in Ancient Philosophy, Volume 42 Brad Inwood,2012-07-19 Oxford Studies in Ancient

Philosophy is a volume of original articles on all aspects of ancient philosophy The articles may be of substantial length and include critical notices of major books OSAP is now published twice yearly in both hardback and paperback The serial Oxford Studies in Ancient Philosophy OSAP is fairly regarded as the leading venue for publication in ancient philosophy It is where one looks to find the state of the art That the serial which presents itself more as an anthology than as a journal has traditionally allowed space for lengthier studies has tended only to add to its prestige it is as if OSAP thus declares that since it allows as much space as the merits of the subject require it can be more entirely devoted to the best and most serious scholarship Michael Pakaluk Bryn Mawr Classical Review

[Ancient Philosophy](#) Daniel W. Graham,2020-03-11 A

comprehensive yet accessible survey of ancient philosophy covering Greek Roman and early Judeo Christian philosophy ideal for introductory courses in the ancient roots of modern worldviews Part of the popular Fundamentals of Philosophy series Ancient Philosophy is an ideal resource for beginning students as well as for advanced students wishing to hone their understanding of the philosophies of the ancient world Clear and engaging this book covers a representative selection of major ancient thinkers movements and schools of thought including the Sophists and other significant Presocratics Socrates Plato Aristotle Hellenistic philosophy the Stoics the Skeptics and early Judeo Christian philosophy up to Augustine Written by a prominent scholar and author in ancient philosophy studies this book Provides an overview of important issues in the study of the philosophies of the ancient world Explores the relevance of the theories of ancient thinkers to the modern world Charts the progression in the ancient world from worldviews based in mythology to systems of thought based on the analysis of evidence Presents up to date scholarship as well as historical material from ancient sources Assumes no prior knowledge of philosophy and examines all arguments carefully and sequentially

A Short History of Ethics Alasdair

MacIntyre,2003-07-08 A Short History of Ethics has over the past thirty years become a key philosophical contribution to studies on morality and ethics Alasdair MacIntyre writes a new preface for this second edition which looks at the book thirty years on and considers its impact A Short History of Ethics guides the reader through the history of moral philosophy from

the Greeks to contemporary times MacIntyre emphasises the importance of a historical context to moral concepts and ideas showing the relevance of philosophical queries on moral concepts and the importance of a historical account of ethics A Short History of Ethics is an important contribution written by one of the most important living philosophers Ideal for all philosophy students interested in ethics and morality

Does Socrates Have A Method Does Socrates Have A Method Introduction

In the digital age, access to information has become easier than ever before. The ability to download Does Socrates Have A Method Does Socrates Have A Method has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Does Socrates Have A Method Does Socrates Have A Method has opened up a world of possibilities. Downloading Does Socrates Have A Method Does Socrates Have A Method provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Does Socrates Have A Method Does Socrates Have A Method has democratized knowledge.

Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Does Socrates Have A Method Does Socrates Have A Method. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Does Socrates Have A Method Does Socrates Have A Method. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Does Socrates Have A Method Does Socrates Have A Method, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Does Socrates Have A Method Does Socrates Have A Method has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Does Socrates Have A Method Does Socrates Have A Method Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Does Socrates Have A Method Does Socrates Have A Method is one of the best book in our library for free trial. We provide copy of Does Socrates Have A Method Does Socrates Have A Method in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Does Socrates Have A Method Does Socrates Have A Method. Where to download Does Socrates Have A Method Does Socrates Have A Method online for free? Are you looking for Does Socrates Have A Method Does Socrates Have A Method PDF? This is definitely going to save you time and cash in something you should think about.
